

Palm Pointe K-8 School

Parent and Family Engagement Policy/Plan: 2025-2026

Palm Pointe is committed to involving parents and community members in school activities and meetings to promote effective relationships, form a strong school-home partnership, and increase student achievement.

Mission Statement

The mission of Palm Pointe K-8 School is that through engaging, rigorous, and differentiated quality instruction, Palm Pointe commits to a comprehensive, collaborative system of support for ALL students. This ensures that Rockets are fully equipped for their next mission!

Involvement of Parents and Community

- Parents may serve on the School Advisory Council (SAC). If interested, please contact the school at (772) 345-3245.
- Members of SAC engage in a review of the School Improvement Plan and the Parent and Family Engagement Plan, and all parents are provided the opportunity to give feedback through an annual survey.
- Volunteers may help on campus, if they are cleared through St. Lucie Public Schools' (SLPS) Human Resources department, including a background check through St. Lucie County, as well as the State of Florida Department of Law Enforcement and have their official badge issued. The process of how to become a volunteer can be found on the SLPS website: <https://www.stlucie.k12.fl.us/our-district/volunteers/>.
- Parents will receive a Title I Parent Involvement/Satisfaction Survey link in the spring of 2026 to provide feedback on programs and events offered throughout the 2025-2026 school year, in addition to individual evaluation forms supplied at events.

Coordination and Integration

- Palm Pointe will offer a variety of parent and family engagement events to strengthen its school-home partnership and to involve the community in students' education, including curriculum events, recognition events, transition events (e.g. Kindergarten Blast-off and Middle School Matters) and information sessions.
- The coordination of the parent and family engagement events function in collaboration with other programs such as Exceptional Student Education, Early Childhood, and district-based Title II, Title IX (McKinney Vento Act - Homeless Education), Title IV, and IDEA.

Virtual Title I Parent Meeting

- The annual Title I parent meeting will be presented virtually. We will offer 2 sessions available via webinar. PPK-8 will share with families a link to the live webinar Title I presentations, which will be recorded and emailed to all families through our Skylert School Messenger E-mail Communication System. An active Forms survey link will also be shared to collect feedback and questions from families.
- The meeting will be advertised through the grade level communication, flyers, the school's social media, and delivered via the Skylert School Messenger E-mail Communication System.

Parents' Right to Know

- Parents/guardians may request information regarding the professional qualifications of teachers and staff who work with their child. Please call the school at (772) 345-3245 or email Melody.Nieves@stlucieschools.org for more information.

Flexible Parent Meetings and Conferences

- Parent and family engagement events and meetings will be scheduled at varied dates/times throughout the year.
- Presentation materials will be made available for families who are unable to attend scheduled meetings/events via the school website or provided through email or other digital platforms.
- Palm Pointe will facilitate a "conference week" in October 2025, with available times for teachers to meet with families to discuss students' progress.
- Parents may request additional parent-teacher conferences to discuss academic and/or behavior progress and concerns at a time which is mutually convenient for all involved parties. Conferences are one of the most important ways

parents/guardians and teachers can work together as a team and discuss strategies that can be implemented at home. An interpreter can be available upon request.

Building Capacity

A variety of parent and family engagement activities designed to promote effective school/home partnerships and improve understanding of curriculum and assessments will take place during the 2025-2026 school year. Examples of events are included below:

- Grade Band Events
 - Title I funds have been allotted for teachers to prepare and facilitate parent and family engagement activities throughout the year. Examples include grade band literacy and math events. These in-person events will be focused on subject area standards/content and will support learning at home.
- Community Events
 - Pancakes with the Principal
 - Pizza with the Principal
 - Santa's Holiday Workshop
 - Volunteer Orientation
 - ESOL Breakfast/Title III Parent Information Session
 - Book Fair
 - Performing/Visual Arts Events
- School Curriculum-Based Events
 - Kindergarten Blast-Off
 - Middle School Matters
 - Literacy and Math Events
- Staff development opportunities are provided to improve effective communication with parents and promote positive school/home partnerships.

Communication

- Information related to curriculum, assessment, and academic progress is sent to and shared with the parents of participating children in a timely manner.
 - Weekly communication from teachers
 - Information sessions and workshops
 - Progress reports and report cards
 - Parent-teacher conferences
- PPK-8 is using the Skylert School Messenger Communication System for dissemination of important information via phone-calls, texts and e-mail.
- Translation services are available upon request.
- Parents will have the opportunity to review and provide feedback on the Parent and Family Engagement Policy/Plan at the end of the academic year.

Accessibility

- Palm Pointe will make certain that information related to curriculum, assessment, and academic progress is sent to and shared with the parents of participating children in a timely manner, in an understandable format, and to the extent practicable, in a language the parents can understand, including English, Spanish, and Creole.
- Informational flyers, permission slips, graded work, etc. will be sent home weekly in students' Wednesday folders.
- Information pertinent to large groups, such as school-wide happenings or grade band activities, will be advertised on the school's social media, website, *Orbiter* newsletter, and/or through a School Messenger phone, text, or e-mail alert.
- For those unable to attend events, presentation materials will be provided on the school website or through email. Materials from family engagement events will also be available upon request from the facilitating teacher/grade level.
