Message from Administration

"As we enter November, let's cherish the spirit of gratitude. We're thankful for our dedicated students, families, and educators who make our school community special. Together, we'll continue to foster a love for knowledge. This is a great time to reflect on the progress we've made and to support one another in the learning journey ahead."

Testing Days Preparedness

KEEP YOUR 'A' GAME, BLUEJAYS!!

Preparing your student for test days can be done in a thoughtful and effective manner. Here are some strategies that parents can consider:

- ensure your child gets enough sleep and has a nutritious breakfast
- maintain a positive attitude about testing
- avoid unnecessary stress or pressure
- encourage your child to do their best without creating undue anxiety

**Remember, the goal is not just to prepare for the test but also to foster a love for learning and critical thinking skills.

"Every day a student is absent is a lost opportunity for learning. As we approach the Thanksgiving break, we urge families to avoid absences and ensure students are present before and after the holiday.
