Welcome to Bayshore Elementary School

Welcome! We warmly welcome the new and returning members of the Bayshore family! We are so happy to be educational partners with you and look forward to an exciting year.

Bayshore has earned Florida Department of Education *Five Star School Award* and *Golden School Award*. The one thing we are most proud of is our students and the high standards they achieve on a daily basis. Excellence in education is our goal; we believe all students are capable of success, no exceptions!

University of South Florida PBIS project has identified Bayshore Elementary as a candidate for *Gold Model School* status!

This handbook is designed to be a reference for you. You will find many of our procedures outlined within these pages. We have also included some state and district policies for your review. It is important that you are familiar with this handbook. Your child's safety is a priority and these guidelines help us provide an orderly, safe and nurturing environment.

If you would like to become part of our Parent Teacher Organization (PTO) and/or our School Advisory Council (SAC) we would like to share that information with you! The PTO works with the school to provide much needed support for our programs that enhance the core curriculum. The SAC meets monthly and helps guide important decisions for the school. Please let our front office know if you are interested in more information about either organization.

We LOVE volunteers! In a school setting volunteers help in classrooms, the media center, and other places around the school. Volunteers also chaperone field trips and help in special classroom events. If you are interested in volunteering or chaperoning, you are required to complete a volunteer application. It takes about two weeks to process this application, so we recommend you complete one at the beginning of the year and have it on file. If you have any questions about this process, please feel free to call us. We are here for Each Child, Every Day.

Please sign and return the parent/guardian signature page acknowledging review of the student handbook, policies, and procedures.

We look forward to a wonderful year!

Chavonn Silas, Principal

Dismissal- During the Day

For safety reasons, students must be checked out through the school office. Only parents, guardians, and persons listed on the emergency contact list will be permitted to sign out a student. Anyone signing out a student **MUST** show proper identification.

In order to minimize disruptions, students cannot be picked up after 2:45 p.m. (12:45 on early release days), as our office staff and students are preparing for dismissal. If you have an afternoon appointment, kindly pick your child up before 2:45 p.m. (12:45 on early release days). Otherwise, you will have to wait for general dismissal at 3:15 p.m. and to follow the regular dismissal procedures for general dismissal.

It is the responsibility of the parent/guardian to keep the school informed of who may pick up their student(s). **Those who are not on your child's emergency card will not be permitted to pick up your child.** If you would like to add additional people to your list, it must be done in writing. It is also imperative that you keep current phone numbers on emergency cards for emergency purposes.

Dismissal- Changing the way a student goes home

Changing the way a child goes home can become very confusing for both staff and students. **It is highly encouraged to maintain a consistent dismissal pattern.**

However, if an emergency should arise and you need to change the way in which your student goes home, you must do the following:

- ✓ Send a written note with your child to be turned in to the teacher. Ex. "My child will be a car rider instead of a bus rider on 8/18/12."
- ✓ If you are unable to send a written note due to emergency, we are not able to take changes over the phone. In such cases, you may fax a change to (772) 340-4726 followed by a call to the front office to confirm receipt of the fax.
- ✓ In order to ensure your child receives the change in dismissal, all changes must be received in the office by 1:45 p.m (11:45 early release days). **For the safety of our students, changes cannot occur after 1:45 p.m. or by phone. (11:45 early release days)**
- ✓ If you want your child to go home with another child (via car or school bus)
 1. The parents of BOTH children must send a note about the arrangements.
 2. Both notes must be turned in to an administrator for approval 24hrs in advance, if the change involves bus arrangement.
 - a. Parents or guardians must call transportation (772-204-RIDE) to get permission. Please note that not all bus changes are approved.
 - b. Once transportation approves the request, the parent/guardian must call the school to confirm.
 - c. An administrator will be contacted by transportation for approval in order to confirm that the bus has room for additional students

Contact Information

In the event of an emergency, it is important for the school to have accurate contact information. Please contact the school in writing whenever you need to update any information. This includes:

- ✓ Home phone number
- ✓ Cell phone number
- ✓ Work phone number
- ✓ Home address
- ✓ Names and phone numbers of other adults who can pick up your child

Emergency Cards are sent home at the beginning of the year. Parents are responsible to keep these cards and contact names current.

