KINDNESS WEEK Palm Pointe takes 1st Place

In conjunction with many activities to celebrate MLK, Palm Pointe students participated in Kindness Week.

- A door decorating contest was held for all K-8 classroom teachers and their students. The doors were judged on Originality, Creativity and Best in Show.
- A brick wall was built to represent the cooperative effort
 of a diverse community of people to create an
 environment of kindness. The various colors depict the
 elements of kindness. The silhouettes signify the multiethic backgrounds of our students, staff and parental
 community. Students produced original work
 demonstrating their personal understanding of,
 TEAM WORK MAKES THE DREAM WORK!!
- Throughout the week, teachers distributed Kindness
 Tokens to students when they saw a simple act of
 kindness. The goal was to get as many students to
 commit acts of kindness as possible.
- On January 15, 2015, the students and staff were invited to wear a solid colored tee shirt representing kindness.
 Red: Strength/Kindness

Yellow or Orange: Friendship/Joy/Happiness Purple: Wisdom Blue: confidence

Green: Growth and Harmony Congratulations for being 1st place in St. Lucie County.

PTO News

Thank you to all the families that $\overline{\text{came out to 5 G}}$ Burgers & Fries to support your PTO. Proceeds from this event will help fund the rewards that PTO provides during the Florida State Assessments.

With your financial support, the PTO was able to provide \$50 to each of our teachers to be used for much needed classroom supplies. We were also able to reward each of our students with a "Student Appreciation Gift." Your child(ren) should have come home with a 22 ounce water bottle.

We are still collecting TYSON A+ labels along with Labels for Education. As always please continue neatly clipping those Box Tops. The contest for the \$25 ends 2/25/15. Winners will be announced March 2nd on the morning announcements.

SCHOOL ISN'T THE SAME WITHOUT YOU

Parents please remember that it is important for your child to be in attendance each day. Statistics show that regular attendance promotes academic and social success which will lead to continued success throughout life. It is the school district's policy that written notes are provided within 3 days for an absence to be excused. In unavoidable situations, where your family must travel and your child has accumulated fewer than 10 excused or 5 unexcused absences, the principal can excuse the travel for 5 days or less. These situations will need approval in advance from Ms. Snyder in order to be excused. A written note or email will be acceptable. When a child has accumulated 5 or more unexcused absences in a calendar month, a meeting may be arranged to develop interventions that promote regular attendance.

50th Annual St. Lucie County Fair
