Some basic guidelines for dropping off students in the morning and picking up students in the afternoon:

- 1. Students are not to be dropped off before 8:15 a.m. There is no supervision before 8:15 a.m.
- 2. Please follow traffic pattern indicated by signs and arrows for the drop-off and pick-up area. Do not park on the grass or non-designated parking space.
- 3. Please pull up all the way through the drop-off/pick-up zone to enable the maximum number of cars to unload and load. Parents are to remain in their cars.
- 4. Do not drop-off or pick-up your child from any other location other than the supervised drop-off/pick-up zone.
- 5. In the morning, please have your child ready to exit the car as quickly as possible.
- 6. In the afternoon, please remember that students are dismissed to parent pick-up at 3:10 p.m. Please be on time. Students should not be waiting past 3:20 p.m.

Following these basic guidelines will make for a safe and smoother drop-off and pick-up for our students. It will also show consideration for other parents dropping off and picking up their children, as well as for those supervising in the area.

Bus Riders

Prior to each school year, the Transportation Department provides information to parents concerning your child's bus number, bus stop and times for pick-up and drop-off.

Bus transportation is provided for students living two miles or more from out campus. Students are assigned one bus. Students must ride the same bus in the morning and afternoon. We cannot give permission to your child, even when a parent writes a note, to ride a different bus other than the one he or she is assigned to.

Children will be sent using their normal transportation unless there is a written note by the parents.

PLEASE FOLLOW THESE GUIDELINES TO HELP KEEP OUR STUDENTS SAFE!
