1	2	<b>Notes:</b> If students are double-booked on a test date, they are <u>required</u> to attend AICE or AP testing. All other tests (State Testing or Finals) will be rescheduled on a make-up date. Students do NOT need to contact the testing office to reschedule State Testing; we will automatically reschedule students. If a student is double booked for two State Assessments on the same date, they can pick one to attend on the scheduled date and will automatically be rescheduled for the other State Assessment they miss.
