Graphic Design

AUDITION REQUIREMENTS

Graphic Design at the Creative Arts Academy of Saint Lucie is offered to our 6th, 7th, and 8th grade students. Simply put, Graphic Design is _informational art_ **that combines both** _words_ **and** _pictures_ such as logos, brochures, posters, product packaging, billboards, and so much more!

We create projects using computers with industry-standard design programs: Adobe Photoshop, Illustrator, and InDesign as well as projects by hand. Students interested in drawing/sketching, designing, coloring, typography, photography, and like working on a computer will find this class engaging and enjoyable.

To be considered for the CAST Graphic Design Program, please read the following:
