- School district personnel, community members, parents and students share the responsibility for student achievement.
- Quality learning experiences are the central focus for all school and district activities.

- All students have the absolute right to a safe, trusting and drug-free environment.

The core business of the St. Lucie County Schools is to create challenging, engaging, and satisfying work for every student, every day.

- The teacher's primary role is to design rigorous, engaging work that leads students to higher levels of learning.
- We provide clear and compelling understandings about what students are expected to know and be able to do.
- We provide support for the student success, understanding that different students master tasks in different ways and at different times.
- District and school support personnel are partners with teachers and schools in the core business.
- Collaboration around the core business is essential to quality learning experiences.

GENERAL INFORMATION

OFFICIAL SCHOOL HOURS

Official school hours are 8:45 a.m. to 3:15 p.m. with the school opening for students at 8:15 a.m. Students will sit at a designated area with their classmates until they are dismissed to their classrooms. Do not drop students off before the 8:15 a.m. bell. **NO STUDENTS WILL BE ALLOWED ON CAMPUS BEFORE 8:15 A.M. AS THERE IS NO SUPERVISION UNTIL THAT TIME.** Students may be picked up at 3:15 p.m., but no later than 3:45 p.m. on regular school days, and at 1:15 p.m., but not later than 1:45 p.m., on early dismissal days. We have a before, and after-school care program sponsored and conducted by the Boys and Girls Club for those who need this service for their children. Please call the **Boys and Girls Club at 772-419-9110 Ext. 407** for information.

ARRIVAL & DEPARTURE

During the first week of school, teachers will record the way students arrive and depart from school (riding a bike, walking, riding a bus, or being picked up by parent). **The school MUST receive written instructions from the parent to dismiss in any other manner.**

The bell to dismiss students into their classroom rings at 8:42 a.m. The tardy bell rings at 8:45 a.m. The doors to the car rider line will close promptly at 8:45 a.m. At that point, parents in the car loop are to sign their child in through the school office. If a student is a **car rider who plans on eating breakfast** in the school cafeteria, he/she **should arrive no later than 8:30 a.m.** to allow for sufficient time to eat and arrive to class on time. To facilitate a safe and smooth traffic pattern, parents are asked to observe all traffic signs and follow the instructions from all staff members on duty. Please note that the Port St. Lucie Police will issue tickets to cars parked in front of property owner's lots. Parents are asked not to leave their cars unattended in the drive-through areas. Students are dismissed at **3:15 p.m.**

Students must be picked up from the office if the parent is removing the student from class during school hours. No student will be released from the classroom unless notified by the office. **Students will not be released between 2:45-3:15 p.m.**

Students will be released only to those persons designated by the parent with their names recorded in writing on the Emergency Card which is on file in the office. No one else will be permitted to take a student off campus. No minors should be designated to pick up students. Proper identification will be requested to ensure your child's safety.

In addition, we ask that you observe the following rules to ensure the safety of all students:

1. Park in designated areas only.
2. Please remain in your car when stopping to pick up and drop off students. **Avoid the use of cell phones** while in the pickup and drop off loop.
3. Please **ENTER** the campus parking area only at the northeast entrance, avoiding the bus loading area. Only a **LEFT** turn will be permitted from the parent pick-up and drop-off area.
4. Please **DO NOT** drop off or arrange to pick up students in the back of the building. This area is the designated bicycle and walker entrance.
5. Please **DO NOT** park or drive in the bus pick up and drop off loading area in front of the school.
6. Please **DO NOT** walk across the bus loading area with your child. Students will not be permitted to cross the bus loading area to get to your car.
7. For your child's safety, have him/her exit and enter the car from the passenger side.

BIKE RACK

Children who ride their bikes to school are to dismount and walk their bikes upon reaching the school grounds. There is a fenced-in bike rack at the rear of the building where bikes are to be left during school hours. For security, the bikes should be locked with a chain or other device. The bike rack will be locked between 8:45 a.m. and 3:15 p.m. While the school provides a locked bike rack, we do not assume responsibility for lost, stolen, or damaged bikes.

We urge parents to register bikes with the local law enforcement agencies. All students should wear helmets, and all other bicycle safety laws should be adhered to.

BIRTHDAYS/ FOOD ITEMS

Celebration of students' birthdays are permitted during lunch time only. If you bring snacks /goodies for students in your child's classroom, **they must be store bought and include a nutrition label**. There are many students with various allergies. BUS CONDUCT RULES FOR STUDENTS

It is the responsibility of students to obey the bus driver and abide by the rules for riding the bus to ensure the safety of all students. Failure to abide by these rules will result in students being reported by the driver to the school's administration. **The administration has the authority to suspend and/or recommend expulsion of the student's bus riding privileges.**

We appreciate your support of our mandatory dress code. Morningside Elementary dress code policy reflects pride and unity and demonstrates that school is a place to study and learn. We believe that the school's positive climate will enable each student to experience personal success and develop into lifelong learners.

- If evacuation is required, the St. Lucie County Emergency Operations Center (EOC) will notify affected schools. Please note that not all schools may be affected.

OVERDUE LIBRARY BOOKS

Students may be limited in borrowing additional books until overdue books are returned, or fines for lost books are paid.

PERSONAL PROPERTY

We strongly encourage all students to leave valuables at home. Students SHOULD NOT bring electronics or toys to school. The probability of damage and/or theft is too great, and those items are a distraction to students throughout the day. Such items will be removed from the child's care and placed in the teacher's desk or office for the day. If the items are causing a disturbance, they will be confiscated from the child and may be retrieved by the parent from the school office. Students are permitted carry a cell phone. The cell phone must remain in their book bag and turned off during the day.

In case of inclement weather (including lightning activity at dismissal), the following procedures will be followed:

1. Bike riders, walkers and car riders will remain in their classrooms until 3:15 p.m., when they will be dismissed to a corresponding hallway near the parent pick up loop. Students will remain inside the school building. Staff members will call students names and escort students to their car.
2. After 3:45 p.m., bikers, walkers, and car riders will be picked up from the front office and escorted by their parents to their cars.
3. Bike riders whose parents do not pick them up will be allowed to leave only after the rain and/or lightning has ceased.

5. All medication will be kept in the clinic and administered only by the school designated personnel once all requirements are met.
6. If a student is injured, first-aid will be promptly administered. The student will usually be cared for in the clinic. If the injury is of a serious nature, an attempt will be made to contact the parent by phone. If emergency treatment is required, 911 will be called and we will attempt to notify the parent. An accident report is completed following any injury requiring first-aid.

IT IS CRITICAL FOR YOU TO COMPLETE THE EMERGENCY MEDICAL CARD PROVIDED BY THE HEALTH AIDE. Please be sure to include home phone, work phone number (parents), and any additional emergency contact(s) phone numbers. **We MUST have a number whereby we can always reach you. Students MAY NOT carry medication (prescription or over the counter) on campus at any time. Doing so could result in disciplinary action as outlined by the St. Lucie Public School Code of Conduct.**

Any medication found on school property without authorization on file will be treated as any other illegal substance and will be turned over to the Principal or School Resource Officer (SRO). This will result in a Code of Student Conduct Violation and the student will be subject to disciplinary action.

Medical Emergencies:

I. For the purpose of this policy the following are to be considered serious medical emergencies:

1. Difficulty breathing or has stopped breathing
2. Bleeding which appears difficult to control
3. State of shock because of excessive bleeding, severe pain, insulin reaction, or diabetic coma
4. Unconscious (beyond fainting)
5. Extensive burns
6. Drug overdose or oral poison other than drugs
7. Severe allergic reaction that appears to be life threatening
8. Inhalers and epi-pens may be carried by students with physician and parent approval.

II. In the event of a serious medical emergency requiring medical attention, the principal or a designee will call 911.

III. Once the emergency medical service (EMS) personnel arrive at the scene, they assume the responsibility for the care of the individual.

IV. If a person attached to EMS is on campus for other than official business, such as a resource person in the classroom, and offers emergency assistance, it is the principal who decides if they are allowed to care for the individual.

STUDENT CONDUCT

At all times, teachers have a right to teach and students have a right to learn. If this is to be accomplished, it is absolutely necessary that the school environment be free of disruptions which interfere with teaching and learning.

Teachers will inform students and parents of specific classroom rules and disciplinary actions.

A Code of Student Conduct book will not be sent home at the beginning of the year. It is available online and copies are available upon request. Parents are asked to please read it with their children and sign and return the last page to the teacher.

