

SPMS STEAM Night

5:00 to 7:00 PM

Come enjoy interactive STEAM activities, experiments, and demos that are sure to amaze! Your children will squish non-Newtonian fluids, see a 3D printing station, use the Oculus Rift Virtual Reality Headset, and create spin-art designs with Lego Mind Storm Spin Art Device. Volunteers will be here to assist and a Science Center education specialist will be on hand to answer questions. The Treasure Coast Beekeepers Association will also have a hive and honey bees on site. Don't miss this amazing night of activities
