The mission of Treasure Coast High School is to ensure that all students are successful in high school and immersed in a caring, challenging, relevant learning environment.

At Treasure Coast High School

We Believe

Every student can learn; and every student will learn.

It is our responsibility to ensure that students are provided with schoolwork and experiences in which they experience success and from which they learn those things of most value to them, to the community, and to the society at large.

All school activity will be focused on the creation and delivery of schoolwork and experiences from which they gain skills and develop understanding that will equip them to participate fully in an information-based, knowledge-work society.

Teachers are leaders. Principals are Leaders of Leaders.

Every student counts in our hearts and in our classrooms. We value student voice.

Teachers and principals are accountable for results.

As an instructional leader, the Principal has an obligation to ensure working conditions that confirm the professional status of all educators and the importance of the tasks assigned to all who work in and around our school.

Continuous improvement, persistent innovation, and a commitment to continuing growth are expected of all. Failure is not an option.

ACTIVITIES AND ATHLETICS

ACTIVITIES AND EXTRACURRICULAR CLUBS

Whenever meetings and duties conflict with academic work, the student is responsible for contacting the teacher previous to the time of the activity and is responsible for the work missed. The St. Lucie School District Code of Conduct requirements and all school rules are enforced during extracurricular activities before/after school and on weekends, both on and off campus.

Meeting Schedule for Clubs: Meetings will be determined by the club sponsor before or after the regular school day. No club will meet unless the sponsor is present.

Eligibility: In order for a student to be scholastically eligible to participate in interscholastic athletic or non-athletic extracurricular activities the student must attain a 2.0 grade point average for the semester. A student absent from class or school for official school business (such as a band contest, athletic event, approved field trip) will be required to make-up the class work.

Procedure for Removal from club or activity:

- Temporary removal of a student from participating in an extracurricular/co-curricular program or activity may be determined by the teacher/sponsor. The principal will be notified of the action.
- Permanent removal of a student from participating in an extracurricular/co-curricular program or activity will be recommended by the teacher/sponsor, with the final decision to be made by the principal.
- Parent notification by the teacher/sponsor of temporary or permanent removal is mandatory.
- Upon notification, a parent may, within three (3) days, request a conference with the teacher/sponsor and/or the principal for the purpose of discussing the removal of the student from participation in the extracurricular/co-curricular program or activity.
- A student may be readmitted to participation in the extracurricular/co-curricula program or activity at any time upon the recommendation of the teacher/sponsor with the final decision by the principal.

GENERAL ATHLETIC REGULATIONS

Students participating in clubs or activities may not leave campus between school hours and the set club/activity meeting

Athletics is an integral part of the high school experience. We ensure that our athletes at Treasure Coast High School enjoy a healthy and positive experience in athletics.

All athletic programs require a physical/waiver packet to be complete prior to trying out for a sport's team. Athletic packets should be completed online at ATHLETICCLEARANCE.COM. There is a **\$50.00 processing fee due before a student can compete.** This is an annual fee and covers participation in multiple sports. Please see the form on page 11.

All forms can be obtained online on the Treasure Coast High School website as well as the St. Lucie County Schools' website.

NOTIFICATION OF ATTENDANCE POLICIES

St. Lucie County School District Student/Parent Notification of Attendance Policies

Florida State Statute 1003.24-Each parent of a child within the compulsory attendance age is responsible for the child's school attendance as required by law. The absence of a student from school is prima facie evidence of a violation of this section; however, criminal prosecution under this chapter may not be brought against a parent until the provisions of s.1003.26 have been complied with.

- Every absence will be listed as unexcused until the school receives a note within 3 days that has been signed by the parent and contains the following information: student's name, date of absences, reason for the absences, and a daytime telephone number.
- Tardies/early pickups will be excused or unexcused. Excused tardies/early pickups must meet the same criteria as an excused absence and must have a parent note.
- Once a student in grades K-12 has accumulated 3 excused tardies or absences due to leaving school early for medical/dental appointments within a semester, the parent must provide documentation from a physician that the student had a medical/dental appointment for subsequent class absences or tardies to be excused.
- A student diagnosed with Autism Spectrum Disorder and who has an appointment, partial day or full day with a health care practitioner to receive generally recognized services such as applied behavioral analysis, speech therapy, and occupational therapy will have the absence excused when the school is provided appropriate documentation (see student progression plan for further information).
- Students who have accumulated more than 10 excused or 5 unexcused absences in a semester, must have vacation travel approved by the principal in advance for the absences to be excused.
- Missing the bus is excused if the bus is more than 5 minutes early or more than 15 minutes late, as confirmed by the school.

