

Southport's PBS curriculum is designed to motivate students to follow our school wide expectations and reward students who model appropriate behavior. March Madness, monthly dress down days, team based events such as basketball, movies, and board games, as well as school wide events are some of the rewards we offer our students. The next school wide event will be our Spring Carnival that will take place on Friday, March 15th, 2019. Students will be able to use ten cane cash plus \$4 cash to purchase tickets during presale week beginning on Wednesday, March 6th. Ticket prices will go up to \$5 cash the week of the carnival and will be for sale during lunch each day.

Parents who are interested in helping with the carnival should contact the school at 337-5900. We would love to have you be a part of the day!
