**Savanna Ridge Elementary School
School Advisory Council Meeting Minutes for
March 7, 2023**

The meeting was called to order by Mr. Bonseñor at 3:36 P.M.

In attendance: Mr. Bonseñor, Mr. Stokley, and Mr. Villari

1. **Welcome:** Mr. Bonseñor welcomed the members back for the seventh meeting. He asked if anyone had “good news” to share.
2. **Celebrations:** Mr. Bonseñor mentioned that the feedback from the state continued to be positive and he felt that the school was well positioned for success with the new FAST assessment system because of this feedback direct from the FLDOE and the hard work of staff.
3. **Approval of February 7, 2023, Meeting Minutes:** The motion to approve the minutes was made by Mr. Stokley and seconded by Mr. Villari. The motion was then carried by unanimous consent to approve the minutes.
4. **2022-23 School Improvement Plan (SIP) Mid-Year Update – Data Review:** Mr. Bonseñor presented a thorough update on the monitoring of the SIP. Most all the data looked positive. He elaborated on the data and provided clarification when asked. Feedback was asked from SAC members. No feedback was provided.
5. **Budget Reviews/Updates:** Mr. Bonseñor reported that the current amount in the account available was still the same as last meeting: \$91.79. No further discussion on this point was put forward.
6. **District Advisory Council Minutes:** Mr. Bonseñor distributed a PowerPoint to all meeting attendees of the February District Advisory Council minutes and a copy of the information presented by Dr. Ocampo at that meeting. The presentation focused on an overview of the new FAST assessments as well as information about high school graduation rates. SLPS is one of four districts in the state to have a graduation rate above 90% for the past six years in a row.
7. **Open Forum/Discussion:** Mr. Villari asked a question if more specifics were known about the District Media Center policies in line with the recent state legislation. It was mentioned that media specialists were continuing to receive training and would have a large new responsibility in being expected to know the “appropriateness” of each book in their respective libraries. There still was not specific information regarding any policy changes to pass on.
8. **Announcements:** Mr. Bonseñor reviewed the upcoming holidays on the March schedule (Spring Break).
9. **2022-2023 Meeting Dates:** It was agreed that the next meeting would take place as scheduled on April 11th at 3:30 P.M.
10. **Review Decisions:** No decisions other than approving the February minutes and confirming the April meeting date were made.
11. **Adjournment:** The meeting was adjourned at 4:17 P.M.

Dutifully Submitted,
Samuel Villari
