INTERNATIONAL BACCALAUREATE PROGRAMS

MIDDLE YEARS PROGRAMME (MYP)

The MYP aims to develop active learners and internationally minded young people who can empathize with others and pursue lives of purpose and meaning. Teaching and learning in the MYP is underpinned by the following concepts:

APPROACHES TO LEARNING - A unifying thread throughout all MYP subject groups, approaches to learning provide the foundation for independent learning and encourage the application of their knowledge and skills in unfamiliar contexts. Developing and applying these skills help students learn how to learn.

TEACHING & LEARNING IN CONTEXT - Students learn best when their learning experiences have context and are connected to their lives and the world that they have experienced. Using global contexts, MYP students explore human identity, global challenges, and what it means to be internationally - minded.

CONCEPTUAL UNDERSTANDING Concepts are big ideas that have relevance within specific disciplines and across subject areas. MYP students use concepts as a vehicle to inquire into

issues and ideas of personal, local and global significance and examine knowledge holistically.

LANGUAGE & IDENTITY - MYP students are required to learn at least two languages (**language of instruction and additional language of choice**). Learning to communicate in a variety of ways is fundamental to their development of intercultural understanding and crucial to their identity affirmation.

SERVICE AS ACTION (COMMUNITY SERVICE) - Action (learning by doing and experiencing) and service have always been shared values of the IB community. Students take actions when they apply what they are learning in the classroom and beyond. IB learners strive to be caring members of the community who demonstrate a commitment to service - making a positive difference to the lives of others and to the environment. Service as action is an integral part of the programme, especially in the MYP community project.

DIPLOMA PROGRAMME

The **International Baccalaureate (IB) Diploma Programme** is a challenging two-year curriculum, primarily aimed at **students aged 16 to 19**. It leads to a qualification that is widely recognized by the world's leading universities. Students learn more than a collection of facts. The Diploma Programme prepares students for university and encourages them to *ask challenging questions, learn how to learn, develop a strong sense of their own identity and culture and develop the ability to communicate with and understand people from other countries and cultures*.

All three parts of the core - **Extended Essay, Theory of Knowledge (TOK) and Creativity, Activity, Service (CAS)** are compulsory and are central to the philosophy of this curriculum.

***All Lincoln Park Academy students will be enrolled in the International Baccalaureate Middle Years Programme for grades 6-10.**

Bus Procedures:

- Transportation is provided for each child residing more than two miles from school.
- **Students may only ride their assigned bus.** If extenuating circumstances result in the student needing to ride a different bus on any given day, the parent must send in a written request. Requests to ride a different bus must be sent to the dean's office at the beginning of the school day to obtain approval from the Transportation Department. The written request requires approval from school administration and/or the designee before the student is permitted to ride a different bus.
- Serious or repeated violations of safety and/or behavior rules may result in students being suspended from the bus by school administrator or designee. Suspension from riding the bus does not mean suspension from school; it will be the responsibility of the parent to get the student to and from school.

During the first two weeks of school, please address bus concerns to the transportation office at (772) 204 – RIDE (7433). During the school year we ask that you please call our school at 468-5477 and speak a Dean to share your concerns regarding bus concerns.

A student who is not scheduled to ride a bus, may not, under any circumstances be in the bus loading zone during dismissal. A student who is in the bus loading zone and is not scheduled to ride a bus on that day is subject to disciplinary actions as defined in the Student Code of Conduct.

Bicycles: Students may ride their bikes to school. Bike riders under the age of 16 are required to wear helmets and all bike riders are always required to lock their bikes at the bike rack. Students must walk their bikes on the sidewalks near the school.

- Students are to bring a chain and lock and place the bike in the bike rack.
- Students under 16 are to have helmets. Students are not to ride scooters or skates to school.
- THE SCHOOL DOES NOT ASSUME RESPONSIBILITY FOR LOST OR STOLEN BIKES.

Business Partners: Lincoln Park Academy is always looking for classroom sponsors and business partners. We have appreciated the support the community has offered us in the past and hope for continued support in the future. The donations in the past have provided basic school supplies for our students, classroom library books for our teachers, as well as rewards for our students' various achievements. If you are interested in adopting a class, you can do that through the St. Lucie County Education Foundation online here: <https://www.educationfoundationstlucie.org/p/13/adopt-a-class> . If you would like to become a Business Partner, please contact the school.

