The health and safety of all employees and students is a priority in SLPS. These efforts are subject to change depending on guidance from the FDOH and the CDC. SLPS COVID-19 policies and procedures will remain flexible and vigilant as circumstances change.

Stopping the Spread of COVID-19

Teachers, support staff and students can do their part to prevent the spread of COVID-19 by following these guidelines:

Social Distancing

All school buildings will implement social distancing protocols, where feasible. Students will keep a minimum 3-foot distance. All students will be trained in this protocol. Adults will need to main the 6-foot social distancing recommendation provided by the CDC.

Face Masks or Face Coverings

Masks are optional. Any masks worn should adhere to the guidelines established by the SLPS. The CDC recommends wearing a mask if you have not been vaccinated.

Guidelines

Personal face masks must adhere to the following guidelines:

- Must cover the nose and mouth to maintain effectiveness.
- Must be secured to minimize the need to adjust frequently.
- Face coverings shall not contain any offensive words or graphics. This includes, but is not limited to, words or graphics that promote violence, drugs, alcohol, sex, or other offensive or objectionable behavior or could be disruptive to the school or school facility.
- Do not need to be medical grade.
- Should be worn prior to entering a building and in shared areas of the building when social distancing is not possible.
- Commercially produced or home-made face coverings are acceptable for compliance. Face coverings should be made of a solid cloth material or other suitable solid material. It may not be made of lace, mesh or other largely porous material. It may not have a vent. The principal shall have final authority to determine the suitability of any face covering.
- Students should not wear “Gaiters” as new research demonstrates they offer no protection and can add to the aerolization of virus particles.
- Must be disposed of in waste containers only.

Who Wears a Mask?

Wearing a facemask is optional on all buses and classrooms and on school grounds. All students, staff, visitors and vendors may choose to wear a mask or face covering. If you are vaccinated, you do not have to wear a mask per the CDC.

How to Remove a Mask or Face Coverings

- Clean your hands with soap and water or hand sanitizer before touching the mask.
- Avoid touching the front of the mask. Touch only the ear loops. The front of the mask is contaminated.
- Hold both ear loops and gently lift and remove the mask.

Safety is Our Priority

Parents please continue to monitor your child's health daily, using the Daily Home Screening checklist.

Parents: Please complete this short check each morning with your child or children before

SECTION 1: Symptoms

Does your child have any of the following symptoms, that indicates a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to others? Please check your child for these symptoms.

Yes	No	Temperature 100.4 degrees Fahrenheit or higher
Yes	No	Sore Throat
Yes	No	New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/ asthmatic cough, a change in their cough from baseline)
Yes	No	Diarrhea, vomiting, or abdominal pain
Yes	No	New onset of severe headache, especially with a fever

If the student/parent/caregiver answers YES to any of the above questions in Section 1, the student must stay home until symptom-free for at least 24 hours without fever reducing medications.

If the student answers YES to any question in Section 1, then:

- If positive test for COVID, student should stay home for 10 days until symptom free and at least 24 hours without fever reducing medications. If these criteria are met, the student does not need a negative test or doctor's note to return to school.
- If student has a negative COVID test obtained during current symptoms, student should stay home until fever free for at least 24 hours and all other symptoms have gone away.

Hand Sanitizer

You can carry personal hand sanitizer on you. Your teachers will also have hand sanitizer. Please sanitize your hands when entering a classroom and when leaving a classroom. Also, if you use any shared equipment (science lab tools, highlighters, etc.) make sure and sanitize your hands afterwards.

Classroom or Computer Lab Cleaning

Your teacher may ask you to wipe your own desk down after you use it, with a hand wipe. Also, if you are in a computer lab, the teacher will ask you to wipe down the keep board and mouse with a hand wipe when you are done using the devices.

Social Distancing

Social Distancing is keeping three feet apart when possible. When you are walking in hallways or in a court yard, you need to keep a 3-foot distance between you and the next person, when possible. There are going to be times at school when it is not possible to keep social distance. That is why it is very important to wear a mask to protect yourself and others.

Water Fountains

Water Fountains will only be available to refill water bottles. Students are encouraged to bring one or more bottles of water.

STUDENT ARRIVAL

Students are permitted on campus at 8:20 AM. There is no adult supervision prior to 8:20 AM. Once students arrive, they must remain on campus.

Walkers/Bike Riders

When dropping off your child, please remain in your vehicle and staff members will assist, if needed.

