

# Cafeteria

---

Students may purchase breakfast for \$1.00, (adults \$2.00) which includes juice, milk, and a choice of cereals, biscuits, breads and/or other breakfast items. To participate in the breakfast program, students should go directly to the cafeteria when they arrive at school.

Nutritious school lunches are served in the cafeteria daily at a cost of \$1.75. A choice of skim, whole and low-fat milk and juice are available.

A computerized cash register system lets families purchase meals in advance. Students may prepay for their breakfasts, lunch, or a la carte items: Cookies and Ice Cream are available on Wednesdays and Fridays for \$.50. Rice crispy treats are available on Tuesday and Thursday for \$.25. To open or add to an account, parents should send a check or cash to the cafeteria manager via their child in the morning. Checks should be made payable to Rivers Edge Elementary School .

Parents may join their child for lunch. Adult lunches cost \$3.00. We ask that dining guests check in at the office for a visitor's badge before meeting the child's class in the cafeteria lobby.

Applications for free or reduced price breakfasts and lunches are available at the school.
