PARENT NOTIFICATION

02/02/2021

Our teachers are continuously developing new teaching skills/strategies and acquiring increased levels of content area expertise.

Section 1012.42 of Florida Statutes states when a teacher in a district school system is assigned teaching duties in a class dealing with subject matter that is outside the field in which the teacher is certified, outside the field that was the applicant's minor field of study, or outside the field in which the applicant has demonstrated sufficient subject area expertise, as determined by district school board policy in the subject area to be taught, the parents of all students in the class shall be notified in writing of such assignment.

The following teacher(s) have been assigned one or more classes outside their areas of certification and are required to take the appropriate steps to comply with the statutory regulation.
