Principal's Corner

Dear Morningside Families,

What an exciting start to the new school year. We are honored to be a part of such a supportive community. Your donations to the Hurricane Relief Efforts for the Bahamas and your support for the Big Brother/ Big Sister Organization speaks volumes of your generosity. We raised over \$1,500 for Big Brothers/ Big Sisters earning us 2nd place in the District. We also want to thank those families for supporting us at the Texas Roadhouse Family Dinner Night. We had such a great turn out! It's no surprise why we have the best students in St. Lucie County. Please visit our Facebook page to see pictures/ posts and videos of how your support through dances and other school events support our students.

National School Lunch Program

National School Lunch Week is October 14th through October 18th. Parents are encouraged to come in to have lunch with their child and enjoy a school lunch meal. Adult meal prices are \$3.00. It is never too late to apply for a Meal Application. The application can be found online at www.stlucie.k12.fl.us. Under the "Parents/Students" tab, click on the "Meal Application" link on the left sidebar. If you prefer a paper application, please see Mrs. Ayvaz in the front office. We appreciate your support of this important program.

Attendance Matters

We love to recognize our students for coming to school and remaining in school the entire day. It is difficult to recreate the instruction given by the classroom teachers that students receive when they are in school. Morningside will begin to reward students who are in school 100% of the time with certificates. These rewards will go home at the end of the month.