Students will not be permitted to have fast food or food delivery (McDonald's, DoorDash, etc.) to be delivered to students for lunch. If food is delivered for a student, the delivery will not be accepted in the front office and the student will face disciplinary action. Students are not permitted to have party celebrations on campus.

Cell Phones:

Middle School Cell Phone & Electronic Devices Policy

A student may possess a cell phone or electronic device while on school property, subject to the following limitations:

1. The device must be inactivated or "off" during the school day - from the time student steps onto campus until 7th period dismissal, unless expressly permitted to use by a teacher solely for educational purposes.
2. During prohibited times, the device (a) may not be displayed, held, used, activated, or manipulated in any way (b) must be stored in a pocket, pocketbook, backpack, other closed or enclosed container, or any other designated area as determined by the teacher pursuant to State Statute HB 379:
<https://www.flsenate.gov/Session/Bill/2023/379/BillText/er/PDF>. If instructional staff designate a specific area for cell phones, that area must be utilized in accordance with State Statute HB 379.

Anyone seen using cell phones or electronic devices during the school day may have them confiscated. Confiscated items may be picked up by a parent or guardian at the Dean's office. Cell phones and other electronic devices are NOT permitted to be used at any time on campus, including but not limited to the cafeteria, hallways, classrooms, locker rooms, and restrooms. This begins from when the student arrives on campus until 7th period dismissal. Following 7th period dismissal, cell phone use is restricted as follows:

Students may use phones for personal use. Taking pictures, videos or recordings of any kind is prohibited. Students may only use earbud style headsets. Over ear/On ear headsets are not permitted. Speakers are not permitted on campus. While wearing

headphones, students must always be able to hear and respond to adults for safety reasons. Students must take out headphones or put away phones when directed by school staff.

Use of any of these items at any prohibited time will result in confiscation of the item by school administration or deans. Headsets, Air pods, or ear buds must be out of ears and put away. Any disruptive, harassing, or other inappropriate use of a wireless communications device – including actions that occur off campus but disrupt the school environment – shall be cause for disciplinary action. Repeated violations of this policy will be handled in accordance with the progressive discipline policy of Lincoln Park Academy. If a cell phone or electronic device is confiscated during schools hours, it will be available for pick up after school from 2:00-2:30. Only a parent or guardian can pick up a student’s cell phone.

High School Cell Phone & Electronic Devices Policy

Use of cell phones or electronic devices and headphones or earbuds MUST be set on silent mode and stored in a pocket, pocketbook, backpack, other closed/enclosed container or any other designated area as determined by the teacher pursuant to State Statute HB 379: <https://www.flsenate.gov/Session/Bill/2023/379/BillText/er/PDF> , during instructional time. If instructional staff designate a specific area for cell phones, that area must be utilized in accordance with State Statute HB 379. When using a cell phone during permissible times on campus, students must always be able to hear and respond to adults for safety reasons. Use of cell phone must not create a disruption and cell phones should be put away upon entering a classroom. An administrator or designee can revoke the privilege of using cell phones during permissible times on campus and/or confiscate the cell phone or electronic device for violating this policy. Any disruptive, harassing, or other inappropriate use of a wireless communications device – including actions that occur off campus but disrupt the school environment – shall be cause for disciplinary action. Repeated violations of this policy will be handled in accordance with the progressive discipline policy of Lincoln Park Academy. If a cell phone or electronic device is confiscated during schools hours, it will be available for pick up after school from 2:00-2:30. Only a parent or guardian can pick up a student’s cell phone.

Further Guidelines Regarding Cell Phone Use in Specific Areas:

Private Areas – Restrooms and Locker Rooms – cell phone use is NOT permitted in these areas **at any time**.

Classrooms - Pursuant to State Statute HB 379, a student may not use a wireless communication device during instructional time, except when expressly permitted to use by a teacher solely for educational purposes. A teacher may designate an area for wireless communication devices during instructional time.

