Women at Microsoft Scholarship Program

The Women at Microsoft Inclusion Network with the Seattle Foundation have established a scholarship program to assist students who plan to continue their education in college or vocational school programs pursuing an area of study related to technology, engineering, math, or computer science.

APPLICATIONS OPEN - DEADLINE MARCH 16, 2026 3:00 PM CT

Eligibility

Applicants to the [Women at Microsoft Scholarship](#) must:

- Be a graduating high school senior
- Plan to enroll full-time in a technology, engineering, math, or computer science related undergraduate study at an accredited two- or four-year college, university, or vocational-technical school, in the United States, for the entire upcoming academic year
- Have a minimum grade point average of 3.0 on a 4.0 scale or its equivalent

International students are eligible to apply if enrolling in a US college or university.

Employees and children of employees of Microsoft are ineligible.

Awards

If selected as a recipient, the student will receive a $5,000 award. Up to 16 awards will be granted.

Awards are one-time only. Past recipients may not reapply.

Awards are for undergraduate study only.

Selection of Recipients

Scholarship recipients are selected based on:

- Academic performance
- Demonstrated leadership and participation in school and community activities
- Work experience
- A statement of educational and career goals and objectives
- Unusual personal or family circumstances
- An online recommendation

Financial need, as calculated by Scholarship America, must be demonstrated for the student to receive an award.