UNIFORM GRADING SYSTEM

The following grading scale will be used in grades K-2:

4	Above Standard
3	At Standard
2	Approaching Standard
1	Below Standard
0	Not Attempted

Teachers will be grading students on their progress toward the mastery of the Standards throughout the year. As teachers enter events into Skyward, you will be able to see if your child is progressing steadily along the way through the grades assigned in the events.

Instruction will be paced to support your child in mastering all of the grade level content prior to the end of the year. A three would indicate that your child is making steady progress based on the instruction and assessments provides thus far.

You may see some individual scores fluctuate from time to time which is not necessarily cause for concern. As your child learns new skills, he/she will find some concepts and targets much easier to master than others. As a parent, you should be looking at the overall trend of grades to see the overall pattern.

Students in grades 3-12 will be awarded letter grades to indicate student progress.

Grade	Percent	Grade Point Average	Definition
A	90-100	4	outstanding progress
B	80-89	3	above average progress
C	70-79	2	average progress
D	60-69	1	lowest acceptable progress
F	0-59	0	failure
I	0	0	Incomplete*
W	N/A	N/A	withdrawn Dual Enrollment

*A student who receives an incomplete, must complete the work within the guidelines of the make-up work policy contained herein. If the student does not make-up all work by the designated time frame, then a grade of Zero will be entered by the teacher and the final grade will be calculated. NOTE: the “I” will calculate as a Zero on the report card until the “I” is replaced with a grade. At that time an adjusted GPA will be calculated for the student.

Make-Up Work

K- 12	<p>*Allowed for all absences, excused or unexcused</p> <p>*Student has 1 day to make up the work for each day absent, not including the day of return, unless the principal approves an extension due to unusual circumstances. Previously assigned work is due on the day the student returns to school.</p> <p>*All work, regardless of the number of days absent, must be made up on or before grades are due in the final quarter of the school year. *Students whose work is turned in after the end of the grading period for quarters one through three, will receive an “I” or incomplete. If the work is turned in on-time, the student will receive the grade for the work</p> <p>*Incomplete grades become “F” or “0” if not replaced with the grade for the makeup work that was turned in on time</p> <p>* Students will take announced tests on their first day of return to school. Student will be allowed 2-days to prepare for tests assigned during the absence</p>
K -5 Provisions	<p>*Teacher will inform student/parent of work to be made up as specifically as plans will allow, but is not expected to develop special assignments</p> <p>*Graded at full credit</p>

EXCEPTIONAL STUDENT EDUCATION

Our Student Support Specialist works with the regular education teachers to integrate exceptional students into the total school community. The consultant provides special services to the regular classroom teacher, which might include specialized materials, course modifications, instructional and behavioral accommodations, and assistive devices.

PBIS/ S.O.A.R

The Positive Behavior Support incentive program is designed to help students follow school wide expectations. Students and classes are recognized with Blue/Gold/White Bucks. The expectations are:

Safety first

Organized and ready to learn

Act responsibly

Respect others

GIFTED

Morningside houses an exceptionally strong full-time Gifted Program. Students enrolled in the Gifted Program take part in specific enrichment activities that address a broad range of topics of interest to students. GUIDANCE

Students receive individual counseling as the need arises. This may be teacher, parent, or self-referred. In addition, the counselor, work with groups of students daily, and some students are seen in their classrooms for group lessons. These lessons support student in learning to cope with their problems in productive and socially positive ways.

MTSS- Multi-Tiered System of Support is a process that provides intervention and educational support to all students at increasing levels of intensity based on their individual needs. The goal is to intervene to close educational gaps so that students can be successful.

This non-profit program begins anew each year, when five Long-Term problems are received by schools which have registered with the International Creative Competitions, Inc. office. Odyssey fosters creative thinking and problem-solving skills among participating students from kindergarten through college. Students solve problems in a variety of areas from building mechanical devices such as spring-driven vehicles to giving their own interpretations of literary classics.

Odyssey of the Mind's mission is to foster the development of creative thinking and problem-solving skills. Emphasis is placed on teaching students that great minds do not necessarily think alike- and often march to different drummers; that there are no "right "answers; that creative solutions come from teamwork, cooperation and risk taking. The Odyssey program strives to help young people realize the importance of personal growth and life-long learning. Odyssey of the Mind contends that the quest for knowledge can and should be FUN! Students participating in Odyssey of the Mind must demonstrate SOAR Expectations every day. Any more of OOTM who receives an Office Disciplinary Referral will be dismissed from the program.

