FLORIDA AGRICULTURAL AND MECHANICAL UNIVERSITY

Founded October 3, 1887, **Florida Agricultural and Mechanical University (FAMU)** is a public, historically Black university located in Tallahassee, Florida. FAMU is currently ranked as the #1 Public HBCU (*U.S. News & World Report* 2019- current) for four consecutive years. FAMU offers 13 schools and colleges in which students can choose over fifty undergraduate majors. FAMU is a leader in STEM and is ranked the #1 for Research and Development by the National Science Foundation. FAMU is also a leader amongst HBCUs for Fulbright Scholars. What distinguishes FAMU from other universities is its legacy of providing access to a high-quality, affordable education with programs and services that guide students toward successfully achieving their dreams. In addition to the main Tallahassee campus, FAMU has several satellite campuses across Florida. These include the College of Law in Orlando and the College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health, which has sites in Crestview, Tampa, Jacksonville, and Miami.

FLORIDA ATLANTIC UNIVERSITY

Florida Atlantic University calls to the innovative and ambitious as a leader in research and opportunity. Strategically located in the entrepreneurial heart of South Florida, our main Boca Raton campus connects students to resume-building experience, award-winning internships, and cutting-edge research along the coast. At our Wilkes Honors College, students dive into an all-honors curriculum, tackling real-world challenges with the scientific institutes on our Jupiter campus. Florida Atlantic ranks in the nation's Top 50 Universities in *Washington Monthly*, top 30 for Social Mobility in *U.S. News & World Report*, and a Best Value School by College Consensus.

FLORIDA POLYTECHNIC UNIVERSITY

Florida Polytechnic University is the state’s only public all-STEM university specializing in engineering and applied science education. Florida Poly offers an innovative curriculum designed to foster creativity, critical thinking, and real-world problem-solving skills. Located in Lakeland, Florida, the cutting-edge campus is equipped with state-of-the-art labs and collaborative spaces. Students benefit from small classes, personalized faculty mentorship, and hands-on experience through internships, Capstone Projects, and industry partnerships. Florida Poly is one of the most affordable universities in the state and among other STEM-focused universities in the nation. In 2024 we ranked No. 2 best value public college in the Southeast which combines affordability and academic performance (U.S. News and World Report), No. 1 for grads with lowest student debt in the state (U.S. Department of Education), and No. 1 for highest salaries with our graduates earning higher incomes one-year after graduation than all state universities (MyFloridaFuture).

FLORIDA STATE UNIVERSITY

Designated as a Preeminent Research University, **Florida State University** consistently delivers an affordable, high-quality education and was named the No. 8 Best Value College among public universities according to the *U.S. News & World Report*. With more than 280+ degree programs and 50+ combined Bachelor's/Master's Pathway Programs, our undergraduate students have access to a robust selection of academic options. FSU is the largest research university in the country to adopt an experiential learning requirement for undergraduate students. This requirement gives students the opportunity to learn from hands-on, real-world experiences by participating in internships, service-learning, research or creative activity, international study, and more.

UNIVERSITY OF CENTRAL FLORIDA

The **University of Central Florida** was founded in 1963 to provide talent, research expertise, and advanced degrees for the emerging space industry. In a relatively short time, Orlando's hometown university has emerged as a major metropolitan research university with internationally recognized academic programs in engineering, science, healthcare, hospitality, and the arts. We have expanded access and learning pathways, grown our student population, and extended our physical and digital footprints to support business migration and population growth in Florida. Our student body reflects the future of Florida and America, composed of diverse, entrepreneurial, creative, and community-minded innovators. We are invested in unleashing the potential within every individual, enriching the human experience through inclusion, discovery, and innovation, and propelling broad-based prosperity for the many communities we serve.

UNIVERSITY OF NORTH FLORIDA

The **University of North Florida (UNF)** is situated on a beautiful 1,381-acre campus between Jacksonville’s beaches and downtown, with an enrollment of around 17,000 students. Dedicated to seeing our students thrive, UNF offers high-quality academics, personalized attention, robust resources, and a vibrant student life. Diverse learning experiences that include internships, research, and study abroad opportunities, which UNF students participate in at twice the national average, lead to strong job placement for graduates. And did we mention that *The Wall Street Journal* ranked Jacksonville the 2nd hottest job market in America in 2024?