School starts at 8:45 AM. Students arriving to campus after 8:45 AM must report to the front office with a parent for a tardy pass.

When walking with your child, parents should stop at the corner crosswalk and not enter the sidewalk area of the car rider lane. For the safety of all children, parents may not walk on campus during arrival and dismissal.

STUDENT DISMISSAL

Car Riders

A car rider is a student who is picked-up through our car rider loop by a vehicle. Students are not to leave this area except in their vehicle.

Students will remain in classrooms until parents have entered the car rider lane. We will be using the PikmyKid app for dismissal. Please download this App from the app store. Instructions will be provided. Teachers will have access to the web-based program while in their classroom to see when the parent enters the car rider lane. As parents are in the queue, students will be dismissed to the car rider lane and will immediately enter their parent's car.

Parents must remain in their car and students must enter their parent's car using the door closest to the car rider sidewalk.

Parents must follow the car rider directions and not park in the grass areas, fire lanes, or any other areas not designated for car riders. Students will only be dismissed to a car located in the car rider area.

Parent cooperation in following staff direction will keep the pick-up line running smoothly.

Walkers/Bike Riders

A walker/bike rider is a child who walks/bikes off campus.

If a parent chooses for their child to be a walker, they will wait for their child by the crossing guards. Parents will not be permitted to enter campus during dismissal times. Parents who are walking their children must wait at the crossing guards.

The front loop/parking lot is designated for buses only. Parents walking to the school to pick up their child must walk along the sidewalk alongside California Blvd. Parents will not be allowed to walk through the bus loading zone.

Students are prohibited from returning to campus once they have been dismissed.

Student Sign-Outs

Parents may sign-out their children prior to 2:30 PM (12:30 PM Early Release Days). Please consider this policy when making appointments for your child. **Parents should call the front office to make transportation changes.** Students will be sent to the Main Office upon arrival of the parent/guardian. Proper identification must be shown for sign-outs. Please allow 15 minutes for pick-up and sign-out procedures.

ATTENDANCE POLICIES

Every absence will be listed initially as unexcused. To excuse an absence, the school must receive a note within three (3) days of the student's return to school. **The note must include the student's first and last name, dates of the absence, specific reason for the absences and a daytime telephone number. The note must be written on a separate sheet of paper and not in the student's planner.** Tardy notes and absence notes may be accepted by email or fax instead of handwritten notes.

Any documentation that supports the absence, including any physician explanation, should be included. A list of excused and unexcused absences can be viewed on the St. Lucie County Schools Website at www.stlucie.k12.fl.us and click on Student Progression Plan

Compulsory School Attendance & Declaration of Intent to Terminate School Enrollment (F.S. 1003.21)

Pursuant to Section (F.S. 1003.21), all children who are either six years of age or who will be six years old by February 1, or who are older than six years of age but who have not attained the age of 18 years, must attend school regularly during the entire school term. A student between 16 and 18 years of age is not subject to compulsory attendance if the student completes a formal declaration of intent to terminate school enrollment with the district school board. The declaration must acknowledge that terminating school enrollment is likely to reduce the student's earning potential and that the disenrollment will be reported to the Department of Safety and Motor Vehicles. The declaration of intent to terminate school enrollment must be signed by the student and the student's parent or legal guardian. The school must notify the parent or legal guardian of receipt of the student's declaration of intent to terminate school enrollment. A student who attains the age of 18 years during the school year is not subject to compulsory school attendance beyond the date upon which he or she attains that age.

Official Attendance

Official daily attendance is recorded during the second class period for middle school students and at the beginning of the day for elementary school students. Middle school attendance must also be taken for every period of instruction.

Enforcement of Attendance (F.S. 1003.26)

Parent is Required to be contacted after each unexcused absence or absence for which the reason is unknown. Contact can be by phone, auto call system, mail, in-person by school representative.

Required Documentation

- Phone log by noting date and time of call, official making call, family member contacted, and outcome of conversation.
- Mail-copy of dated notice or postal service return-receipt.
- Personal Contact-parent's signature on form(s)/letter.

Referral to Student Services

- Refer prior to or upon the 10th unexcused absence in any 90-day period and after school efforts to resolve have not been successful. Schools will provide Student Services with documentation of efforts to resolve the truancy.

Parent/Guardian Responsibility

Each parent and guardian of a child within compulsory attendance age is responsible for the child's attendance as required by law (F.S. 1003.24). The only conditions under which the parent or guardian is not responsible are: (1) The student missed school with the permission of the principal.

