Progress Reports for Mr. Groover's Classes

Good afternoon,  
I will be handing out progress reports for all of my students Monday and Tuesday (11/3 and 11/4).  
This will show your child's current grades for my math classes only. It will also show any missing assignments, total tardies and absences. Again, just for Mr. Groover's classes.  
If the student does not have any missing assignments and is doing well in my class, I am still sending a progress report home.  
Please let me know if you have any questions.

# Registration Checklist

## TAKE YOUR FIRST STEP TO BECOMING AN NCAA STUDENT-ATHLETE

If you want to play NCAA sports at a Division I or II school, you must register with the NCAA Eligibility Center at [eligibilitycenter.org](https://eligibilitycenter.org). Plan to register during your freshman year of high school.

### To get started, choose from our two account types:

**1. Profile Page Account:** If you plan to compete at an NCAA Division III school or are currently unsure in which division you want to compete, create a free Profile Page account. If at any time you wish to pursue a Division I or II path, you can transition your Profile Page to a Certification account.

**2. Certification Account:** You must be certified by the Eligibility Center to compete at an NCAA Division I or II school. Before you can make official visits or sign a National Letter of Intent, you must have a completed Certification account (including submitted payment or fee waiver).
