Dear Parent(s),

Spring is in the air, as our students prepare...they are prepared to do their very best each and every day. As our students embark on the testing season, know that they have the strategies, knowledge and know-how in order to do their very best. For last-minute strategies and tips, please visit the FLDOE assessment link @ www.FSAssessments.org. Thank you for being super leopards every season.

PTO Walk-a-thon

Students have the opportunity to help their school by participating in the PTO sponsored walk-a-thon held on March 11, 2015. The walk will occur during the student's assigned resource time. Pledge envelopes went home last week to gather any donations. All proceeds will benefit the faculty, staff and students of Lawnwood through equipment, supplies and materials purchases.

This year we also have the chance to cheer on our leopards as they walk the track. Trail markers are available for purchase for the low cost of \$20. This purchase will get the buyer a "trail marker making kit." Decorate your trail marker with words of encouragement for your favorite leopard or class. Checks need to be made out to Lawnwood Elementary School.

FSA Assessment Information:

Students in grades 3-5 will begin the FSA assessment window on March 2nd. Please become familiar with the test administration dates (available on the school as well as district website), as well as resources available for testing. Students need to arrive to school on-time, well-rested and fed to optimize their testing success. If you have any questions regarding your child's progress toward the grade level standards, please contact your child's teacher to set up a parent/teacher conference. Our leopards are well prepared for these tests. FSA stands for "Florida Students Achieving" great things @ Lawnwood Elementary!

Spring Pictures

Spring Pictures will be taken on March 18, 2015. Students will be taking class pictures as well as individual spring pictures. Students must be in uniform for this photo opportunity. If you would like your child to take individual pictures, please return the envelope to the school by the due date of March 18th. Please look for more information to follow.
