

Mariposa Elementary
School Advisory Council
September 20, 2023

- Call to Order:
 - A meeting of the Mariposa Elementary School Advisory Council was held in the Media Center on September 20, 2023. Chair Rhiannon Myers called the meeting to order at 4:30 PM.
- Introductions
- DAC Update – Meeting was canceled last month. Ms. Staples is our representative.
- Old Business
 - Approval of August Minutes - Sarah Madden made the motion to approve and the second was Urso, Approved
 - Budget Update:
 - School Improvement Budget (SAC) - \$4774.29
 - We are in the process of purchasing J & J Bootcamp materials which will bring our budget down to \$3124.29.
- New Business
 - Title 1 - Ms. Watson is the Parent Family Engagement Liaison
 - For our title 1 parent night we had a total of 147 attendees for our movie and info session. This count included 62 parents and 85 students. Students had a great time watching a movie minus a few technology snafus and parents were able to attend the info night kid free. We were able to purchase 45 pizzas from Frank and Al's and that amount fed all our families and provided a small token of appreciation to our maintenance staff. The feedback was useful and our Wednesday night at 5:30 is still the preferred time, with Friday's being the second choice. Parents would like more information on our curriculum in the areas of math and science and most feel like they can utilize Skyward successfully.
 - School – Parent Compact: We looked at our draft and received feedback from the parents that it looked good, and they did not have any added suggestions.
 - Parent Family Engagement Plan 23-24 – Brief overview of a summary of some of the events that will occur throughout the year including: Falloween, Barnes and Noble Night, Resource Night, Winter Wonderland, Literacy Night, Sweetheart Dance, Science Night, Math Night, Honor Roll Assemblies and Monarch of the Month. We will communicate through fliers, Facebook, school messengers, and a new text message feature.
 - FAST/STAR Update – We are finishing up Fast/Star testing with students in the process of completing makeup testing. I-ready testing will be finished within two weeks. You will be able to see your child's FAST/STAR results in Skyward under the testing tab.
 - Book Purchase Review – No requests at this time
- Upcoming Events
 - 9/25 No School Fall Holiday
 - 10/20 Falloween
 - 10/20 -10/27 Book Fair
- Next Meeting October 18, 2023 at 4:30 PM
- Meeting Adjournment: Motion: motioned to adjourn the meeting at 5:05 PM. Mrs. Battipaglia seconded. By Mrs. Richardson. Motion carried unanimously.
