

September 11, 2018

Dear Parent/Guardian:

We would like to invite all of our families to our [DADS TAKE YOUR CHILD TO SCHOOL DAY](#) event! On September 26, 2018, from 7:31 am to 8:09 am, we encourage all fathers and male role models to take their children to school and stay for a few activities. Activities will include: a reception in the Bistro where coffee, juice, and donuts will be served and small ceremony to thank you for all you do! This year we will highlight the service that military fathers provide to both our country and their children. However, all father figures are welcome, including stepfathers, grandfathers, uncles, brothers, foster fathers and other significant male role models. Although the event is centered on fathers, mothers and other family members are also invited to participate.

This initiative's intent is to highlight the significant contributions fathers and male role models can make by taking a more active role in their children's educational experience. When fathers and male role models play a more active role in a child's education, children perform better academically; have fewer discipline problems; and become more responsible adults. We hope all fathers and male role models will take this opportunity to become more familiar with our school and staff.

What about moms? Moms are vital in the lives of their children and are often the parent who is more involved in their children's education. Dads Take Your Child to School Day is just one chance for us to shine the spotlight on dads and male role models to promote the importance of education.