(2) The student cannot attend due to the financial inability of the parent to provide necessary clothes for the child and this inability is reported in writing to the Department of Student Services or as soon as the inability is determined. Not reporting the financial inability to the Department of Student Services does enable the school district to pursue all interventions, including filing a truancy petition in the Circuit Court. The inability to provide clothes must be substantiated by the Department of Student Services. (3) The student does not attend due to sickness, injury or other insurmountable condition, which makes attendance inadvisable, and the student is not eligible for Homebound/Hospitalized services.

Project ROCK

Students suspended out-of-school who attend Project ROCK can be coded as "R" (Project ROCK) for the dates that the school confirms that the student attended the program. Day of attendance at Project Rock will not count as out-of-school suspension.

Reporting Attendance Cases to Problem Solving (PST)/Attendance Committee (F.S. 1003.26) When:

Student has accumulated at least 5 unexcused absences, or absences for which the reasons are unknown, within a calendar month or 10 unexcused absences or absences for which the reasons are unknown within 90 calendar days.

By Whom: Teacher or any school staff with knowledge of the student's attendance required. Required participants: School Worker or contracted caseworker, school attendance officer, parent shall be invited and encouraged to attend.

Purpose of Meeting: To determine if a pattern of non-attendance is developing or exists and to develop interventions that shall be implemented.

Interventions: Interventions may include, but are not limited to:

Evaluation for alternative education program

Agency referral(s)

Other interventions, including but are not limited to a Truancy Petition pursuant to (F.S. 984.151)

Truancy Petition

The Superintendent may file a truancy petition pursuant to procedures in F.S. 984.141 when:

- A student has 5 unexcused absences in a calendar month or 10 unexcused absences in a 90 calendar-day-period.
- The PST/SST has met and efforts to correct the attendance has been unsuccessful.
- The parent has been notified as to the unexcused absences or absences for which reasons are unknown and that a Truancy Petition is being filed.

School's Responsibility:

- Partner with Student Services to prepare the Petition Provide Student Services with all verifications of notification to and conferences with the parent to inform and discuss attendance.
- Maintain copies of all parent and physician excuses and phone logs.
- Verification that the recorded attendance is true and correct according to School Board policy.

Filing of Truancy Petitions:

- Filed in Circuit Court in the 19th Judicial Circuit
- All supportive documentation becomes part of the Court file
- Parent(s) name in the Petition will receive a copy of the Petition when the Petition is served

Tardy

A student is considered tardy if they are absent at the time attendance is taken provided the student is in attendance before the close of the day. Tardies will either be excused or unexcused. Acceptable documentation to excuse a tardy is the same for excused absences. Every 5th unexcused tardy for students in grades K-5 will convert to an unexcused absence and can be used to meet the criteria to file a truancy petition in circuit court. **Students must be signed in by a parent in the front office.**

Early Pick-Up

The absence will be excused if the parent provides written document that the need to leave school early was for the same reasons that an absence from school would be excused. Students in grades K-5 who are picked up from school prior to the end of the day will be marked as tardy for the day.

ATTENDANCE REQUIREMENT FOR EXTRACURRICULAR ACTIVITIES

Attendance and participation at sporting events, performances, extracurricular activities and social functions are privileges that require attendance at school for at least half of the school day of/or prior to the event.

BALLOONS AND FLOWERS

Students and parents may not bring or balloons, flowers, stuffed animals, candygrams, etc. to the school. If these items are brought on campus they will be held in the front office until the end of the day.

Oak Hammock takes no responsibility for damaged or stolen bicycles or skateboards. Students must walk their bikes and skateboards once on campus. Students are not permitted to ride bicycles on the school grounds, bus loading areas, or in the parent pick-up areas. Students are reminded that when riding a bicycle, the law requires riders to wear a helmet at all times. High School Credit Towards Graduation for Grades 6-8

A course designated in the Course Code Directory as grade 9 through 12, which is taken before ninth grade, may be used to satisfy high school graduation requirements and toward Florida Bright Futures Scholarship Program requirements.

