

## St Lucie West Centennial Eagle Policy on Skipping Classes

### Skipping Policy

- Centennial High School students who skip class 3 times will be ineligible for any school activities (including sports and practices) for 9 weeks.
- The date of the 3<sup>rd</sup> processed referral will determine the date the student can return to school activities. That return date will be 9 weeks after the 3<sup>rd</sup> processed referral, regardless of where that falls in the school calendar. The students dean will let the student athlete and parent know what the return date will be.
