- 11/10 Fifth Grade Honor Roll
- 11/7-11/17: Boosterthon Fundraiser
- 11/13 Odd Sock Day
- 11/15 PTO SAC

As we continue our yearly tradition, we continue to be amazed by the help that pours out from our community and our families. Students were treated to special vendors this year with glitter tattoos and a fun photo booth. Students were able to dress for fun in their favorite non scary costumes and party the night away with their friends and family. We are always so excited to host this event and thank our PHENOMINAL PTO team for making this night a great success!!! A special thank you to Mr. Almonte (pictured right, all dressed up and helping us out) and his staff for helping us set up and clean up. Until next year, Monarchs!!

Storybook Character Day

Teachers and student alike are always so excited for our character storybook day. As our Monarchs paraded around as their favorite story book characters, classmates and teachers alike enjoyed guessing who they were. Did you get to spy Elephant and Piggy? How about the caveman from Dinosaurs Love Underpants? Don't forget to check out the school website and Facebook page for even more chances to spot your favorite storybooks!!

Mariposa Pride— Yearly Awards!

This year Mariposa is honored to announce their winners of the following categories:

Teacher of the Year: Ms. M. Watson, First Year Teacher of the Year: Ms. Torres, School Related Employee of the Year: Mrs. Lincoln, and Distinguished Minority Educator of the Year: Ms. Santana

Congratulations to all the school's winners

KIDS AT HOPE PLEDGE

I am a kid at hope.
I am talented, smart and capable of success.
I have dreams for the future, and I will climb to reach those goals and dreams every day.
All children are capable of success!
NO EXCEPTIONS!

Newspaper Editor
Ms. Watson, Fourth Grade Teacher

PBS- Student of the Month- October

Thank you to all our families who volunteered their time to help us at this year's book fair. The students had a great time shopping for their favorite books and learning how to be responsible with their funds. A huge thank you to our media team Ms. Creber and Mrs. Bondi for their help in organizing another great year of books. Our team has also been an integral part of setting up community outreach programs such as our visit from local officials.

Resource Records

Mariposa Monarchs have been diligently working on team building this first quarter of the 2023-2024 school year. From reading buddies to steam challenges we are always finding new ways to work together. By building these teams of trust we are better able to support each other through tough times both personal and academic. We are so proud of all our students for setting great examples for others, as well as, for always doing their best.

Principal's Month

Students all over Mariposa celebrated their favorite head Monarch with gifts, cards, crafts, and handmade specialty items. Mariposa continues to be one lucky school to have great leaders year after year. Thank you Mrs. Wigginton for all you do for staff and students!!
