## **SOUTHPORT KEEPS PORT ST LUCIE**

### **BEAUTIFUL**

Southport Middle School sixth grade students recently adopted two surrounding streets of our school campus for the City of Port St. Lucie Adopt-a-Street program. Students from the Marlins team, along with other volunteers, have signed on to pick up litter on a designated area of Morningside Blvd and Greendon Road.

The City of Port St. Lucie provided students with tee-shirts, buckets, and pickup sticks. Each month volunteers will dedicate their time to making a difference, one piece of trash at a time.

We are so proud of the outpour of support that this community initiative has received and we are so blessed to have students who care about keeping Port St. Lucie beautiful.

Please join us for the next Adopt-a-Street Cleanup on March 15th from 4:05PM—5:30 PM and be a part of our school's legacy to make our community a better place!

Please add these additional dates to your calendar. We would love for you to join us.
