**2023-24 ATHLETIC PACKET SUBMISSION GUIDELINE ON
ATHLETICCLEARANCE.COM (Cumulative 2.0 GPA required Grades 10-12)**

REGISTER FOR THE GRADE YOU WILL BE IN FOR THE 2023-24 SCHOOL YEAR

A single account must be created for new student athletes or updated by returning athletes to complete their packets for the 2023-24 school year. If the student plays more than one sport, then click "Add New Sport" to include those sports in the application and the signatures will be applied to the additional sports. If the student decides later in the year to play another sport not declared in the initial application, then they will be required to register for the additional sport in the same account by completing the "Add New Sport" section.

A tutorial is located on the opening page when you log on to athleticclearance.com

All required forms can be completed online except for the physical form (EL2) and the St. Lucie County Parent and Player Agreement which must be notarized. These forms are available on the TCHS website and in hard copy form in the main office Monday-Friday 8:00 AM to NOON. The only format for files to be uploaded is PDF or a high-quality JPEG. **ONLY PAGE 4 OF THE PHYSICAL must be uploaded to the EL2 section.** Both pages of the NOTARIZED parent/player agreement form must be uploaded into the parent agreement section.

Students must complete the NFHS courses on Concussions, Heat Illness and Sudden Cardiac Arrest at nfhslearn.com. In addition to the NFHS website, these courses can be accessed from the athletic clearance website and then the certificates (dated 3/1/23 or later), can be uploaded into the account from the NFHS.

Once a student has successfully completed the packet, it will be reviewed. If no other documentation is needed, a clearance card will be issued for the student to the email associated with the athletic clearance account. Please allow up to 48 hours for this process to be completed.

GRADE 10-12 STUDENTS MOVING TO TCHS, MUST COMPLETE THE GA4 PRIOR TO ANY PARTICIPATION IN WORKOUTS OR PRACTICES.

If you have any questions, please contact via TEAMS or call
