

The mission and joy of Grace Packs Inc. is to provide weekly weekend food for students who lack an ample food supply, relieving the burden many of these children endure by being hungry. In St. Lucie County, 26.1%, or 15,970 children are considered food insecure.

If you would like to help support Southport's Grace Packs program, or if you are a family needing support, please contact our Guidance Department at (772) 337-5901. For more information, visit www.gracepacks.com

MARCH MADNESS

Southport kicked off March Madness with an exciting game between teachers and students from both the girls' and the boys' basketball teams on the court on Friday, March 1, 2019. Teachers tried, but students won the game with a final score of 38—16.

At halftime, Principal Telese drew student names for prizes from the first lot of tickets in the PBS ticket box. Students received tickets throughout the day from their classroom teachers for being respectful and responsible.

The Madness will continue throughout the month as teachers target students for following the PBS Expectations of Respect and Responsibility. Students will receive one ticket from their teachers at the end of each period for being respectful by following directions the first time given, interacting appropriately with classmates, using appropriate language and following CHAMPs without repeated reminders. They will receive one ticket for being responsible by showing up to class on time and completing their classwork to the best of their abilities.

Students will write their names on their tickets and turn them into the March madness drawing box each day during lunch. Drawings will be held the last 5 minutes of the day. Great prizes will be given away all month!