<https://www.flsenate.gov/Session/Bill/2023/379/BillText/er/PDF>

Public Areas - Students may use phones for personal use. Taking pictures, videos or recordings of any kind is prohibited. Students may only use earbud style headsets. Over ear/On ear headsets are not permitted. Speakers are not permitted on campus. While wearing headphones, students must always be able to hear and respond to adults for safety reasons. Students must take out headphones or put away phones when directed by school staff, during school announcements, and during school drills. Students are not permitted to make or receive phone calls. If a student needs to make or receive a phone call, they must report to the front office only after obtaining a pass from their current teacher at that teacher's discretion. This privilege can be revoked at any time by the principal or their designee.

Checkout during the School Day: Parents must come to the front office directly to sign a student out and the student will be notified to come to the office. Teachers are not allowed to dismiss students from the classroom or any other place on campus without prior notice from the office. **There will be no dismissal of students allowed after 1:00 p.m. unless there is a documented family emergency. Parents should send a written note to school to let the office know the student will be leaving early.** Students will only be released to adults whose names appear on the emergency card. Parents must notify the office immediately of any changes in legal custody. Anyone checking out a student will be asked to show identification if they are unknown to the office staff and photo IDs must be available when requested.

Class Interruptions: At Lincoln Park Academy, instructional time is highly guarded. It is our policy that we do not interrupt class time for non-instructional purposes. Interrupting classes for announcements or delivering notes or forgotten items is not permitted. This interrupts the learning environment for all students. Announcements are made during 1st and 7th hour. In this way, we are able to protect instructional blocks of time.

Class Rank: Class rank is a system of recognizing student achievement among the members of a specific graduating class. The purposes of class rank are:

- To honor academic excellence by rewarding students who successfully complete a rigorous program of studies.
- To offer incentive for students to select scholastically challenging courses.
- To determine the valedictorian and salutatorian for each class.
- To provide colleges and universities the requested rank in class information.
- To provide scholarship committees the requested rank in class information.

Class rank is computed via the weighted quality point system. The points are generated based upon both the grade earned and the instructional level of difficulty for each course.

For courses that are repeated to make up failing grades, improve knowledge, and improve grade point averages (GPAs) for grade forgiveness, the higher grade will be used in computing the grade point average (GPA) for class rank.

Honors and High Honors for graduation will be computed based on a weighted GPA at the end of the 7th semester as follows:

High Honors = 3.8000 – 4.000

Honors = 3.0000 – 3.7999

NOTE – GPA is not rounded

Class rank for the above stated purposes will be computed based on grades earned by the conclusion of the first ninety days (90) of the senior year. Students must be enrolled in a specific St. Lucie County high school a minimum of one and one-half (1 ½) years, ten and one half (10 ½) credits to be eligible for official class rank. Others may request an approximate class rank.

The student who is ranked first in a specific graduating class will be the valedictorian of that senior class and the student who is ranked second in a specific graduating class will be the salutatorian of that senior class.

The final class rank will be computed at the conclusion of the first semester of the senior year.

A transfer student has the option to be unranked without prejudice at the written request of the parent/guardian if student's transfer grades are numerical.

Clinic: If a student becomes ill or injured during school hours, he/she will be sent to the clinic. Parents/guardians will be notified to pick up sick children. In order to notify parent, we must have the current home and work telephone number of every parent on file. **Please keep additional emergency contact numbers current.**

Medication - The parent is responsible for the delivery of any medication and the physician's authorization form to the school clinic. No medication will be administered without a physician's form completed by the physician and the parent/guardian. This applies to all prescription and nonprescription medications.

Students are only permitted to possess and use medication to relieve headaches if the medication is regulated by the United States Food & Drug Administration for over-the-counter us If a child needs emergency medication such as inhalers and/or epi-pens, that medication may be carried by the student with physician and parent approval. In the event of a serious medical emergency requiring medical treatment, the principal or designee shall call 911. Once the emergency medical service (EMS) personnel arrive at the scene, they assume responsibility for the care of the individual. In the event a student must be transported to the hospital a member of the school staff will accompany the student until the parent or guardian reunites with the student.

