

Turn Your Summer into a Career Adventure

Explore Your Future with a Paid Summer Internship!

High school students: Discover careers in non-clinical healthcare operations and administration. Through this internship, you will gain insight into business aspects of healthcare, including finance, public health, community health equity, art and design, marketing and communications and more. No patient care is involved.

Cleveland Clinic Florida Summer Internship Program:

Earn \$15 an hour while you discover non-clinical healthcare careers in this seven-week program. By participating you will:

- Gain real-world experience. You will work on meaningful projects and build marketable skills such as communication and problem-solving.
- Expand your network. You'll connect with mentors and professionals in a variety of fields and build relationships that can help shape your future.
- Gain scholarship opportunities. Earn money toward your education by completing the program as a Cleveland Clinic Florida Caregiver
- Prepare for college and beyond. You will improve your resume with hands-on experience that sets you apart in college applications and future job searches.

You must be able to participate in the full program. Key dates are:

- Week of June 1, 2026: Orientation
- June 8-July 24, 2026: Internship
-Monday-Friday, 9 AM.-3:30 PM
- July 24, 2026: Graduation

Apply Now

Find out if you are eligible to participate and, look out for the application to open. January 1-January 31, 2026.