Physician Authorization Requirement-A note from a physician containing the dates of the absences for which excuse is sought and the reason for the absence is required in the following circumstances:

- Student has accumulated a total of 10 excused or 5 unexcused absences within a semester, subsequent absences of 3 or more consecutive days may not be excused unless documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician.
- Student has accumulated a total of 15 excused absences or 8 unexcused absences within the school year, subsequent absences of 2 or more consecutive days will not be excused unless: (a) the parent has on file with the school a statement from a licensed physician documenting the student's chronic medical condition and a valid release allowing the school to communicate with the physician, and/or (b) documentation is received demonstrating that attendance was impractical or inadvisable on account of sickness or injury, attested to by a written statement of a physician

Lack of attendance can result in court action-As required by law, truancy cases are filed in the Circuit Court in St. Lucie County. A Truancy Petition can be filed when a student has 5 unexcused absences in a calendar month or 10 unexcused absences in a 90-calendar day period. Truancy cases are official judicial cases. Penalties include, but are not limited to: monetary fines, jail time, student being placed in a shelter, community service and loss of custody. Middle and high school truancy cases may be also referred to CINS/FINS for intervention.

You may view your child's records (including attendance) online through Skyward Family Access, which may be activated at your child's school.

Please read the District Student Progression Plan for more information regarding the Attendance Policies in the Saint Lucie County School District at www.stlucie.k12.fl.us

Schools have the authority to withdraw students whose absences for this reason exceed this provision. Such students will be withdrawn for non-attendance. • Out of school suspensions 	<ul style="list-style-type: none"> • Truancy • Vacation travel where the student has accumulated more than 10 excused or 5 unexcused absences within a semester and the travel has not been approved in advance by the principal. ATTENDANCE—SUPPORT TEAM

Each absence will be listed as **unexcused**, unless an excused note from a parent/guardian or physician is submitted. **All excuse notes must be received in the Attendance Office no later than the third (3rd) day after an absence or the absence will be considered unexcused, despite the reason for the absence.** Parents may email absent notes to Diane.evans@stlucieschools.org

Students having chronic illnesses that create excessive absences must submit medical documentation to the clinic at the beginning of each school year or at the time of illness. Absence patterns without prior medical documentation may be the basis for rejection of any attendance appeal.

The team or committee shall implement any interventions that best address the problem. The interventions may include, but are not limited to

- ⇒ Frequent communication between school and the family
- ⇒ Mentoring
- ⇒ Counseling
- ⇒ Evaluation for Alternative Education Programs
- ⇒ Attendance Contracts
- ⇒ Referral to Other Agencies for Services

Reporting attendance cases to Problem Solving Team (PST)/Attendance Committee

If a student has accumulated at least 5 unexcused absences, or absences for which the reasons are unknown, within a calendar month or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar-day period, the student's teacher or any staff with knowledge of the student's attendance shall report the case to the PST or attendance committee. The school social worker shall participate in the meeting. The team or committee will determine if early patterns of truancy are developing. If a pattern of

nonattendance is developing, whether the absences are excused or not, a meeting with the parent must be scheduled to identify remedies.

If a child subject to compulsory school attendance will not comply with attempts to enforce school attendance, the parent, the guardian, or the superintendent or his or her designee may refer the case to the case staffing committee pursuant to (F.S. 984.12), and the superintendent or his or her designee may file a truancy petition pursuant to (F.S. 984.151).

An automated phone call will be placed on a daily basis notifying parents of missed classes.

A written notice will be sent home after the 5th unexcused day and 10th unexcused day.