Emergency Drills

We participate in monthly fire drills and periodically in other emergency drills. Some of these are announced to students prior to the drill while others are not. Please remind your child of the importance of learning our emergency procedures.

Insurance

All parents are encouraged to carefully consider enrolling their children in the School Child Insurance Program. This could be of great assistance in case of accidental injury as the school accepts no financial responsibility for accidents occurring on campus. Students are offered a choice of school day coverage or 24-hour coverage. **Appropriate forms are sent home during the first week of school.**

Laptops

Laptops are provided to each student for in-school use. It is the responsibility of each student to ensure property is maintained and damage free while in their use.

Lost and Found

Articles found in and around the school will be housed in a designated area where the owners may claim their property. Jackets will be in the cafeteria for identification. Uncollected items will be donated to a charitable organization at the end of each semester. Please mark your child's name on their items, such as lunch boxes, jackets, etc... Please encourage your child to leave valuables at home.

Media Center

The purpose of Bayshore Elementary School's media center is to teach students literacy skills while fostering a love of reading. Students will visit the media center during their scheduled resource time and during open media times, with teacher permission. Students in kindergarten, 1st, 2nd, and 3rd grade are permitted to check out one book at a time. After demonstrating responsibility for media center books, students in 4th and 5th grade are given the privilege of checking out two books at a time. All library books must be returned before additional ones can be checked out. If a student loses or damages a book (including books with water damage), then the book must be paid for before additional books may be checked out.

The Sunshine State Young Reader's Award Program is a state-wide reading motivation program for students in grades 3-5. The purpose of the SSYRA program is to encourage students to read for personal satisfaction. Students can check these books out from the media center and can read them independently, with friends or with their families. The Sunshine State Books are selected for many reasons, such as their wide appeal, literary value, varied genres, curriculum connections, and/or multicultural representation. Students will earn rewards for reading 3, 6, 9, 12, and 15 sunshine state books!

Parent Conference

Open communication between school and home is always beneficial for students. Please contact your child's teacher to set up a parent conference.

Pledge of Allegiance

Section 1003.44, Florida Statutes, requires that the pledge of Allegiance to the flag of the United States be recited at the beginning of the day in every Florida public elementary, middle, and high school. The statute also requires public schools to post in a conspicuous place a notice stating that each student has the right not to participate in reciting the Pledge.

1. Any student who chooses not to recite the Pledge shall be excused from such activity and shall also be excused from standing during the Pledge.

- ✓ In a "site area emergency" or "general emergency" which involves a more serious incident, evacuation may require students to be transported to predetermined centers. Do not attempt to pick up students at school.
- ✓ Not all schools require evacuation, but if evacuation is required, students from the affected areas will be transported to predetermined location.
- ✓ **Parents are not to go to schools to pick up their children.** St. Lucie County Public Safety, in coordination with the School District, will issue press releases to local radio and television stations informing when parents may pick up their children.
- ✓ Local radio and television stations will announce when and where parents can pick up their children.

- ✓ The Raptor system accesses a national database, preventing anyone who should not be on our campus from gaining access. No one will be allowed to be on campus without a picture ID badge printed up by the Raptor system.

For the safety of our children, all visitors must enter the school using the main entrance. Please report to the main office for a visitor's pass. Visitor parking spaces have been provided for those persons visiting for a short time (30 minutes or less). Please refrain from curbside parking to allow a smooth flow of car traffic

Kids at Hope Time Traveler of the Month

Kids at Hope is a powerful, cultural strategy, rather than a program with an understanding and belief that all children can succeed, without exception. This framework and shared language focuses on instilling the power of HOPE in all children and youth, without exception. Students focus on their future empowering themselves toward achievement and a holistic sense of

These students are honored at a special awards ceremony each month. Parents are invited and encouraged to attend. All students must be in dress code in order to be honored in the ceremony.