Middle School Promotion Requirements

Beginning with the 2009-10 school year and thereafter students in grades 6-8 will use the course system by semester instead of a yearlong point system for grading. **Students must pass each semester with a grade of "D" or higher in both semesters in the following core subject areas to be promoted to 9th grade:**

- Mathematics: Three middle school or higher courses (Six Semesters)
- English: Three middle school or higher courses (Six Semesters)
- Science: Three middle school or higher courses (Six Semesters)
- Social Studies: (Six Semesters), one of which must include the study of State and Federal Government and Civic education

If a student does not pass a required core semester class in sixth, seventh, or eighth grade, and does not meet one of the alternate documentation methods, parents will be notified that the student will not be eligible for promotion to high school and will be retained in 8th grade unless the courses are successfully completed through repeating a course within the day or credit recovery options. Such notification must be provided at the end of each semester in which a student fails a core class.

Middle School Course Recovery

Students in grades 6-8 may validate mastery of the content standards in the failed courses through the following options:

- Retaking the course through course recovery or participating in an on-line, competency-based course. The students will waive the right to an elective course and enroll in the appropriate remedial course(s).
- On-line competency-based course in the evening or summer from home if available.
- Repeating the course at the school during the elective period.

Pass (P) and Fail (F) Letter Grades

1. PASS (P) or FAIL (F) letter grades, for which equivalent numerical grade point average values and percent as those outlined in FLORIDA STATUTE 232.2463 cannot be ascertained, will be omitted when calculating the cumulative grade point average of students for class ranking. However, a course with a letter grade of PASS (P) will be counted as credit for the purpose of determining credit requirements for grade classification, participation in interscholastic extracurricular activities, and graduation.
2. PASS (P) and FAIL (F) letter grades, with equivalent numerical grade point average values and percent as those outlined in FLORIDA STATUTE 232.2463, will be included when calculating the cumulative grade point average of the students for participation in interscholastic extracurricular activities, class ranking, graduation, and determining credit requirements for grade classification.
3. Upon receipt of PASS (P) and FAIL (F) letter grades for an identified student, an identified staff member for the receiving school shall request in writing an interpretation of the letter grades form the sending school district(s).
4. Written correspondence between the receiving school's staff member and/or letter grades verification from the sending school district(s) will be placed in the identified student's cumulative folder for future reference.

All items of this nature mentioned above will be collected, turned in to the Dean's Clerk, tagged and labeled with the student's name. The parent will be required to pick up the item within 30 calendar days. Students who continue to violate the policy will be subject to disciplinary action.

**NOTICE OF RIGHTS UNDER FAMILY
EDUCATIONAL RIGHTS AND PRIVACY ACT**

The Family Educational Rights and Privacy Act, 20 U.S.C. §1232g (FERPA), and corollary state law, Section 1002.22, Fla. Stat., afford parents and students who have attained 18 years of age ("eligible students") certain rights with respect to each student's education records. These rights are:

- (1) The right of privacy with respect to the student's education records.

Personally identifiable records or reports of a student, and any personal information contained in these reports, are confidential. The School District of St. Lucie County will not release the education records of a student without the written consent of the eligible student or the student's parents or guardian, except to the extent FERPA and state law authorizes disclosure without consent.

- (2) The right to inspect and review the student's education records within 30 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- (3) The right to request amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of a student's privacy rights.

Parents or eligible students may ask the School District of St. Lucie County to amend a record that they believe is inaccurate, misleading or otherwise in violation of a student's privacy rights. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or otherwise in violation of a student's privacy rights.

If the District decides not to amend the records as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- (4) The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA and state law authorize disclosure without consent.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses educational records without consent to officials of another school, school system, or institution of postsecondary education in which a student seeks or intends to enroll or is already enrolled.

Directory information includes the student's name and grade level. A limited release of information is required for participation in student athletics as described on the Parent and Player Agreement, Permission, and Release form.

