

NHS Selection for 2014/2015 School Year

_____ has been identified as a candidate for selection to our chapter of the National Honor Society. Candidacy begins by meeting our Scholarship criterion of a **GPA of 3.2 or higher**, which has been met by this student. Each candidate will submit a Candidate Form to the Faculty Council, but we would like information regarding the student's character from a firsthand source.

Please consider these ratings as seriously as you would any grade entered into your grade book. **Note:** these ratings are not based on academic performance. That is already reflected in the grades the candidates' may have received in your class.

Faculty Recommendation. Please have a faculty member who has had contact with you throughout high school recommend you for membership in the National Honor Society.

*Faculty Member: **Do not return application to the student.** Please put it in Ms. Tabitha Killion's mailbox, or deliver to room 405 on the main campus. The student will not see the recommendation, so please be as honest as possible. The NHS sincerely appreciates your time and effort.*