If a student goes home with a fever, they must wait 24 hours and be fever-free before they can return to school.

Code of Conduct: The district Code of Conduct is available on our district's website and on our school website. It is essential that each parent and student read this Code of Conduct. The Code describes for students, parents, teachers and administrators conduct that violates expected student behavior and lists the potential consequences for those offenses. It also sets out the procedures that will be followed for student discipline. Each student, parent, teacher, and administrator are expected to have a basic understanding of the Code.

Conferences: The communication between the home and school is a key factor in monitoring a child's progress. Conferences with teachers and other school personnel are encouraged and are scheduled through the Guidance Department by calling the school (468-5474). You will be contacted by your child's guidance counselor to schedule an appointment.

Credit Recovery: Students who have failed one or more courses in English, Math, Science, or Social Studies in 6th, 7th, or 8th grade must validate their mastery of the content standards in the failed course(s) through the following:

Retaking the course through credit retrieval or participating in an on-line, competency-based course.

The school will follow the Student Progression Plan for failure and retention.

Custody: School personnel will release students to either parents, guardians, or their designees unless there is on file in the school a copy of a Florida court order which grants custody or denies access to one parent or a third party. Proper identification (driver's license, etc) for release of students will be required.

Dances: All students must follow the St. Lucie County **Code of Student Conduct for Secondary Students**.

- Prom and Homecoming Dance guests must be approved by the Office of Activities. Specific criteria will be defined for each event.
- Only Juniors and Seniors are allowed to purchase Prom tickets. Sophomores may be a guest of a Junior or Senior.
- It is necessary for students to inform parents what time to pick them up after a dance. If a student remains at the dance more than 15 minutes after the end of the dance, he/she may not attend the next scheduled dance or extracurricular activity.

Deliveries: Fast food, balloons, cookies, cakes, etc. may not be sent or brought to school.

Dismissal: After arriving on campus, a student may not leave the campus until after her/his last class. Release of students during the school day is permitted under the following guidelines:

- Students are to be checked out through the Main Office where they will be issued an off-campus pass.
- Students may only leave with a parent, guardian, or emergency contact designated by the parent/guardian on the emergency contact card.
- Students will not be permitted to leave with another student.
- There are no student sign-outs during lunch.

We also ask parents to schedule appointments that take your child from school to correspond to our bell schedule whenever possible. We understand that your time is also valuable. Therefore, to expedite the process, we ask you to follow the below procedure. Please note: Students will not be released from class after 1:00 PM (early dismissal at 11:00 AM):

- Only contacts listed on a student's emergency pick up list may pick up a student from school and must show a photo ID.
- Send a note to school with your child on the day they will be picked up early.
- The note should reflect the pick-up time which corresponds with the bell schedule.
- Your child should take the note to the front office in the morning.
- At the designated transition time, the student will meet the parent/guardian/emergency contact in the school office where the student will be signed out.

If you have to make alternate arrangements for transportation home for your child, the school office must receive a written note from the parent stating how the child will be transported. For the safety of all the children at Lincoln Park Academy, we will not accept any dismissal changes over the telephone. All dismissal changes must be submitted either in person, in writing, or by a verified email account. No changes to dismissal will be made after 1:00 PM.

Students who are 18 years of age may sign themselves out but must have a note from a parent or guardian confirming their knowledge of the student leaving campus early. These notes will also need to be confirmed by the parent/guardian, prior to the student leaving.

Students are required to leave campus within fifteen minutes after school is dismissed unless they are participating in an authorized extracurricular activity. If your child is staying after school for an after-school activity, it is the expectation that all students will be picked up within 15 minutes of their club, tutoring, etc. ending.

Dual Enrollment: Dual enrollment courses are advanced courses in which the student can receive high school and college credit if the student earns a grade of a “C” or better. Students must have a cumulative grade point average 3.0 or above, have qualifying test scores on SAT/ACT/PERT and meet the standards in the Student Progression Plan.

Note: Students must be aware that dual enrollment coursework is college level work, is recorded on a college transcript and the student is expected to be motivated, self-directed, and adept at time management.

