

Port St. Lucie High School

Freshman Transition 2022-2023

Class of 2026,

We are so excited to have you join our Jaguar family here at Port St. Lucie High School for the 2022-2023 school year. To help you with your transition from middle school to high school, we are hosting Freshman Transition days. On Tuesday, July 26th or Wednesday, July 27th you will have an opportunity to attend a welcome session here on our campus. Your day will include information about our campus, an introduction to our school culture and a campus tour. This is a student event during the day, followed by a required parent meeting at 12:00 p.m. on your scheduled day.

The Purpose

The idea of this seminar is to create a safe space where students can talk freely with one another as they explore their new environment and community. Ultimately, one of the great benefits of this event, is that students can build strong relationships with their peers, while learning to embrace and embody the school culture of tolerance, respect, and support for one another.
