Attendance Policy

- In order to participate in practice/condition/competition, the student athlete must be at school no later than the end of 2nd block. Student athletes will need to provide a note from the attendance office approving them as excused to be exempt from this rule.
- If the student athlete is absent from school, they will be unable to participate in practice/conditioning/competition for that day.
- If the student athlete is absent on a Friday, they will be unable to practice/condition/competition on Saturday

Discipline Policy

<u>Discipline Issue</u>	<u>Consequence</u>
BIC	No practice/conditioning/competition for that day
1 Day OSS	Suspended from practice/conditioning/competition for 1 week
2 Days OSS	Suspended from practice/conditioning/competition for 2 weeks
3 Days OSS	Removal from team for the remainder of the athletic season

- Centennial High School Administration (Principal, Athletic Director) will make the final decision on the eligibility of student athletes. We reserve the right to grant an exemption, or make consequences more severe depending on the circumstance.

Skipping Policy

- Centennial High School students who skip class 3 times will be ineligible for any school activities (including sports and practices) for 9 weeks.
- The date of the 3rd processed referral will determine the date the student can return to school activities. That return date will be 9 weeks after the 3rd processed referral, regardless of where that falls in the school calendar. The students dean will let the student athlete and parent know what the return date will be.