In accordance with the Student Progression Plan, the maximum course enrollment, including Dual Enrollment, shall not exceed seven (7) courses, unless needed for credit recovery or early graduation. Therefore, students enrolled in seven (7) on-campus courses are not eligible to take Dual Enrollment courses until the summer semester. For more information contact the high school guidance office.

Electronic Devices: Misuse of telecommunication services or networking for illegal, inappropriate, or obscene purposes, or in support of such activities, shall be prohibited. Illegal activities shall include all acts defined as a violation of local, state, or federal laws. Inappropriate use includes any act that violates or is inconsistent with the District’s mission, goals, policies, or procedures. Obscene activities include all acts that violate generally accepted social standards for use of a publicly owned and operated communication vehicle. In cases of substantial disruption, such misconduct may be the basis for expulsion. Please refer to the Appendix to review the specific policy, Student Responsible Computer Network and Internet Use Policy.

Emergency Drills/Evacuations: The safety of our students is one of our greatest concerns. The school holds regular fire, tornado, code red, and code yellow drills to teach the students to respond calmly in the event of an emergency. Each classroom has a designated escape route to an outside area located a safe distance from the building. Students are expected to follow the teachers’ instructions. Bus evacuation drills are conducted twice per year and practiced according to the directions set forth by the Saint Lucie County Transportation Department. Parents will be notified in advance for all scheduled Code Red drills.

Extracurricular Activities: Our extracurricular program is designed to make available as many different types of activities as possible to meet the interest of the student body. The plans, activities, and functions of each group are decided upon and carried out by the members and/or players and/or their elected officers with the help of the advisor or coach. The success of each group or team depends upon the loyalty and work of the members. Help make your team a success by participating actively.

For a student to participate in athletics or an extra-curricular activity, the student must attend at least four class periods on the day of the activity. If the activity falls on a weekend, the child must attend school the prior day. This includes but is not limited to: musical

concerts, athletic events, clubs, or field trips. A student must also maintain a grade point average of 2.0 on a 4.0 scale beginning with the student's first marking period in order to be eligible to participate in interscholastic or extracurricular activities. An exemplary standard of conduct is expected and will be enforced.

*A student who receives an incomplete has to complete the work within the guidelines of the make-up work policy contained herein. (See Make-up Work Section) If the student does not make up all work by the designated period of time then for any missing work a grade of Zero will be entered by the teacher and the final grade will be calculated. NOTE: the “I” will calculate as a Zero on the report card until the “I” is replaced with a grade. At that time, an adjusted GPA will be calculated for the student.

Grade Point Average Calculations

Point Value: A = 4, B = 3, C = 2, D = 1, F = 0

Letter grades in all courses are given the same point value. The maximum GPA is 4.0. The system is utilized to determine eligibility for graduation, extra-curricular activities, and Florida Bright Futures Scholarship Awards.

Each semester the GPA is computed on a four-point scale by Data Processing and recorded on the second semester transcript label.

Total points divided by 10 (this number is derived by counting each nine weeks 2 times and the semester exams one) = GPA to letter grade

Grade Point Average Grade Given

3.51 - 4.00 A

2.51 - 3.50 B

1.51 - 2.50 C

.51 - 1.50 D

0 - 0.50 F

If a student receives two report card academic grades of F in a semester of a course, the semester average is automatically determined as an “F” except in EOC courses.

A student with a disability, as defined by s. 1007.02(2), for whom the individual education plan team determines that the end-of-course assessment cannot accurately measure the student’s abilities, taking into consideration all allowable accommodations, shall have the end-of-course assessment results waived for purposes of determining the student’s course grade and competing requirements for middle grades promotion.

Honors Weighting-Point System

A weight factor of .02 is assigned for each semester of advanced academic coursework that is taken in high school. A weight factor of .04 will be assigned for each semester of college level coursework to include Advanced Placement, Dual Enrollment, AICE or IB.

The .02/.04 weight factor is added for each semester of advanced courses with a grade of C or higher. The cumulative weight is added to the cumulative GPA to determine the student’s weighted grade point average.

The maximum honors grade point average is determined by adding the cumulative honors points to the cumulative GPA based on a four-point scale, for example: If a student took four advanced courses during each semester of high school and earned a grade of C or higher in each, his honors weight would be +.64 ($32 \times .02 = .64$). This weight would be added to his/her cumulative GPA.

