

Mariposa Elementary 2016-2017 SIP Goals

Goal 1:

If all stakeholders participate in and support a single school culture, then teacher efficacy will increase.

Goal 2:

If all teachers will deliver Standards Based Instruction utilizing best practices in instruction, then student achievement will improve.

Goal 3:

If all teachers plan for and deliver quality Differentiated Instruction daily in reading and math, then there will be an increase in learning gains for 1) all students and 2) students in the bottom quartile.

Goal 4:

If all teachers will be active participants in the skillful art of collaborative planning for standards based instruction, the quality of lesson plans and student achievement will improve.