SOCIAL WORKER

The social worker helps to establish the Home-School Connection. The social worker may visit the home to check on attendance, obtain health and family history information, and to conference with the parent regarding school concerns.

Qualifying students receive speech and/or language assistance through a resource program with a specially trained speech pathologist.

Student/Parent Notification of Attendance Policies**

Florida State Statute 1003.24-*Each parent of a child within the compulsory attendance age is responsible for the child's school attendance as required by law. The absence of a student from school is prima facie evidence of a violation of this section; however, criminal prosecution under this chapter may not be brought against a parent until the provisions of s.1003.26 have been complied with.*

- Every absence will be listed as unexcused until the school receives a note within 3 days that has been signed by the parent and contains the following information: student's name, date of absences, reason for the absences, and a daytime telephone number.
- Tardies/early pickups will be excused or unexcused. Excused tardies/early pickups must meet the same criteria as an excused absence and must have a parent note.
- Once a student in grades K-12 has accumulated 3 excused tardies or absences due to leaving school early for medical/dental appointments within a semester, the parent must provide documentation from a physician that the student had a medical/dental appointment for subsequent class absences or tardies to be excused.
- A student diagnosed with Autism Spectrum Disorder and who has an appointment, partial day or full day with a health care practitioner to receive generally recognized services such as applied behavioral analysis, speech therapy, and occupational therapy will have the absence excused when the school is provided appropriate documentation (see student progression plan for further information).
- Students who have accumulated more than 10 excused or 5 unexcused absences in a semester, must have vacation travel approved by the principal in advance for the absences to be excused.
- Missing the bus is excused if the bus is more than 5 minutes early or more than 15 minutes late, as confirmed by the school.

Physician Authorization Requirement-A note from a physician containing the dates of the absences for which excuse is sought and the reason for the absence is required in the following circumstances:

- Student has accumulated a total of 10 excused or 5 unexcused absences within a semester, subsequent absences of 3 or more consecutive days may not be excused unless documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician.
- Student has accumulated a total of 15 excused absences or 8 unexcused absences within the school year, subsequent absences of 2 or more consecutive days will not be excused unless: (a) the parent has on file with the school a statement from a licensed physician documenting the student's chronic medical condition and a valid release allowing the school to communicate with the physician, and/or (b) documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician

Lack of attendance can result in court action-As required by law, truancy cases are filed in the Circuit Court in St. Lucie County. A Truancy Petition can be filed when a student has 5 unexcused absences in a calendar month or 10 unexcused absences in a 90-calendar day period. Truancy cases are official judicial cases. Penalties include, but are not limited to: monetary fines, jail time, student being placed in a shelter, community service and loss of custody. Middle and high school truancy cases may be also referred to CINS/FINS for intervention.

You may view your child's records (including attendance) online through Skyward Family Access, which may be activated at your child's school.

NOTICE OF RIGHTS UNDER FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act, 20 U.S.C. §1232g (FERPA), and corollary state law, Section 1002.22, Fla. Stat., afford parents and students who have attained 18 years of age ("eligible students") certain rights with respect to each student's education records. These rights are:

- (1) The right of privacy with respect to the student's education records.

Personally identifiable records or reports of a student, and any personal information contained in these reports, are confidential. The School District of St. Lucie County will not release the education records of a student without the written consent of the eligible student or the student's parents or guardian, except to the extent FERPA and state law authorizes disclosure without consent.

- (2) The right to inspect and review the student's education records within 30 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- (3) The right to request amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of a student's privacy rights.

They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or otherwise in violation of a student's privacy rights.

If the District decides not to amend the records as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- (4) The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA and state law authorize disclosure without consent.

Upon request, the Coordinator shall accompany the grievant in an attempt to conciliate the matter. If conciliation is not effected, the hearing shall proceed.
- (e) Notwithstanding any other provision of this policy, the grievant shall not be required to confront the person against whom the grievance has been lodged, particularly in instances in which the grievant has alleged acts or practices of discrimination, including but not limited to harassment, retaliation, or coercion. - (g) Either the grievant or the person against whom the grievance has been lodged may appeal the recommendation of the Coordinator to the Superintendent with ten (10) working days of receiving notice of such recommendation. Any appeal to, and the decision rendered by, the Superintendent shall be in writing. The decision of the Superintendent shall be rendered within ten (10) working days of the filing of an appeal from the Coordinator recommendation.