The Honor’s designation will only be provided if a student earns an A, B, or C on a school-based exam in an Honor’s course. The final course grade will be determined by 80% for portfolio work and 20% for final exam. The Advanced Placement designation will only be profiled if the student has taken the relevant Advanced Placement examination and had earned a score of 3 or higher on that exam.

Homework Policy: Meaningful and realistic homework will be assigned Monday through Friday on the average of 30 minutes per academic subject for high school students and 20 minutes per academic subject for middle school students. Special assignments may vary from this guideline from time to time. Homework is designed to provide necessary reinforcement for concepts and skills taught during the school day. It is not given to introduce new material. Enrichment assignments are tailored to the individual and may be given when the teacher feels it is appropriate for the student.

Honor Code: Academic honor, trust, and integrity are fundamental to Lincoln Park Academy. Each contributes directly to the quality of each student’s education and reaches far beyond

the school's campus. The Honor System's promoted ideals are higher than merely enforceable standards, and each student is responsible for understanding and abiding by the provisions of the Honor System. The school expects all students to obey the law, to show respect for other students and the faculty, to maintain absolute integrity and the highest standard of individual honor in scholastic work, and to observe the highest standards of conduct. Lack of knowledge or ignorance of the Honor System or the Lincoln Park Academy Student Standards of Conduct is not an acceptable excuse for violations under any circumstances.

The effectiveness of the Honor Code results solely from the wholehearted and uncompromising support of each member of the Lincoln Park Academy community, which includes the parent(s)/guardian(s) of Lincoln Park Academy students. Each member must abide by the Honor System and must be intolerant of any violations. The system is only as effective as each individual makes it. A student's violation of the basic principles making up the Lincoln Park Academy Honor Code may result in a recommendation for withdrawal from Lincoln Park Academy's special programs or from LPA. Students found to be complicit when the Honor Code is violated may face consequences equal or similar to those of the offender.

I. Academic Integrity

The principle of academic integrity is the cornerstone of a school community. In all our actions, we encourage students toward a life governed by values of academic honesty and respect for the work of others. Cheating, plagiarizing, or giving or receiving unacknowledged assistance in academic work are unacceptable behavior in this community. As an affirmation of this principle, students are required to affirm the following honor pledge, or an equivalent statement determined by the instructor, on all tests, major papers, and other assignments as required by the instructor: ***I pledge that I have neither given nor received unauthorized aid.*** It is expected that affirming the honor pledge will serve as a reminder of the community's commitment to the principles of honor and personal integrity.

Promotion is based on St. Lucie County promotion criteria in the Student Progression Plan.

Schedules: All student requests for class schedules will be made through the Guidance Department. Our goal is to ensure that each student is appropriately scheduled for classes needed in order to meet all the requirements for graduation. Student schedules will only be changed if a **teacher** makes a recommendation for an ability level change in class placement or if a **parent** makes an application for a change and the requested change meets all criteria. Please see your Guidance Counselor for specific details. We do not change schedules to accommodate requests for specific teachers or for students to be with friends.

School Advisory Council: The School Improvement Plan is an essential part of the Florida System of Improvement and Accountability. The School Advisory Council plays a key role in assisting with the development and implementation of the School Improvement Plan. The plan includes needs assessment results, state, and local data, and goals for improvement for the school. The School Advisory Council (SAC) meets monthly and meetings are open to any parent, community, or staff member. Please consider joining our School Advisory Council.

School Sponsored Activities: Lincoln Park Academy students are expected to conduct themselves in a manner that will reflect favorably on the school, not only during school hours, but at any time during a school sponsored activity. This includes activities off the LPA

campus. Student conduct should reflect pride in our school and show students as being accountable for their actions. Any unacceptable behavior by students may subject them to disciplinary action, including suspension and/or expulsion.

Skipping Class: Skipping class is defined as an unexcused absence from class when the student is on campus or has left campus without authorization. The Dean's Office will consider unusual lateness as skipping class. Consequences include parent notification, lunch detention or other consequences.

