

Miranda DeOnofrio Scholarship

Thank you for applying for the scholarship in memory of Miranda DeOnofrio-PSLHS Class of 2015. Please take some time to research how Miranda passed away and what her family is doing to honor her through Team Miranda Strong, Inc. In determining the scholarship recipient, we will not ask you about your financial situation or that of your parents. We award on your own merit.

Community Service was a big part of Miranda's life beginning as a Girl Scout when she was a young girl. What impact have you made on your community?

Please list your GPA and any awards that you have received during your high school years.

What are your future goals regarding college, career, or anything you feel could make an impact on being chosen as the recipient?

**If you have any affiliation to Miranda's parents, they will excuse themselves from the determining process due to conflict of interest. Good Luck to you & your future dreams & goals.
