TOGETHER WE RISE!

A Note from the Principal

We already have three weeks in the books and our Otters are getting into the swing of things. Routines are being established and students are meeting expectations. This month RTI (Response To Intervention) will begin, enabling us the time needed to meet EACH of our students' specific needs.

We are VERY proud to be a B school, but know we have what it takes to gain those additional 39 points needed to be recognized as an A school. Our students and staff have worked tirelessly to get us this far, and we are set to take it all the way to the top. Our school slogan this year is "Together We Rise." We believe that TOGETHER we can accomplish this goal and look forward to working with you in helping our students reach their best potential.

There are lots of exciting groups starting up this month. School Advisory Council (SAC) and PTO will both be having their first meetings. Our reading tutoring program will also begin this month. I am most excited about the student groups that are being organized now. Student Council, Safety Patrol and Young Achievers are just a few of the ideas floating around amongst the staff. Be on the lookout in next month's Otter News for more info!