Student Parking: At Lincoln Park Academy, driving to school and parking on campus is a privilege limited to juniors and seniors (and sophomores when space permits) with good behavior, regular attendance, and strong academic achievement. Parking is limited; therefore, in order to apply for parking privilege for the 2024-2025 school year, all students must meet the following requirements:

- Be enrolled as a Junior or Senior (or Sophomore when space permits)
- Comply with the St. Lucie Public Schools' Code of Conduct and LPA School-Wide Expectations
- Have/Maintain a 2.0 or higher GPA
- Be cleared of all school obligations from the previous school year(s)
- Agree to attend school regularly and BE ON TIME. If any student has six (6) combined unexcused absences and/or tardy days during the fourth nine weeks, they will not be eligible for parking during the first nine weeks of the current school year. Ineligible students may re-apply for parking at the beginning of the next nine weeks.
- Complete the parking agreement and registration forms and email them with a copy of their current driver's license, registration, and insurance information to <mailto:Andrew.Copeland@stlucieschools.org>.
- Pay a non-refundable, non-transferrable fee of \$30.00

The following may result in the loss of parking privileges at LPA:

- Non-compliance with any part of this signed agreement
- Leaving campus at unauthorized times or taking other students off-campus without clearance from the dean's office
- Receiving three (3) or more Level 2 or higher discipline referrals during the nine weeks
- Six (6) unexcused absences or tardy days during the nine weeks
- Speeding and reckless driving in the parking lot or within the perimeter of the school
- Parking in an unassigned space or lot
- No decal displayed
- Possession of drugs and/or weapons

Loss of parking will be determined at the time of the infraction by the administration or dean. If parking privileges are revoked, it will be immediate and will continue through the following nine weeks period. If after parking is revoked, your vehicle is parked on campus, it is subject to being towed. After a nine-week period where the requirements for infractions and/or absences are met for parking privileges the student may reapply for reinstatement of privileges.

Tardies: All students arriving *late to school* must go to the Attendance office for a tardy pass. Students are late to school if they are not in their first block class by the 7:22 bell. **An excused tardy note must be presented at that time.**

If a student is *late to class*, the teacher is to mark him/her "tardy" to class.

Recurring tardies will be addressed by Administration and will result in more severe consequences as pursuant to St. Lucie County's Student Code of Conduct.

Telephones: Students may use school phones in case of an emergency. Students may not use cell phones to contact parents during the school day. Parents should leave emergency messages in the **Main Office (Phone 468-5474).**

Students receiving such messages should report to the Front Office. **Messages will only be taken from parents in case of an emergency and then will be given to the student at the end of the present period.**

Textbooks & Laptops: Basic textbooks and student laptops are a loan for students' use during the school year. It is requested that they be handled carefully and be kept as clean as possible. You will be required to pay for a lost or damaged book or laptop. Failure on the part of the student to pay for lost/damaged textbooks or laptops may deprive the student of further issuance of free textbooks.

Visitors: Parents are welcome during special events and times to visit the school. Please use the designated parking spaces in front of the school. **ALL VISITORS MUST CHECK IN AT THE FRONT OFFICE AND OBTAIN A VISITOR'S PASS.** We will strictly enforce this policy to ensure the safety of all students. Our exterior doors remain locked at all times. Visitors can ring the bell at the front door to gain access. Preschool children and children not registered as students are not permitted to spend the day at school or visit the classrooms.

APPENDIX

St. Lucie County School District Student/Parent Notification of Attendance Policies

Florida State Statute 1003.24-Each parent of a child within the compulsory attendance age is responsible for the child's school attendance as required by law. The absence of a student from school is prima facie evidence of a violation of this section; however, criminal prosecution under this chapter may not be brought against a parent until the provisions of s.1003.26 have been complied with.