Title IX Sexual Harassment Complaint and Investigation Procedures

1. Definitions. For the purposes of this policy, the following definitions shall apply:
 - a. School District means the St. Lucie County School District.
 - b. Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:
 - i. A School District employee conditioning the provision of an aid, benefit, or service of the school on an individual's participation in unwelcome sexual conduct;
 - ii. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity; or
 - iii. Sexual assault as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).
 - c. Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
 - d. Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.
 - e. Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the school's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the school's educational environment, or deter sexual harassment. Schools must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the school to provide the supportive measures. The school-based Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Remedies are designed to restore or preserve equal access to the school's education program or activity. Remedies may be issued at the conclusion of the grievance process.
 - f. Formal complaint refers to a document filed by a complainant or signed by the school-based Title IX Coordinator alleging sexual harassment against a respondent and requesting investigation of the allegation. The formal complaint may be filed in person, by mail, or by electronic mail.
 - g. The District Title IX Coordinator ("District Coordinator") is responsible for coordinating School District compliance with Title IX of the Education Amendments of 1972 ("Title IX") regulations.
 - h. The school-based Title IX Coordinator ("school-based Coordinator") is responsible for coordinating Title IX compliance at an assigned school.
 - i. The Title IX investigator ("investigator") is responsible for conducting the investigation as required by Title IX and preparing the investigative report.
 - j. The Title IX decision-maker ("decision maker") reviews the evidence, determines responsibility for all formal complaints, and provides a written determination to the parties. The decision-maker cannot be the same person as the school-based Title IX Coordinator or the investigator.
 - k. The Title IX appeals decision-maker ("appeals decision maker") is responsible for reviewing the written determination and issuing a written decision describing the result and rationale for the appeal.
 - l. Notice. Whenever notice is required in this policy, notice shall be sent to the parent as defined in CFR 99.3 or to the eligible student as defined in CFR 99.3.
2. Scope of Title IX. This policy applies to allegations that meet the definition of sexual harassment as defined in section (1)(b) of this policy, conduct that occurred in a School District education program or activity, and allegations against a person in the United States.
 - a. "Education program or activity" includes locations, events, or circumstances over which the School District exercised substantial control over both the respondent and the context in which the sexual harassment occurred.
 - b. Reporting Sexual Harassment. Any person may report sexual harassment, regardless of whether the reporting person is the alleged victim of the conduct. A report can be made in person, by mail, by telephone, or by electronic mail, using the contact information for the District Coordinator or school-based Coordinator. Reports may be made at any time, including during non-business hours. Any person with knowledge of sexual harassment is strongly encouraged to report the incident.

Reports should be made as soon as possible after the alleged incident. A formal complaint must be filed within ten (10) school days after the alleged incident. Failure on the part of the complainant to initiate or follow up on the complaint within this period may result in the complaint being deemed abandoned.

- i. The School District is responsible for responding to complaints of which it has notice even if notice is not received within the aforementioned time frame.
 - c. All School District employees are required to, and must, report, in writing, any allegations of sexual harassment or violations of this policy to the District Coordinator, school-based Coordinator, or appropriate administrator.
3. The Superintendent may identify, upon request of a complainant or respondent, a designee for the District Coordinator when, in the Superintendent's judgment, it is warranted. Should an alternate be designated to investigate a complaint, the complainant may request a review by the Superintendent.
4. Knowledge of Sexual Harassment. When a school-based employee assigned to an elementary or secondary school has knowledge of sexual harassment or allegations of sexual harassment, the School District is obligated to respond.
5. Response to Knowledge of Sexual Harassment. A school must respond to knowledge of sexual harassment in the school's education program or activity against a person in the United States within twenty-four (24) hours or no more than two (2) school days.
 - a. If the alleged sexual harassment might constitute a crime the matter shall immediately be reported to the School Resource Officer ("SRO") or the appropriate law enforcement agency. Any uncertainty regarding whether the alleged sexual harassment might constitute a crime must be resolved in favor of reporting the incident to law enforcement.
 - b. If the alleged sexual harassment might constitute child abuse the matter shall immediately be reported to the Florida Department of Children and Families ("DCF"). Any uncertainty regarding whether the alleged sexual harassment might constitute child abuse must be resolved in favor of reporting the incident.
 - c. When a School District employee is the respondent, the school-based Coordinator or school administrator shall immediately notify the Director of Employee Relations. If the respondent is a School District employee, discipline may be taken, consistent with any applicable collective bargaining agreement provisions or statutory provisions to resolve a complaint of sexual harassment. Upon knowledge of alleged sexual harassment, the school-based Coordinator must:
 - i. Contact the complainant to discuss the availability of supportive measures;
 - ii. Consider the complainant's wishes with respect to supportive measures;