Students who accumulate fifteen (15) unexcused absences in a period of ninety (90) calendar days will be reported to the Department of Highway Safety and Motor Vehicles. These students may have their driving privilege denied or revoked.

Attendance Referrals to Student Services:

Referrals to the Department of Student Services must be made prior to or upon the 10th unexcused absence in any 90-day period. Schools will provide to the Department of Student Services documentation of their efforts to contact the parent and resolve the truancy issue.

Homebound Students:

ATTENDANCE—MAKE UP WORK AND TARDIES

Students who will be out of school a minimum of three (3) weeks due to illness will be provided a Homebound Teacher upon approval. This service will be provided based on a physician's statement in writing. Parents/Guardians should contact the appropriate Guidance Counselor to review procedures and required documentation to initiate services.

Class Attendance:

Students are expected to be in class on time and attend for the entire period when they are in attendance at school. Skipping class is defined as an unexcused absence for a class period or portion of the period on a day when the student is in school or has left class without authorization. If a student arrives to class without a pass ten (10) minutes after the bell, this will be considered skipping and a referral will be initiated by the teacher.

MAKE UP WORK

While it is possible to make up written assignments due to absences, the actual classroom experience can never be duplicated. Therefore, students should conscientiously establish good attendance patterns. When absences occur, the following shall govern the make up of work.

- Make up work is allowed for all absences, excused or unexcused.
- Student has **1 day to make up the work for each day absent**, not including the day of return, unless the principal approves an extension due to unusual circumstances. Previously assigned work is due on the day the student returns to school.
- All work, regardless of the number of days absent, must be made up on or before grades are due in the final quarter of the school year. *
- Students whose work is turned in after the end of the grading period for quarters one through three, will receive an "I" or incomplete. If the work is turned in on-time, the student will receive the grade for the work.
- Incomplete grades become "F" or "0", if not replaced with the grade for the makeup work that was turned in on time.
- Students will take announced tests on first day of return to school. Student will be allowed **2 days to prepare for tests assigned during the absence.**

It is required that all makeup work, regardless of the number of days absent, be submitted prior to the end of any grading period.

**All students out of class during the school day must have the hall pass with a signature from the assigned teacher. No students should be out of class during the first or last 15 minutes of class.
*No passes will be written during Advisory period.***

Any student whose legal residence changes from Treasure Coast High School's attendance zone to that of another school zone during the school year must contact the office of the Registrar.

It is the student's responsibility to provide proof of address change and complete the appropriate forms with the Data Specialist to indicate to the school that a student has changed her/his residence.

Physical Examinations:

All students, regardless of age, entering a Florida public school for the first time must provide a copy of the results of a physical examination taken within the last twelve months.

RELEASE OF STUDENTS, BUS CONDUCT AND CLINIC

RELEASE OF STUDENTS

Treasure Coast High School has a closed campus. Students who ride a school bus are considered to be on campus as soon as they step off the bus. After arriving on campus, a student may not leave the campus until after her/his last class. Permission to go home must be given by the administration and by the parent. Parents must provide transportation home. Fellow students may not provide such transportation.

Release of students during the school day is permitted under the following guidelines:

- ⇒ Students are to be checked out through the Attendance Office, where they will be issued an off-campus pass. Medical appointments must be documented and verified with the medical practitioner's office.
- ⇒ Early dismissal will be granted upon the Attendance Clerk's receipt of a written request from the parent/guardian for an excused absence 24 hours in advance. Parents will be called if deemed necessary to verify the note.
- ⇒ Students must be picked up by their parent/guardian or authorized by parent to drive themselves. Students will not be allowed to leave with other students.

BUS CONDUCT AND PROCEDURES

ONLY students riding the bus home are allowed to wait in the bus-loading zone.

To ensure safety, students riding buses are expected to cooperate with the bus drivers and the adults on bus duty when loading and unloading. Students must stand on the sidewalk until buses have stopped. While riding the school bus, students are expected to follow the rules posted in each bus, and to abide by school standards for good citizenship. Students must adhere to the district electronic use policy when riding the bus.

