

# Connex Foundation Scholarship

## CRAFTING OPPORTUNITY AND INSPIRING ACHIEVEMENT

Fueled by our passion for trades and facilities education, our 501(c)(3) organization is committed to empowering aspiring professionals. We provide scholarships to support individuals in their journey to thrive and excel in these fields.

**01** We recognize that every student on their educational journey is unique, each with their own individual goals and aspirations. That's why we prioritize listening and understanding your vision, tailoring our services to suit your specific needs. Whether you're shifting careers or just beginning your educational journey, we're committed to providing unwavering support every step of the way.

**02** We pride ourselves on creating a warm and welcoming atmosphere. Here at the Connex Foundation and ConnexFM students have access to a no cost association Student - Educator membership!

## FACILITIES MANAGEMENT

Students who are pursuing careers in facilities and facility management-related fields. This includes majors such as facility management, facilities planning, and facility maintenance.

## CONSTRUCTION

Students who are pursuing careers in construction-related fields. This includes construction management, civil engineering, building construction technology, project management and general construction.

## SKILLED TRADES

Students pursuing a career in the skilled trades including electrician, carpenter, plumber, welder, HVAC technician (Heating, Ventilation, and Air Conditioning), millwright.

## IMPACT

Since the establishment of our scholarship in 2020, we have awarded 50+ students each up to \$5,000 in tuition and fees for their education and career pursuit.

## About the Connex Foundation Scholarship

The purpose of the Connex Foundation Scholarship is to assist individuals who are exploring the study of skilled trades or multi-site facility management with the end goal of advancing their career in this field. The scholarship serves to promote the multi-site facilities industry by attracting high school, college-level, career transitioning, adult re-entry, and veteran students into the field of study and encouraging their pursuit with financial support.

The Connex Foundation will award scholarships up to \$5,000 each in 2025 to individuals pursuing a career in the skilled trades (example: electrical, plumbing, welding, HVAC, carpentry), construction and/or facility management industry. The scholarships will be awarded to deserving Canadian individuals and deserving U.S. individuals.
