

## Did You Know?

### Industry Certifications

Students may choose one of our career and technical programs to be able to earn industry certifications employers are seeking.

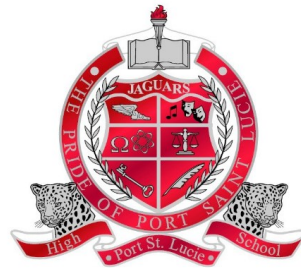

### Advanced Coursework

Students are encouraged to take at least one “stretch” class—an advanced class in their best subject area that is rigorous and challenging to stretch their academic ability. Advanced coursework may also help students qualify for more scholarships and the grade multiplier can boost their GPA.

## Title I Parent Involvement Plan 2015-2016

Every Student, Future Ready!

## School Advisory Council

The School Advisory Council (SAC) is a team of people representing various segments of the community—parents, teachers, students, administrators, support staff, business/ industry people and other interested community members who provide input for and approve the schools improvement plan (SIP). This team meets monthly to review the school's activities and progress on the SIP. Parents are encouraged to be active members of the SAC. Please contact Myrna Belgraves at 337-6720 for information.

## Clubs and Activities

### Clubs and Activities

Marching Band Parent Booster Club, Cheer-leading, Drama Parent Booster Club, Spanish Honor Society, National Honor Society.

### Sports

Football, Track, Cross Country, Girls' Weightlifting, Soccer, Basketball, Baseball, Softball, Wrestling, Swimming, Bowling, Golf, Girls' Flag Football, Girls' Volleyball. Please join our parent athletic team boosters to get involved!

## @ccess Now

@ccess Now, a pilot program to support any-time/anywhere learning and access to content which supports students' college and career readiness skills. This initiative includes a laptop distributed to every student and teacher at Port St. Lucie High School. A series of informational presentations for parents and students and distribution of the laptops to students was held September 8-12, 2015.

@ccess Now provides a strong link between school, parents, and students. Please contact Linda Cooper at 337-6088.

### PSLHS Mission Statement

The mission of Port Saint Lucie High School is to prepare all students for personal success, college and the global workplace by strategically designing rigorous and engaging work for all students in a caring, supportive environment.

## Attendance Committee

The Attendance Committee meets monthly to review student attendance and develop interventions and incentives to ensure students attend school. When students have 3 or more unexcused absences in a two-week period the committee contacts parents to help support and problem-solve any barriers to improved school attendance. Parents are invited to join this committee. Please contact Tim Norfleet at 337-6710.

## Student-led Conferences

These conferences provide an opportunity for your student to reflect upon their successes during the year and to provide you with examples of what they have learned in each of the academic areas. Each student will be focusing on materials they have collected and combined for their individually-created portfolio.

We view this as an extremely positive opportunity for our students to emphasize their strengths, acknowledge their weaknesses, and with you in attendance, set a goal for their continuation of high school.

## Senior Awards

Senior Awards provide an opportunity to highlight the achievements of our graduating class. Parent are invited to share in the excitement as we announce the scholarships awarded to the Class of 2016.

## FAFSA Night

We are holding a combined South County FAFSA event on February 3, 2016 at 6 PM at Treasure Coast High School. Students will be able to begin completing the FAFSA application with support from school counselors at the session.