Special permission is required for student s to ride a bus other than their assigned bus. The parent or guardian must send a written note explaining the reason for such a request to the SLC Office in Building 2 by the end of the first period of the day. The school must be able to contact the parent to verify **the** authenticity of the note, and the reason for riding another bus must be of an emergency nature. The capacity on the bus will be a factor in determining permission to ride.

CLINIC

The clinic is for first aid and emergencies only. **Students are required to have a pass in order to report to the clinic.**

The Health Aide is authorized to administer medication (excluding injections) to students during school hours, in strict compliance with School Board Policy and Florida Statutes.

Parents/guardians are required to complete a form signed by the caregiver overseeing student's medical needs, prior to the Health Aide administering medication. Students receiving medication must give all medicines (in original container with prescription information/label) to the Health Aide upon arrival to school.

Lost and Found

A lost and found section for all articles is located in BIC. If items are not claimed by the last day of school, all items will be donated to a local charity.

Students found in possession of unauthorized medication(s) will receive an appropriate consequence as per the Student Code of Conduct..

Every effort will be made to contact the parent or guardian if school officials deem it necessary to call an ambulance. The call to 911 will be made prior to parent notification. Parents/guardians will have to assume the financial responsibility.

SCHOOL COUNSELING AND GRADING POLICY

SCHOOL COUNSELING

Counseling services are provided through School Counselors in a strictly confidential manner. This service is provided upon request or need for both individuals and groups. A student may request a conference with a counselor by filling out a request form which can be obtained from their assigned Small Learning Community (SLC) Office Suite during class changes, lunch, before or after school.

All student requests for class changes will be made through the assigned SLC Office beginning on the **second day of each semester**. A *Request for Schedule Change* form must be completed and submitted not later than **four (4) days** following the beginning of the semester.

Our goal is to ensure that each student is appropriately scheduled for classes she/he needs in order to meet all the requirements for graduation. Student schedules will only be changed if a teacher makes a recommendation for an ability level change in class placement or if a parent makes an application for a change and the requested change meets all criteria. Schedule changes cannot be made to accommodate requests for specific teachers or for students to be with friends.

Make-Up Credits:

There are options available to students for credit recovery. School Counselors are available to review options to make up credits using Florida Virtual School and Adult High School at Indian River State College (IRSC).

School Counselors will be able to review upper level course options and help facilitate enrollment in Dual Enrollment classes at IRSC. If a student attempts a class at IRSC for Dual Enrollment and does not pass, it will be at the student's

expense to make up the class.

Parent-Teacher Conferences:

Parent-teacher conferences may be arranged by contacting the School Counselor or the appropriate SLC clerk. We encourage parents to contact teachers with academic concerns involving their child. E-mail is a very good way of communication between teacher and parent. Please allow *24 hours notice* to arrange for a meeting with the teachers.

GRADING PROCEDURES

Grades shall be a measure of a student's progress and achievements in mastering the subject matter, and reflect a comprehensive evaluation, which utilizes a number of assessment procedures. A student's regular attendance, daily preparation, and promptness in completing assignments should be consistent and congruent with these grades and taken into consideration in reporting a student's progress.

Grades are based on a percentage value. According to this system grades are averaged and converted into letter grades equivalent to the corresponding letter values.

Each teacher should have a minimum of nine (9) major grades per grading period to obtain the quarter mathematical average.

GRADING PROCEDURES

Final comprehensive examinations shall be required for all courses; only the Principal may waive the requirements for justifiable academic reasons.

Teachers are required to provide in written notice of pending failure of a class giving parents sufficient time to meet with teachers.

TESTING ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES
IN STATEWIDE ASSESSMENT:

Rule 6A-1.0943, FAC, provides the basis for modification to St. Lucie County's and State assessment system for students with disabilities. In addition, the test Administrator's manual for each statewide assessment provides a listing of allowable accommodations that can be used for students with disabilities. Such accommodations include:

STUDENT BEHAVIOR STANDARDS

Zero Tolerance Policy:

The School Board has zero tolerance for crime and substance abuse, and for the victimization of students. The intent of this policy is to promote a safe and supportive learning environment in schools; to protect students, staff, and volunteers from conduct that poses a threat to school safety; and to encourage the use of alternatives to expulsion or referral to law enforcement agencies when appropriate.

