Daily Home Screener

Screen your child at home daily for symptoms. If your child shows any of the symptoms, please keep them home.

If your child has a chronic condition with any of the symptoms, a doctor's note will be required to allow the student to attend school.

If someone in your home has Covid or if your child has been exposed to Covid, please remain at home and contact the school.

St. Lucie PUBLIC SCHOOLS

Daily Home Screening for Students

Parents: Please complete this short check each morning with your child or children before

SECTION 1: Symptoms

Does your child have any of the following symptoms, that indicates a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to others? Please check your child for these symptoms.

Yes	No	Temperature 100.4 degrees Fahrenheit or higher
Yes	No	Sore Throat
Yes	No	New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/ asthmatic cough, a change in their cough from baseline)
Yes	No	Diarrhea, vomiting, or abdominal pain
Yes	No	New onset of severe headache, especially with a fever

If the student/parent/caregiver answers YES to any of the above questions in Section 1, the student must stay home until symptom-free **for at least 24 hours without fever reducing medications.**

If the student answers YES to any question in Section 1, then:

- If positive test for COVID, student should stay home for 10 days until symptom free and at least 24 hours without fever reducing medications. If these criteria are met, the student does not need a negative test or doctor's note to return to school.
- If student has a negative COVID test obtained during current symptoms, student should stay home until fever free for at least 24 hours and all other symptoms have gone away.

SECTION 2: Close Contact/Potential Exposure

Yes	No	Had close contact (within 3 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19

If answered yes to the above question in Section 2, the student must stay home for 8-14 days since exposure to COVID. The DOH will determine the number of days.

If student develops symptoms of COVID during the quarantine period, student should be tested for COVID. If student does not get tested, continue quarantine period and do not return to school until symptoms have gone away. School should be notified.

Safe Return to School

- Masks are optional; if worn, they must conform to policy guidelines.
- Social distancing of 3’ between children and 6’ between adults.
- Frequent handwashing and sanitizing.
- Assigned seating with seating charts to minimize quarantine in the event of exposure.
- No family visitation at breakfast or lunch until further notice.
- Daily classroom screening of all students.
- Students who report to the clinic with any of the Covid symptoms will be sent home and must remain home the day following the clinic visit.

Classroom Expectations

Grading Policy

- Grading will be based on the quality of work according to the individual student's ability and independence level.
- Student IEP accommodations and IEP goals will be taken into consideration when grading student work.
- Students will be assessed in a variety of ways including but not limited to final work product, participation, demonstration of comprehension through the student's preferred communication method and collaboration between teachers and therapists.

Dress Code

The Dress Code has few rules and allows much freedom to choose.

Students who fail to honor the rules of the dress code may lose the privilege of a liberal code.

Consequence of repeated violation of dress code would be the requirement to follow a more restrictive code (ie solid bottoms, no rips or decoration and a solid collared shirt.

Dress Code 2021 - 2022

Our primary goal is the education of students in a safe environment that allows students to concentrate on academics without undue distraction. School Administration/designee shall be the final judge of wearing apparel/accessories and determine whether such items are appropriate, disruptive, offensive, distracting, or in violation of health and safety rules.

We encourage students to take pride in their attire as it relates to the school setting. Students are to dress in a manner that, in addition to the following guidelines, takes into consideration the safety, health, and welfare of self and others, and does not disrupt the learning environment. **Appropriateness of dress shall be determined by the school administration** according to Governing Board Policy.

All Students MUST:

Be covered from shoulders to knees. This includes any pants that have rips or frays. Skin may not show through rips or frays above the knee.

Wear properly fastened shoes with closed toe and back, that fit securely on the foot; preferably athletic shoes (a must for PE).

Wear face coverings, when policy requires, which adhere to the following guidelines:
• cover the nose and mouth • Worn prior to entering a building and at all times on campus unless permission is granted for the removal. *The principal shall have final authority to determine the suitability of any face covering.*

Earbuds, and Headphones should not be visible and will be used only when they are academically called for and permission has been granted.

What students are NOT permitted to wear:

- No head wear permitted, including but not limited to – hats, visors, bandanas, hoods on head, or sunglasses.
- No Biking or "Soffee" shorts, running shorts, leggings, yoga pants or pajama pants. No shorts or pants with writing on the backside. Pants/shorts must be worn at the waist and cover to the knee. No excessively baggy shorts or pants.
- No Skin may show through rips and tears in pants. Leggings may be worn underneath to prevent skin from showing through.
- No Crocs, clogs, sandals, slippers, backless shoes or shoes that have just a backstrap; no heals over 1". No shoes that are unsafe in a multi-floor campus. No jewelry considered unsafe (dangling earrings, knuckle type rings, studded belts, chains)
- No sleeveless shirts, tank tops, cami tops/ spaghetti straps, shirts with cutouts or that expose the midriff or cleavage. No Sheer (see-through) fabrics. Undergarments must not be visible.
- No clothing that is offensive and promotes violence, alcohol, tobacco, drugs or has the potential to compromise campus safety or cause a disruption or distraction.

The privilege of a relaxed dress code will be removed for students who are unable or unwilling to abide by these standards. School administration/designees shall be the final judge of dress code and have the authority to determine if the apparel is distracting, disruptive, or the cause of harm to students or the educational process.
