

PBIS STORE, CLASS CASH AND EVENTS

PBIS Store

As part of the Bayshore PBIS Plan the PBIS Store is a currency exchange program. Students have the opportunity to earn Jazzy Cash for modeling PBIS expectations and use it to purchase items from the PBIS store on a weekly basis.

Class Cash

Students can also have the opportunity to receive incentives collectively as a class. Simple things like class dress code checks, modeling hallway and cafeteria expectations as a class allows students to earn Class Cash that it can be used for a PBIS class exclusive activity.

PBIS Events

Every month there is a PBIS sponsored event. Students can use their Jazzy Cash to participate in these fun activities ranging from Bingo to Jersey Day. Please check the school calendar for the Scheduled PBIS events.

HOW CAN I HELP MY CHILD OR THE SCHOOL SUPPORTING PBIS?

You can help our PBIS efforts by talking to your child about the PBIS expectations and the importance of modeling these expectations in school. You may also help the school by volunteering at our PBIS store. Please contact the Bayshore Elementary PBIS coordinator for more information on how to volunteer.

For more information please contact Bayshore Elementary PBIS Coordinator 772-340-4720

Positive Behavior

Interventions and Support

PBIS

PBIS Mission: Our mission is to prepare our students for the future by teaching them to conduct themselves in a respectful and responsible manner, while putting safety first at all times.

PBIS Vision: Our vision is to promote and maintain a proactive, positive and effective school climate in which all children achieve social and academic success. No exceptions!!!

PROGRAM INFORMATION FOR THE BAYSHORE ELEMENTARY COMMUNITY

WHAT IS PBIS?

Positive Behavior Interventions and Support provides a framework to help students improve academic and behavioral outcomes. It is a school-wide system with processes intended to teach behavioral expectations the same way as the core curriculum subjects.

Bayshore Elementary has a PBIS Core team consisting of members representing administration, faculty and staff, including a District PBIS Coach. The Core team meets on a regular basis and has the responsibility of implementing and monitoring the school-wide PBIS plan. The PBIS team meets to review the discipline data; track progress; identify areas to target for intervention across campus; communicate intervention data and findings; and plan for intervention(s) across campus.

Bayshore Elementary School has identified and posted PBIS expectations and rules in specific settings across campus. The rules are directed to specific behavior routines expected in classroom and non-classroom settings.

The PBIS behavioral expectations and routines are taught in the classroom using specific lessons for the behavioral expectation to be taught.

SCHOOL-WIDE PBIS EXPECTATIONS

School-wide expectations

Classroom Expectations

Hallway Expectations

Cafeteria Expectations

Bus Expectations

RECOGNITION PROGRAMS

Every month, Bayshore Elementary recognizes students, faculty and staff who model the school's PBIS expectations through a nomination process. Student, faculty and staff are eligible for:

- Jazzy Student of the Month
- Jazzy Teacher of the Month
- Jazzy Staff of the Month