- Every absence will be listed as unexcused until the school receives a note within 3 days that has been signed by the parent and contains the following information: student's name, date of absences, reason for the absences, and a daytime telephone number.
- Tardies/early pickups will be excused or unexcused. Excused tardies/early pickups must meet the same criteria as an excused absence and must have a parent note.
- Once a student in grades K-12 has accumulated 3 excused tardies or absences due to leaving school early for medical/dental appointments within a semester, the parent must provide documentation from a physician that the student had a medical/dental appointment for subsequent class absences or tardies to be excused.
- A student diagnosed with Autism Spectrum Disorder and who has an appointment, partial day or full day with a health care practitioner to receive generally recognized services such as applied behavioral analysis, speech therapy, and occupational therapy will have the absence excused when the school is provided appropriate documentation (see student progression plan for further information).
- Students who have accumulated more than 10 excused or 5 unexcused absences in a semester, must have vacation travel approved by the principal in advance for the absences to be excused.
- Missing the bus is excused if the bus is more than 5 minutes early or more than 15 minutes late, as confirmed by the school.

Physician Authorization Requirement-A note from a physician containing the dates of the absences for which excuse is sought and the reason for the absence is required in the following circumstances:

- Student has accumulated a total of 10 excused or 5 unexcused absences within a semester, subsequent absences of 3 or more consecutive days may not be excused unless documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician.
- Student has accumulated a total of 15 excused absences or 8 unexcused absences within the school year, subsequent absences of 2 or more consecutive days will not be excused unless: (a) the parent has on file with the school a statement from a licensed physician documenting the student's chronic medical condition and a valid release allowing the school to communicate with the physician, and/or (b) documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician

Lack of attendance can result in court action-As required by law, truancy cases are filed in the Circuit Court in St. Lucie County. A Truancy Petition can be filed when a student has 5 unexcused absences in a calendar month or 10 unexcused absences in a 90-calendar day period. Truancy cases are official judicial cases. Penalties include, but are not limited to: monetary fines, jail time, student being placed in a shelter, community service and loss of custody. Middle and high school truancy cases may be also referred to CINS/FINS for intervention.

You may view your child's records (including attendance) online through Skyward Family Access, which may be activated at your child's school.

- (1) The right of privacy with respect to the student's education records.

Personally identifiable records or reports of a student, and any personal information contained in these reports, are confidential. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or otherwise in violation of a student's privacy rights.

If the District decides not to amend the records as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

Upon request, the Coordinator shall accompany the grievant in an attempt to conciliate the matter. If conciliation is not effected, the hearing shall proceed.

(e) Notwithstanding any other provision of this policy, the grievant shall not be required to confront the person against whom the grievance has been lodged, particularly in instances in which the grievant has alleged acts or practices of discrimination, including but not limited to harassment, retaliation, or coercion. At the informal hearing, both the grievant and the person against whom the grievance has been lodged shall be afforded an opportunity to present witnesses and other evidence in support or defense of the grievance.

(f) If an informal hearing is held, the Coordinator shall render a recommendation in writing to the grievant and the person against whom the grievance has been lodged within ten (10) working days of such hearing. The principal of the involved school shall be responsible for taking any action required to implement the Coordinator's recommendations.

(g) Either the grievant or the person against whom the grievance has been lodged may appeal the recommendation of the Coordinator to the Superintendent with ten (10) working days of receiving notice of such recommendation. Any appeal to, and the decision rendered by, the Superintendent shall be in writing. The decision of the Superintendent shall be rendered within ten (10) working days of the filing of an appeal from the Coordinator recommendation.

Code of Conduct

The School District's mission is to ensure all students graduate from safe and caring schools equipped with knowledge, skills and the desire to succeed. The Code of Student Conduct describes for students, parents, teachers and administrators conduct that violates expected student behavior and lists the potential consequences for those offenses. It also sets out the procedures that will be followed for student discipline. Each student, parent, teacher, and administrator are expected to have a basic understanding of the Code of Student Conduct.

The Code of Student Conduct adopted by the School Board of St. Lucie County applies to students when the student is waiting for School District transportation at a designated stop, being transported to and from school on School District transportation, at school, or participating in a school-sponsored activity no matter where the activity is occurring. In addition, the student may be subject to the Code of Student Conduct for off-campus activities, regardless of the time or place where the conduct occurs, if the student's conduct is found to have a detrimental effect on the health, safety, and welfare of other students while at school.

An electronic copy of the Code of Student Conduct can be found at:
