Chloe Raia	Kimanda Bryan	Samantha Borno	Skylar Stone
Conner Bagnell	Laikyn Leclerc	Sarah Miller	Starlah Cain
Corey Melanson	Louis Brana	Sean Allen	Valerie Quirino
			Van Gulick

Southport's Ladies In Progress made goodie bags to share with Morningside Elementary School kindergarten students for Valentine's Day. They also wanted to share some with their classmates at Southport Middle School who they have observed making great choices around campus, whether it was being kind to others or being academic achievers.

Ladies In Progress is a Girls Club at Southport Middle School. The purpose of the Club is to inspire, equip and educate young ladies to take actions that will help to improve their communities and themselves.

The LIP group is run by Mrs. McFadden, Ms. Taylor and Ms. Gomez. They meet every Tuesday after school. So far this year, the LIP group has volunteered to support SPMS Girls on the Run on their practice day, made goodie bags for their adopted kindergarten class at Morningside Elementary and performed for the MLK Parade.

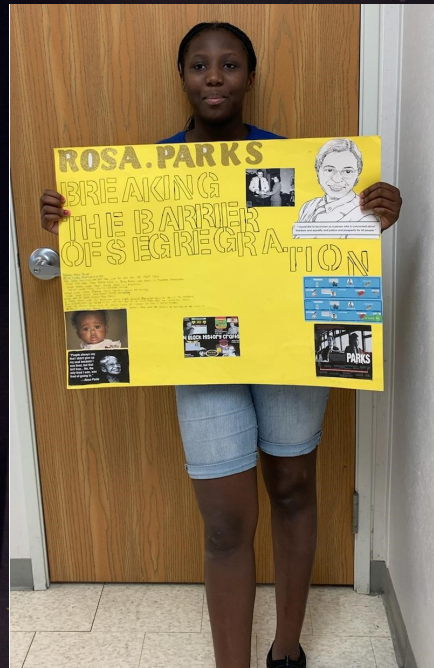

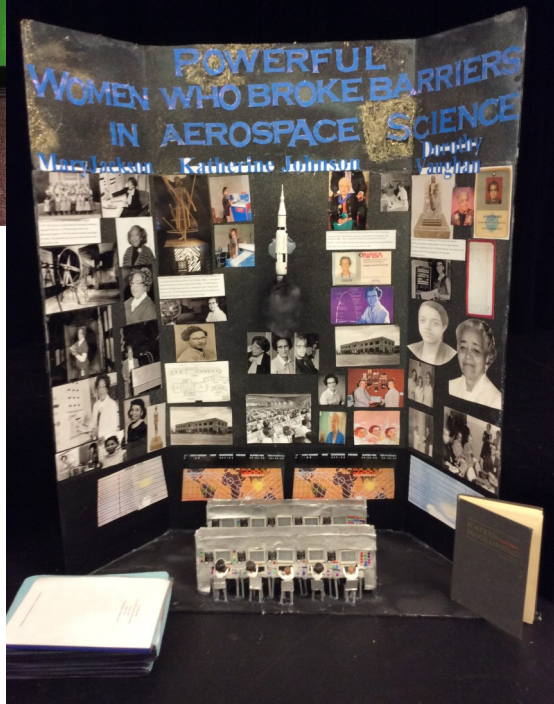

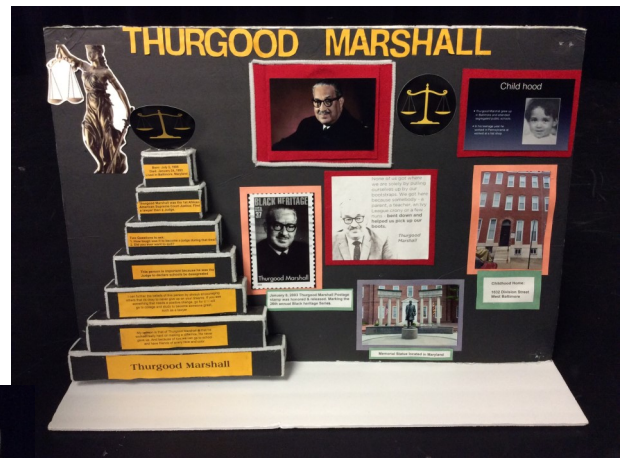

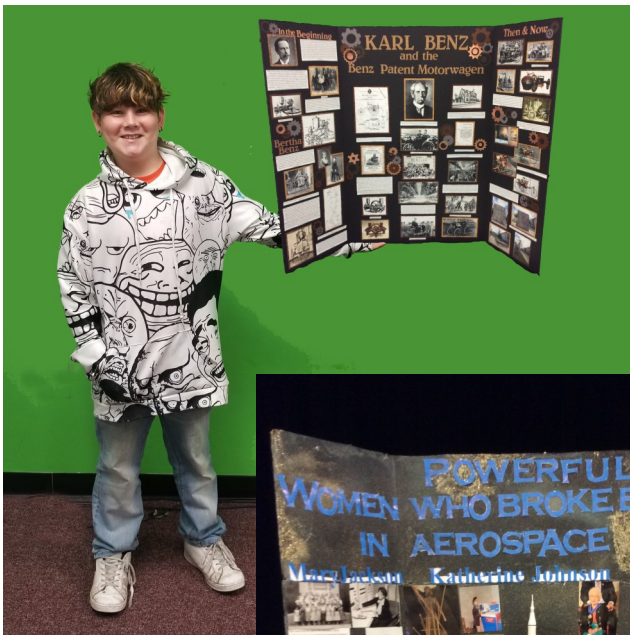

NHD

NATIONAL

HISTORY DAY®

Southport's History Fair

Students from sixth and seventh grade researched, analyzed and interpreted information on their topic for their annual history fair project. Working individually or in groups, they submitted their findings and expressed their ideas in papers, exhibits, performances, documentaries and websites based on the NHD theme, Breaking Barriers in History. The experience is one that helps students to better understand their past to help them make decisions for the future. Projects from many different topics showed a wide diversity of topics and people ranging from Civil Rights to Thomas Edison, just to name a few. Our history fair was not only a success for our students but for our community.

MARCH MADNESS

reading plus[™]

At this time of year, our focus is to ensure that students have the skills they need to be successful on their fast-approaching state assessments. To kick it up a notch, Educational Learning Systems is sponsoring a competition with schools across the state for a classroom pizza party. The contest begins on Monday, March 2nd and ends on Sunday, April 19th.

Students need to complete as many reading lessons on Reading Plus with 80% accuracy or higher. Classes that complete 35 reading lessons will be automatically entered to win. Please encourage your child to complete their daily Reading Plus lessons every day, especially over Spring Break.

The PBIS curriculum motivates Southport students to follow our school wide expectations and earn cane cash for their efforts. This month, students who qualify will be able to attend the upcoming Spring Carnival on March 13th.

Bracelets will be for sale in the cafeteria during lunch for \$4 and 10 cane cash during the week of March 2nd through March 6th. The price goes up the following week to \$5 and 10 cane cash and will allow students unlimited use of the bounce houses and carnival games. Those students not wishing to utilize the bounce houses can attend for 10 cane cash.

Additional items such as airbrush tattoos and a Dunking Booth for students to dunk their favorite teacher will cost \$1.

Only those respectful and responsible students that have not had any referrals between February 28th through March 13 will be permitted to attend.

Seventh and eighth grade students will be attending the Guidance Department's annual Career Fair on Thursday, March 12, 2020.

Students will have the opportunity to interact with professionals from various career fields including business, finance, law enforcement, entrepreneurship, medical and healthcare, education, and architecture. They can look forward to displays and information from the professionals and community members with information for students on the education, training, and personal skills necessary in their field, their roles and responsibilities, a typical day in the field, and advice for student success.

Thank you to all the generous volunteers who helped to make this day possible.

On March 5th Lifetouch will be here for Spring School Portraits. Please return the packet your child received and payment if you would like your child photographed.

Spring Pictures are Coming

Southport will be taking the Sandy Hook Pledge and joining thousands of students in schools across the country for Say Something Week from March 2nd—March 6th. Student Council students will be performing skits on our morning show to highlight the importance of “Say Something” in our schools. The Student Council will also be sponsoring SPIRIT week the following week from March 9th—13th.

Monday - Tacky Day

Tuesday - Twin Day

Wednesday - Sports Jersey Day

Thursday - Throwback Thursday

Friday - Meme Day