In addition to this Bayshore Elementary Student Handbook, all parents are required to read and review the Elementary Code of Conduct document with their child. Book	St. Lucie County School Board Policy Manual
Section	Chapter 5: Students
Title	Equity Grievance Procedure for Students
Code	5.71
Status	Active

(1) Grievance. For purposes of this policy, a grievance is a complaint by a student of or applicant for admission to the public schools in St. Lucie County alleging (a) a violation, misinterpretation, or inequitable application of an established policy governing students individually or collectively, (b) an act of discrimination or intimidation against the student, or any other conduct or practice prohibited by Policy 2.70 Prohibiting Discrimination, or (c) any other act in violation of the student's rights, but not including complaints regarding identification, evaluation, or educational placement arising under Section 504 of the Rehabilitation Act. Complaints regarding identification, evaluation, or educational placement under Section 504 should be filed under the procedures set forth in the Section 504 Manual. For complaints of bullying and harassment, the District shall follow the procedures in Policy 3.43, Bullying and Harassment.

(2) Student Grievance Coordinator. The Superintendent shall appoint a Student Grievance Coordinator ("Coordinator") whose responsibility is to ensure that the District is in compliance with the Florida Educational Equity Act, Section 1000.05, Florida Statutes, and School Board Policy 2.70. As used in this policy, the term Coordinator shall also refer to the Coordinator's designee. The Coordinator shall be trained in the impartial investigation of complaints of all forms of discrimination prohibited by Policy 2.70, and shall not be subject to direct or indirect supervision by any school-based administrator.

(3) Procedure

- (a) Any student or applicant for admission who believes he or she has an equity grievance should first discuss the grievance with the principal of the school involved. If the grievant is not satisfied with the outcome of such discussion, or if the school principal is involved in the alleged incident, the grievant should communicate the grievance and the specific relief requested in writing to the Coordinator within sixty (60) calendar days of the alleged incident.
- (b) The Coordinator, after receiving the grievance shall notify the school principal of the filing of the grievance within fifteen (15) working days of the filing of the complaint.
- (c) If the Coordinator determines that the grievance alleges a potential violation, that there is probable cause that such a violation has occurred, and that the School Board is able to provide the specific relief requested, the Coordinator shall set a date for an informal hearing and include any essential personnel germane to the case. If the Coordinator determines that the grievance is insufficient, that there is no probable cause to proceed, or that the School Board is not able to provide the specific relief requested the Coordinator shall so notify the grievant in writing. A determination of insufficiency, of no probable cause, or of unavailable relief shall be subject to appeal as provided in subsections (3)(g) and (h) of this policy.
- (d) If an informal hearing is set, the Coordinator shall encourage the grievant to discuss the matter informally with the person against whom the grievance has been lodged. Upon request, the Coordinator shall accompany the grievant in an attempt to conciliate the matter. If conciliation is not effected, the hearing shall proceed.
- (e) Notwithstanding any other provision of this policy, the grievant shall not be required to confront the person against whom the grievance has been lodged, particularly in instances in which the grievant has alleged acts or practices of discrimination, including but not limited to harassment, retaliation, or coercion. At the informal hearing, both the grievant and the person against whom the grievance has been lodged shall be afforded an opportunity to present witnesses and other evidence in support or defense of the grievance.
- (f) If an informal hearing is held, the Coordinator shall render a recommendation in writing to the grievant and the person against whom the grievance has been lodged within ten (10) working days of such hearing. The principal of the involved school shall be responsible for taking any action required to implement the Coordinator's recommendations.
- (g) Either the grievant or the person against whom the grievance has been lodged may appeal the recommendation of the Coordinator to the Superintendent with ten (10) working days of receiving notice of such recommendation. Any appeal to, and the decision rendered by, the Superintendent shall be in writing. The decision of the Superintendent shall be rendered within ten (10) working days of the filing of an appeal from the Coordinator recommendation.