 - i. The allegations meet the definition of sexual harassment even if proved, as defined in section (1)(b) of this policy;
 - ii. The conduct occurred in a School District education program or activity; and
 - iii. The allegations occurred against a person in the United States.
 - b. If the school determines these requirements are met, the school must follow the grievance process outlined in section (12) of this policy. If the school determines any of these requirements are not met, the school must dismiss the formal complaint. Written Notice of dismissal must be sent.
8. Consolidation of Formal Complaints. Formal complaints involving allegations of sexual harassment arising from the same facts or circumstances may be consolidated against more than one (1) respondent, if multiple complainants file a complaint against multiple respondents, or if one (1) party files a complaint against the other party.
9. Dismissal of Formal Complaints. Schools shall investigate allegations in a formal complaint and determine whether dismissal is required or permitted.
 - a. Required Dismissal.
 - i. The School District must dismiss a formal complaint if the alleged conduct: does not constitute sexual harassment even if proved as defined in section (1)(b) of this policy; or
 - ii. Did not occur in a school's education program or activity; or
 - iii. Did not occur against a person in the United States.
 - iv. The School District may take action under another provision of the Code of Student Conduct in the event dismissal is required.
 - b. Permitted Dismissal. Schools may dismiss a formal complaint or any allegations during the investigation or hearing if:
 - i. The complainant provides written notice to the school-based Coordinator of their intent to withdraw the formal complaint or any allegations; or
 - ii. The respondent is no longer enrolled or employed by the School District; or
 - iii. Specific circumstances prevent the school from gathering evidence sufficient to reach a determination.

- d. Appeal of Dismissal. Parties may request an appeal from a dismissal within two (2) school days of issuance of the dismissal. Requests for an appeal should be sent to the decision-maker, as outlined in section (14) of this policy.
10. Emergency Removal. The School District may remove a respondent from a school's education program or activity on an emergency basis, only after undertaking an individualized safety and risk analysis, and determining if an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and providing the respondent with notice and an opportunity to challenge the decision within two (2) school days following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.
- a. Grievance Process for Formal Complaints of Sexual Harassment. In response to a formal complaint, schools must provide written notice to all known parties and follow a specified grievance process before the imposition of any disciplinary sanctions against the respondent. A school must provide written notice of allegations within two (2) school days of the allegations to all known parties upon receipt of a formal complaint.
- i. Written notice must include:
1. The identities of the parties involved in the incident, if known;
 2. The conduct allegedly constituting sexual harassment;
 3. The date and location of the alleged incident, if known;
 4. A statement that the respondent is presumed not responsible for the alleged conduct;

- ii. If during the course of an investigation the school decides to investigate allegations about the complainant or respondent that are not included in the original notice, the school must provide written notice of the additional allegations to the known parties within two (2) school days, pursuant to the requirements of written notice in this policy.
- b. Response to Complaint. Parties shall be afforded the opportunity to prepare a response regarding the complaint and provide that response during the initial interview. Parties shall have no less than two (2) school days from the date of the written notice to prepare a response. The school-based Coordinator shall conduct the initial interviews with both the complainant and the respondent within five (5) school days. Each individual shall be interviewed separately and at no time will the complainant and respondent be interviewed together. This time frame may be modified for good cause. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.
- c. Basic Requirements for Grievance Process. A school's grievance process must:
- i. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility has been made against the respondent;
 - ii. Require an objective evaluation of all relevant evidence;
 - iii. Include a presumption that the respondent is not responsible for the alleged conduct until the written determination is made at the end of the grievance process;
 - iv. Ensure the school-based Coordinator, investigator, decision-maker, and appeals decision-maker are free from any conflicts of interest or bias for or against any complainants or respondents;
 - v. Include reasonably prompt time frames for the conclusion of the grievance process;
 - vi. Include reasonably prompt time frames for filing and resolving appeals;
 - vii. Allow for the temporary delay of the grievance process or limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action;
 - viii. List the range of possible disciplinary sanctions and remedies that may be implemented;
 - ix. Include the procedures and grounds for appeal;
 - x. Describe the range of supportive measures available to parties;
 - xi. Not allow, require, rely upon, or otherwise use questions or evidence that seek disclosure of protected information under a legally recognized privilege, unless the person holding such privilege waives the privilege; and
 - xii. Notify parties that the preponderance of the evidence standard will be used to determine responsibility.
11. Procedures for Investigation of a Formal Complaint. The investigation must be completed and evidence provided to the respondent and complainant within five (5) school days of the initial interviews with the complainant and respondent, whichever interview is

later. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

- a. The School District must ensure that the burden of proof and the burden of gathering evidence rests on the school.
- b. Confidentiality of Medical Records. The School District cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the school obtains that party's voluntary, written consent to do so for a grievance process under this section. If a party is not an "eligible student," as defined in 34 CFR 99.3, then the school must obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3;
- c. Schools shall not restrict the ability of either party to discuss the allegations under investigation.
- d. Written Notice of Grievance Proceedings. Notice for any investigative interviews, or meetings must be sent at least two (2) school days prior to the interview or meeting. Notice for any hearings must be sent at least ten (10) school days prior to the hearing. Notice must include the date, time, location, participants, and purpose of meeting to all parties whose participation is expected or invited.
- e. Grievance Proceedings. Both parties must be given an equal opportunity to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding with an advisor of their choice.
- f. Evidence
 - (i) Inspection and Review of Evidence. Both parties must be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including the evidence upon which the school does not intend to rely in reaching a determination regarding responsibility. OTC must make all evidence subject to the parties' inspection and review available at any hearing to give each party an equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.
 - (ii) Prior to completion of the investigative report, schools shall send to each party and their advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. Parties have ten (10) school days to submit a written response to all evidence, for the investigator to consider before concluding the investigative report. If a response is not received within ten (10) school days, the investigator will deem the non-response as a waiver and continue with the investigative report.
 - (iii) Gathering and Presentation of Evidence. Schools may not restrict the ability of either party to gather and present relevant evidence.
- g. Presenting Witnesses. Both parties shall be given the equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
- h. The Investigative Report. The investigator shall create an investigative report that fairly summarizes all relevant evidence presented. The investigator must send the report in an electronic form or a hard copy to all parties and all advisors ten (10) days prior to a hearing for their review and written response, if a hearing is required. If a hearing is not required, schools must send the report to all parties and all advisors for their review and written response ten (10) days prior to any written determination. Parties will have ten (10) days from receipt of the investigative report to provide a written response to the investigative report.
- i. K-12 Questions. After the investigative report has been sent to all parties and before a determination regarding responsibility is made, each party shall be given two (2) school days to submit written, relevant questions to be asked of any party or witness and provide each party with answers within two (2) school days. Parties shall then be allowed two (2) school days to provide no more than five (5) follow-up questions in total from all parties and witnesses. Parties and witnesses have two (2) school days to respond to any follow-up questions.
- j. After parties submit written questions, the decision-maker must:
 - (i) Determine whether a question is relevant; and
 - (ii) Explain to the proposing party any decision to exclude a question as not relevant;
 - (iii) Questions and evidence regarding a complainant's sexual predisposition or prior sexual behavior are only relevant if offered to prove someone other than the respondent committed the alleged conduct, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

12. Advisors. Parties may have at least one (1) advisor of their choosing.

- a. The following restrictions will be placed on advisors for both parties:
 - i. Advisors may attend interviews with their party only at their party's request, unless the advisor is a parent or legal guardian;
 - ii. Advisors shall not restrict access to their party;
 - iii. Advisors are only permitted to use the investigative report and evidence received for inspection and review for purposes of the grievance process;

- iv. Advisors will be required to abide by a non-disclosure agreement that complies with both Title IX and FERPA; and
- v. Advisors may not request education records that are protected by the Family Educational Rights and Privacy Act of 1974 (“FERPA”).

13. Procedures for Written Determination. At the conclusion of the grievance process, the decision-maker must apply the preponderance of the evidence standard to reach a determination and then issue a written determination to the parties simultaneously within three (3) school days. The school-based Coordinator is responsible for implementing remedies stated in the written determination.

- a. The written determination must include:
 - i. Identification of the allegations potentially constituting sexual harassment, pursuant to the definition in this policy;
 - ii. A description of the procedural steps taken from the receipt of the formal complaint through the written determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings;
 - iii. Findings of fact supporting the determination;
 - iv. Conclusions regarding application of the Code of Student Conduct to the facts;
 - v. The result and rationale as to each allegation;
 - vi. A determination regarding responsibility as to each allegation;
 - vii. Any disciplinary sanctions imposed on the respondent by the school;
 - viii. Whether remedies will be provided by the school to the complainant; and
 - ix. Permissible procedures and grounds for the complainant and respondent to appeal.

14. Appeals. Each party has the opportunity to appeal from both a written determination, and a dismissal of a formal complaint or any allegations. A request for an appeal from a dismissal must be made within two (2) school days of issuance of the dismissal. A request for an appeal from a written determination must be made within two (2) school days of issuance of the written determination. Requests for an appeal should be sent to the decision-maker.

