2024-25 ATHLETIC PACKET SUBMISSION GUIDELINES COMPLETE

All student athletes must complete and submit the packet on AthleticClearance.com. No packets will be accepted in the Athletic Office.

A single account must be created for new student athletes or updated by returning athletes to complete their packets for the 2024-25 school year. If the student plays more than one sport, then click "Add New Sport" to include those sports in the application and the signatures will be applied to the additional sports. If the student decides later in the year to play another sport not declared in the initial application, then they will be required to register for the additional sport in the same account by completing the "Add New Sport" section. A tutorial is located on the opening page when you log on to athleticclearance.com

All required forms must be completed online except for the physical form (EL2) and the St. Lucie County Parent and Player Agreement which must have a notarized parent signature. These forms are available on our schools website and in hard copy form in the main office during school days M-F 7:30AM to 2PM. Summer hours are 8AM to NOON Monday to Thursday ONLY. The only format for files to be uploaded is PDF or a high-quality JPEG. **ONLY PAGE FOUR OF THE EL2 (PHYSICAL FORM) IS TO BE UPLOADED TO THE APPLICATION.** Both pages of the NOTARIZED parent/player agreement form must be uploaded into the parent agreement section.

In addition to the NFHS website, these video courses can be accessed from the athletic clearance website and then the certificates (dated 3/1/24 or later), can be uploaded into the account from the NFHS. Each certificate can ONLY have ONE name listed.

Once a student has successfully completed the packet, it will be reviewed within 3 business days.
