I/We, the undersigned Parent(s)/Guardian(s) of the above named student, acknowledge that participating in middle school intramurals in the St. Lucie County Schools is entirely voluntary and subject to the rules and policies of the St. Lucie County School District. I understand that my child must abide by all the rules set down by the School Board of St. Lucie County and the school in which the Student Participant is enrolled (School). All infractions of the Code of Student Conduct shall be reported to school administration. All infractions are subject to the appropriate Discipline Response as defined in The School Board of St. Lucie County Code of Student Conduct.

Student participants and parents or guardians of Student participants should have a thorough understanding of the responsibilities and implications of participating in a voluntary extracurricular activity. For this reason, each Student Participant in the St. Lucie County Schools and his/her parent(s), or guardian(s), shall read, and sign this agreement, permission, and release prior to the Student Participant being allowed to participate in any form of intramural practice or contests.

I/We, the undersigned Parent(s)/guardian(s) of the above named Student Participant:

1. Understand that I must have a current physical on file at the school and a completed permission and release form.
2. Understand that only a supplementary insurance premium for the Student Participant is to be paid from school board funds. This insurance will have a **\$500.00** deductible. This deductible will be applied concurrent with primary coverage which will be paid at 100% Reasonable and Customary. If there is no primary coverage, this insurance will pay 100% of Reasonable and Customary after the **\$500.00** deductible.
3. Understand that a **TWENTY DOLLAR (\$20.00) NON-REFUNDABLE PROCESSING FEE must be paid when this form is submitted.** This fee does guarantee participation in the Intramural program at the school your child attends; **however it does not guarantee selection to a tournament team.** I also understand that additional fees may be assessed to participate in a specific sport due to financial limitations and the uncertainty of financial times.
4. Understand that in the event of accident or injury, only School required accident forms will be completed by School officials, and that all claims under any applicable insurance policy for injuries received while participating in intramural activities or travel incidental to such activities shall be processed by the Parent(s)/guardian(s) or the student participant through the company agent handling the insurance policy, and **not** through School officials.
- 5.. Authorize the School to transport the Student Participant and to obtain, through a physician of the School's choice, any emergency medical care that may become reasonably necessary for the student in the course of intramural activities or travel incidental to such activities; and agree that the expenses for such transportation and treatment shall not be borne by the School Board or its employees.
- 6. I understand that talking to a coach or someone from any high school about playing at his/her school before you begin attending that school is a violation and could result in: (FHSA Policy 36)**
 - a. **You being ineligible for a year;**
 - b. **The coach may be fined and suspended;**
 - c. **The school may face penalties including fines and not making the playoffs.**