- a. If an appeal is not filed, the determination regarding responsibility becomes final on the date after the two (2) school days to file an appeal has passed. If an appeal is filed, the determination regarding responsibility becomes final on the date the school provides the written appeals decision.
- b. Grounds for Appeal. Appeals may take place for the following reasons:
 - i. Procedural issues affected the outcome;
 - ii. New evidence that was not reasonably available at the time the written determination or dismissal was made becomes available that could affect the outcome; or
 - iii. There was a conflict of interest or bias by the school-based Coordinator, investigator, or decision-maker, against any complainant or respondent that affected the outcome.
- c. Notification of Appeal. Schools must notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties. Parties must be given three (3) school days to submit a written statement in support of, or challenging, the outcome of the written determination. If a written statement is not received within three (3) school days, the appeals decision-maker will deem the non-response as a waiver and continue with the appeals process.
- d. Appeals Decision-Maker. The appeals decision-maker may not be the same person as the investigator, school-based Coordinator, or decisionmaker who reached the initial determination of responsibility or dismissal. The appeals decision-maker must not have a conflict of interest or bias for or against any complainant or any respondent.
- e. Written Appeals Determination. The written appeals determination describing the result and rationale for the decision must be provided simultaneously to both parties within five (5) school days.

15. Retaliation. No school or other person may intimidate, threaten, coerce, or discriminate against any individual for the purposes of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing.

- a. Definition of Retaliation.
 - i. Intimidation, threats, coercion, or discrimination, including against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.
 - ii. The exercise of rights protected under the First Amendment does not constitute retaliation.
 - iii. A Code of Student Conduct violation for making a materially false statement in bad faith during the course of the grievance process does not constitute retaliation. A determination regarding responsibility alone is insufficient to conclude that any party made a materially false statement in bad faith.
- b. Confidentiality of Parties. Schools must keep confidential the identity of the following individuals:
 - i. Any individual who has made a report or complaint of sex discrimination;
 - ii. Any individual who has made a report or filed a formal complaint of sexual harassment;

 - d. Filing of Retaliation Complaints. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination as outlined in section (6) of this policy.
16. Training. All materials used to train school-based Coordinators, investigators, decision-makers, and appeals decision-makers must not rely on sex stereotypes and must promote impartial investigations and adjudications.
- a. School-based Coordinators, investigators, decision-makers, hearing officers, and appeals decision-makers must receive training on:
 - i. The definition of sexual harassment as defined in (1)(b);
 - ii. The scope of the school's education program or activity;
 - iii. How to conduct an investigation and grievance process, including appeals; and
 - iv. How to serve impartially by avoiding prejudgment of the facts, conflicts of interest, and bias.
 - b. Decision-makers must receive training on: i. Any technology used to conduct investigations; and ii. Relevance of questions and evidence, including the relevance of the complainant's sexual predisposition or prior sexual behavior as set forth in section (11)(j)(iii) of this policy.
 - c. Investigators must receive training on:
 - i. Issues of relevance to create an investigative report that fairly summarizes relevant evidence; and
 - ii. Sending the investigative report, in an electronic or hard copy, to each party and their advisor for their review and written response.
17. Recordkeeping.
- a. Required Recordkeeping. Schools must create records of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment. If supportive measures are not provided, the school must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.
 - b. Maintaining Records. Schools must maintain records related to any sexual harassment investigation for seven (7) years, including records of:
 - i. Any actions taken in response to a report of sexual harassment;
 - ii. Any actions taken in response to a formal complaint of sexual harassment;

The School District must notify students, parents or legal guardians of elementary and secondary school students, employees, applicants for admission and employment, and all unions or professional organizations the School District holds collective bargaining or professional agreements with, of the name, office address, electronic mail address, and telephone number of the District Coordinator.
 - b. Notification of Policy. The School District must notify students, parents or legal guardians of elementary and secondary school students, employees, applicants for admission and employment, and all unions or professional organizations the School District holds collective bargaining or professional agreements with, that:
 - i. The School District does not discriminate on the basis of sex in any education program or activity;
 - ii. The School District is required by Title IX not to discriminate on the basis of sex;
 - iii. The requirement to not discriminate on the basis on sex extends to admission and employment; and
 - iv. Inquiries about Title IX are referred to the District Coordinator.
19. Publication. Schools must not use or distribute a publication that states the School District treats applicants, students, or employees differently on the basis of sex, except as permitted by Title IX.

 - c. Training Materials Publication. The School District must make all training materials publicly available on the School District's website.

20. FERPA. The School District shall, to the extent possible, interpret Title IX and FERPA in a manner to avoid any conflicts.