STUDENT BEHAVIOR STANDARDS

Philosophy

Our goal at Treasure Coast High School is to create challenging and satisfying work for our students that engage them in a rigorous curriculum. We will work with students to ensure that they can reach their personal academic goals in a safe environment. In order to ensure a safe environment, students will be responsible for conducting themselves in a manner that respects the rights of others. If a student chooses to neglect school rules or district policies, the Student Code of Conduct outlines potential consequences for their actions. The Student Code of Conduct is located on both the St. Lucie County Schools and the TCHS website as well for review.

Pledge of Allegiance

When the national anthem is played, students and all civilians shall stand at attention, men removing the headdress, except when such headdress is worn for religious purposes. The pledge of allegiance to the flag, “I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all,” shall be rendered by students standing with the right hand over the heart. The pledge of allegiance to the flag shall be recited at the beginning of the day in each public elementary, middle, and high school in the state. Students have the right not to participate in reciting the pledge. Upon written request by his or her parent, the student must be excused from reciting the pledge, including standing and placing their right hand over his or her heart. When the pledge is given, unexcused students must show full respect to the flag.

Moment of Silence

State legislation requires that all schools observe a moment of silence at the beginning of the school day. We will participate in the moment of silence during first period after the morning announcements are made. The moment of silence will last one minute during which time students may not interfere with other students’ participation. Teachers may not make suggestions as to the nature of any reflection that a student may engage in during the moment of silence. However, parents and guardians are encouraged to discuss the moment of silence with their child and to make suggestions as to the best use of this time.

STUDENT RESPONSIBLE COMPUTER, NETWORK AND INTERNET USE POLICY

Student Responsible Computer, Network and Internet Use Policy

Overview

The District provides its students access to a multitude of technology resources to enhance and extend the learning experience. These resources provide opportunities to enhance learning and improve communication within our community and with the global community beyond our campus. The advantages of having access to these resources are far greater than any potential downside. However, with the privilege of access is the responsibility of students to exercise appropriate personal responsibility in their use of these resources. This District Policy is intended to promote the most effective, safe, productive, and instructionally sound uses of networked information and communication tools. The District also makes a good faith effort to protect its students from exposure to internet materials that are harmful or explicit. The District maintains a system of internet content filtering devices and software controls to block obscene and pornographic materials and materials that are harmful to, or otherwise inappropriate for, minors that meet federal standards established in the Children's Internet Protection Act, 47 U.S.C. § 254(h), (1), as amended (CIPA). Nevertheless, it is impossible to control all materials available on the internet, and users will be responsible for ensuring that their use meets the guidelines Policy established herein.

Digital Citizen

Student users of the District's computer, network, and internet resources shall use information and technology in safe, legal, and responsible ways. A responsible digital citizen is one who:

1. **Respects One's Self:** Users will select online names that are appropriate and will consider the information and images that are posted online.
2. **Respects Others:** Users will refrain from using technologies to bully, tease or harass other people.
3. **Protects One's Self and Others:** Users will protect themselves and others by reporting abuse and not forwarding inappropriate materials or communications.
4. **Respects Intellectual Property:** Users will cite any and all use of websites, books, media, etc.
5. **Protects Intellectual Property:** Users will request to use the software and media others produce.

Expectations

Responsible use of the District's technology resources is expected to be ethical, respectful, academically honest, and supportive of the school's mission. Each computer user has the responsibility to respect every other person in our community and on the internet. Digital storage and electronic devices used for school purposes will be treated as extensions of the physical school space. Administrators, or their designees, will periodically monitor the online activities of users and computer files to insure that users are using the system in accordance with District policy. No user of the District's networks shall have an expectation of privacy in his/her use. Users should not expect that electronic communications made or received on District networks, internet searches on District networks, or files stored on servers or disks will be private. Users also should understand that internet activity is recorded in log files. Users are expected to abide by the generally accepted rules of network etiquette.

STUDENT RESPONSIBLE COMPUTER, NETWORK AND INTERNET USE POLICY

1. The following Policy is intended to clarify expectations for conduct, but they should not be construed as all-inclusive. Use of electronic devices should be consistent with the District's educational objectives, mission and curriculum.
2. Inappropriate use includes, but is not limited to, (1) texting, phoning, or web browsing during prohibited times; (2) taping conversations, music, or other audio at any time; (3) photography or videography of any kind; and (4) any activity that could in any manner infringe upon the rights of other individuals, including but not limited to students, teachers, and staff members.
3. Transmission of any material in violation of any local, federal and state laws is prohibited. This includes, but is not limited to, copyrighted material, licensed material and threatening or obscene material.
4. Intentional or unintentional use of computing resources to access or process, proxy sites, pornographic material, explicit text or files, or files dangerous to the integrity of the network is strictly prohibited.
5. Software and/or services may not be installed or downloaded on school devices without prior approval of the Superintendent or designee.
6. Any malicious attempt to harm or destroy data of another user, the internet or other networks, is strictly prohibited. This includes, but is not limited to, creating and/or uploading computer viruses.
7. Unauthorized access to information by unauthorized recipients or "hacking" is strictly prohibited. This would include intentionally bypassing any internet filtering devices.
8. Use of electronic devices to bully or harass, as defined in Policy 3.43 included in Appendix A hereto, is strictly prohibited.
9. Student internet interpersonal communications (e.g., chat room, instant messaging, blogging, Wiki) requires authorization of a teacher or administrator.
10. Users may be held personally and financially responsible for malicious or intentional damage done to network software, data, user accounts, hardware and/or unauthorized costs incurred.
11. Files stored on District-managed networks are the property of the District and, as such, may be inspected at any time and should not be considered private. Materials published for electronic publication must be for educational purposes. School administrators, teachers and staff may monitor these materials to ensure compliance with content standards.
12. Users who accidentally access inappropriate material or witness another user accessing inappropriate material, shall immediately notify their teacher or school administrator.

Policy Violations - Students

Violating any portion of this Policy may result in disciplinary action as provided in this Code. A student may be disciplined under the Code for expressive off-campus conduct (such as e-mails or postings on social media like Facebook, Youtube, Twitter, Instagram, Snapchat, blogs, etc.) where (1) such conduct would foreseeably create a risk of material and substantial disruptions within the school environment, (2) it was reasonably foreseeable that the off-campus expression might reach campus, and (3) the conduct did create a material and substantial disruption within the school environment. Disciplinary action shall be proportional to the offense.

Some violations may constitute criminal offenses and may result in legal action. The School District will cooperate with law enforcement officers in investigations related to illegal activities conducted through its network.

School district personnel, community members, parents, and students share the responsibility for student achievement.

Quality learning experiences are the central focus of all school and district activities.

We ensure equity and quality for all students, not just some.

Equity without quality is prejudice, quality without equity is privilege, equity plus quality equals excellence.

Students are volunteers. Their attendance can be required, but their attention must be earned.

We teach the whole child, not simply the test-taker.

The core business of the St. Lucie County Schools is to create challenging, engaging, and satisfying work for every student, every day.

The teacher's primary role is to design rigorous, engaging work that leads students to higher levels of learning.

We provide clear and compelling understandings about what students are expected to know and be able to do.

District and school support personnel are partners with teachers and schools in the core business.

Collaboration around the core business is essential to quality learning experiences.

Quality tools are required for quality work.

Instructional needs drive the design and construction of facilities.

Therefore, we promise continuous improvement in student achievement and in the success of each individual.

(d) If an informal hearing is set, the Coordinator shall encourage the grievant to discuss the matter informally with the person against whom the grievance has been lodged. Upon request, the Coordinator shall accompany the grievant in an attempt to conciliate the matter. If conciliation is not effected, the hearing shall proceed.

(e) Notwithstanding any other provision of this policy, the grievant shall not be required to confront the person against whom the grievance has been lodged, particularly in instances in which the grievant has alleged acts or practices of discrimination, including but not limited to harassment, retaliation, or coercion. At the informal hearing, both the grievant and the person against whom the grievance has been lodged shall be afforded an opportunity to present witnesses and other evidence in support or defense of the grievance.