(h) The decision of the Superintendent may be appealed to the School Board within ten (10) working days of the appealing party receiving notice of such decision. Any appeal to, the School Board shall be in writing and shall appear on the agenda for the next regularly scheduled public meeting that will be held not less than seven (7) working days after receipt of the appeal. The School Board shall render a written decision on the appeal within ten (10) working days of the meeting. All affected parties will be notified and provided with a copy of the decision of the School Board. The decision of the School Board shall be administratively final.

(i) If a violation is determined to have occurred, the District shall take appropriate steps to prevent the recurrence of any discrimination and to correct the discriminatory effects on the grievant and others. Based upon the circumstances, such steps may include, but are not limited to:

1. Imposing consequences, including referral for discipline when appropriate, upon the person against whom the grievance was lodged,
2. Undertaking such remedial measures as appropriate in the circumstances to address and resolve the grievance and to protect the grievant and witnesses for the grievant from retaliation or future discrimination,
3. Undertaking referrals for counseling, when appropriate, of the grievant and the person against whom the grievance was lodged, and
4. Re-emphasizing instruction of students and training of employees on identifying, preventing, and responding to acts of discrimination.

(j) All proceedings and records of proceedings related to a grievance filed by a student of, or applicant for admission to, the public schools in St. Lucie County shall be confidential as provided in Section 1002.22, Florida Statutes, and other applicable law.

(4) Information in Student Handbooks. All student handbooks for District schools shall incorporate the text of the Board's policy of non-discrimination and educational equity as set forth in Policy 2.70, and this policy establishing an equity grievance procedure for students.

St. Lucie County School District
Student/Parent Notification of Attendance Policies

Florida State Statute 1003.24-Each parent of a child within the compulsory attendance age is responsible for the child's school attendance as required by law. The absence of a student from school is prima facie evidence of a violation of this section; however, criminal prosecution under this chapter may not be brought against a parent until the provisions of s.1003.26 have been complied with.

- Every absence will be listed as unexcused until the school receives a note within 3 days that has been signed by the parent and contains the following information: student's name, date of absences, reason for the absences, and a daytime telephone number.
- Tardies/early pickups will be excused or unexcused. Excused tardies/early pickups must meet the same criteria as an excused absence and must have a parent note.
- Once a student in grades K-12 has accumulated 3 excused tardies or absences due to leaving school early for medical/dental appointments within a semester, the parent must provide documentation from a physician that the student had a medical/dental appointment for subsequent class absences or tardies to be excused.
- A student diagnosed with Autism Spectrum Disorder and who has an appointment, partial day or full day with a health care practitioner to receive generally recognized services such as applied behavioral analysis, speech therapy, and occupational therapy will have the absence excused when the school is provided appropriate documentation (see student progression plan for further information).
- Students who have accumulated more than 10 excused or 5 unexcused absences in a semester, must have vacation travel approved by the principal in advance for the absences to be excused.
- Missing the bus is excused if the bus is more than 5 minutes early or more than 15 minutes late, as confirmed by the school.

Physician Authorization Requirement-A note from a physician containing the dates of the absences for which excuse is sought and the reason for the absence is required in the following circumstances:

- Student has accumulated a total of 10 excused or 5 unexcused absences within a semester, subsequent absences of 3 or more consecutive days may not be excused unless documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician.
- Student has accumulated a total of 15 excused absences or 8 unexcused absences within the school year, subsequent absences of 2 or more consecutive days will not be excused unless: (a) the parent has on file with the school a statement from a licensed physician documenting the student's chronic medical condition and a valid release allowing the school to communicate with the physician, and/or (b) documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician

Lack of attendance can result in court action-As required by law, truancy cases are filed in the Circuit Court in St. Lucie County. A Truancy Petition can be filed when a student has 5 unexcused absences in a calendar month or 10 unexcused absences in a 90-calendar day period. Truancy cases are official judicial cases. Penalties include, but are not limited to: monetary fines, jail time, student being placed in a shelter, community service and loss of custody. Middle and high school truancy cases may be also referred to CINS/FINS for intervention.

You may view your child's records (including attendance) online through Skyward Family Access, which may be activated at your child's school.