UNIVERSITY OF SOUTH FLORIDA

The **University of South Florida** is located in the vibrant and diverse Tampa Bay region, with campuses in Tampa, St. Petersburg, and Sarasota-Manatee. Together, our campuses serve approximately 50,000 students pursuing undergraduate, graduate, specialist, and professional degrees. Across our 13 colleges, undergraduates choose from more than 200 majors, minors, and concentrations, from business and engineering to arts and USF Health.

U.S. News & World Report has ranked USF as one of the nation's top 50 public universities for five consecutive years, and in 2023 USF earned its highest ranking ever among all universities public or private. Also in 2023, USF became the first public university in Florida in nearly 40 years to be invited to join the Association of American Universities (AAU), a prestigious group of leading universities in United States and Canada. High-impact global research is central to USF's mission as one of only four Preeminent Research Universities in Florida.

U.S. News & World Report ranks Florida's Higher Education #1 in the country! With 12 members of the State University System and 28 members of the Florida College System, Florida offers a wide range of programs, degrees and experiences. Please visit floridashines.org.

The Talented Twenty Program: The Talented Twenty Program is part of the Governor's Equity in Education Plan. The purpose is to guarantee admission to students who succeed in their respective K-12 public schools, and to encourage students to strive for better grades and a rigorous curriculum. The Florida Department of Education and Florida Board of Governors has created a frequently asked questions document to assist public school counselors with navigating the process. Please visit www.fldoe.org/schools/family-community/activities-programs/talented-twenty-program/ for details and step-by-step instructions.

Florida Student Scholarship & Grant Programs: Students must submit a completed Florida Financial Aid Application (FFAA) to the Office of Student Financial Assistance for programs such as the Florida Bright Futures Scholarship Program, Jose Marti Scholarship and Scholarships for Children and Spouses of Deceased or Disabled Veterans. Please visit floridastudentfinancialaidsg.org.

AA degrees for graduating seniors: A high school student earning dual enrollment credit and/or an AA degree in high school is considered a first-time in college student and should submit an application as a first-year student, not as a transfer. Earning the AA while in high school does not guarantee admission into a specific state university.

A Few Important Notes/Glossary:

- EA = Early Action; RD = Regular Decision
- NA means the school does not want it.
- SSAR = Self-reported Student Academic Record – the student enters all courses and grades attempted for high school and/or college credit. Must be linked to your application, link through the email from the University or through the Universities application portal. This must be accurate, best practice is to have an unofficial transcript in front of you.
- SPARK = Self-Provided Academic Record. UCF's version of SSAR. Access link in Future Knight Portal. If you applied through the institutional application, you will create your Future Knight Portal then go to the application. If you applied through Common Application, you will be emailed a link and directions for creating the Future Knights Portal AFTER you submit your application.
- FASTER – the state system for sending transcripts. You must visit your high school guidance office and request an electronic transcript be sent to the university. Transcripts take 5-7 business days to be received by the University.
- SAT/ACT – Sent directly from agency means you must log into your SAT (collegeboard.org) or ACT (act.org) account and request your scores be sent. There will be a cost unless you used a fee waiver when registering to test.

AA degrees for graduating seniors: A high school student earning dual enrollment credit and/or an AA degree in high school is considered a First-Time In College (FTIC) student and should submit an application as a first-year/freshmen student, **not** as a transfer student. Earning the AA while in high school does not guarantee admission into a specific state university. The ONLY time you apply as a transfer student is if you have earned 12 college credit hours or more **AFTER** high school.

Florida Student Scholarship and Grant Programs: Students must submit a completed Florida Financial Aid Application (FFAA) to the Office of Student Financial Assistance for programs such as the Florida Bright Futures Scholarship Program, Jose Marti and Scholarships for Children and Spouses of Deceased or Disabled Veterans. Please visit www.floridastudentfinancialaid.org. Application opens October 1.

FAFSA: Free Application for Federal Student Aid: For the 2024 school year this application will not open until December. Universities request you complete as soon as possible in December to receive a complete financial award letter.

The Talented Twenty Program: The Talented Twenty Program is Part of the Governor's Equity in Education Plan. The purpose is to guarantee admission to students who succeed in their respective K-12 public schools and to encourage students to strive for better grades and a rigorous curriculum. The Florida Department of Education and Florida Board of Governors has created a Frequently Asked Questions document to assist public school counselors with navigating the process. Please visit www.fldoe.org/schools/family-community/activities-programs/talented-twenty-program/ for details and step-by-step instructions.
