## **Service Hours Reflection Sheet**

Upon meeting the minimum number of service hours based on scholarship qualifications, <u>students are required to submit a reflection about their service experience (FL HB 461)</u>.

Bright Futures Scholarship Program minimum qualifications are as follows:

- Florida Academic Scholars requires 100 approved community service hours, paid work hours, or a combination of both.
- Florida Medallion Scholars requires 75 approved community service hours, 100 paid work hours, or 100 hours of combination of both.
- Florida Gold Seal Vocational Scholars requires 30 approved community service hours, 100 paid work hours, or 100 hours of combination of both.
- Florida Gold Seal CAPE Scholars requires 30 approved community service hours, 100 paid work hours, or 100 hours of combination of both.

## Service Hour Reflection

Review these questions to help you write a brief reflection of your volunteer or work experience. How has this experience changed or influenced you? How has this experience helped you understand our community? Will you continue volunteering or working in this business or organization in the future? Why?