(f) If an informal hearing is held, the Coordinator shall render a recommendation in writing to the grievant and the person against whom the grievance has been lodged within ten (10) working days of such hearing. The principal of the involved school shall be responsible for taking any action required to implement the Coordinator's recommendations.

All affected parties will be notified and provided with a copy of the decision of the School Board. The decision of the School Board shall be administratively final.

(i) If a violation is determined to have occurred, the District shall take appropriate steps to prevent the recurrence of any discrimination and to correct the discriminatory effects on the grievant and others. Based upon the circumstances, such steps may include, but are not limited to:

Title	Title IX Sexual Harassment Complaint and Investigation Procedures
Code	2.701
Status	Active

1. Definitions.

For the purposes of this policy, the following definitions shall apply:

- a. School District means the St. Lucie County School District.
- b. Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:
 - i. A School District employee conditioning the provision of an aid, benefit, or service of the school on an individual's participation in unwelcome sexual conduct;
 - ii. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity; or
 - iii. Sexual assault as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the school's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the school's educational environment, or deter sexual harassment. Schools must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the school to provide the supportive measures. The school-based Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Remedies are designed to restore or preserve equal access to the school's education program or activity. Remedies may be issued at the conclusion of the grievance process.
- f. Formal complaint refers to a document filed by a complainant or signed by the school-based Title IX Coordinator alleging sexual harassment against a respondent and requesting investigation of the allegation. The formal complaint may be filed in person, by mail, or by electronic mail.
- g. The District Title IX Coordinator ("District Coordinator") is responsible for coordinating School District compliance with Title IX of the Education Amendments of 1972 ("Title IX") regulations.
- h. The school-based Title IX Coordinator ("school-based Coordinator") is responsible for coordinating Title IX compliance at an assigned school.
- i. The Title IX investigator ("investigator") is responsible for conducting the investigation as required by Title IX and preparing the investigative report.

- k. The Title IX appeals decision-maker ("appeals decision maker") is

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

- I. Notice. Whenever notice is required in this policy, notice shall be sent to the parent as defined in CFR 99.3 or to the eligible student as defined in CFR 99.3.
2. Scope of Title IX. This policy applies to allegations that meet the definition of sexual harassment as defined in section (1)(b) of this policy, conduct that occurred in a School District education program or activity, and allegations against a person in the United States.
 - a. "Education program or activity" includes locations, events, or circumstances over which the School District exercised substantial control over both the respondent and the context in which the sexual harassment occurred.
 - b. Reporting Sexual Harassment. Any person may report sexual harassment, regardless of whether the reporting person is the alleged victim of the conduct. A report can be made in person, by mail, by telephone, or by electronic mail, using the contact information for the District Coordinator or school-based Coordinator. Reports may be made at any time, including during non-business hours. Any person with knowledge of sexual harassment is strongly encouraged to report the incident. Reports should be made as soon as possible after the alleged incident. A formal complaint must be filed within ten (10) school days after the alleged incident. Failure on the part of the complainant to initiate or follow up on the complaint within this period may result in the complaint being deemed abandoned.
 - i. The School District is responsible for responding to complaints of which it has notice even if notice is not received within the aforementioned time frame.
 - c. All School District employees are required to, and must, report, in writing, any allegations of sexual harassment or violations of this policy to the District Coordinator, school-based Coordinator, or appropriate administrator.
3. The Superintendent may identify, upon request of a complainant or respondent, a designee for the District Coordinator when, in the Superintendent's judgment, it is warranted. Should an alternate be designated to investigate a complaint, the complainant may request a review by the Superintendent.

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

5. Response to Knowledge of Sexual Harassment. A school must respond to knowledge of sexual harassment in the school's education program or activity against a person in the United States within twenty-four (24) hours or no more than two (2) school days.
 - a. If the alleged sexual harassment might constitute a crime the matter shall immediately be reported to the School Resource Officer ("SRO") or the appropriate law enforcement agency. Any uncertainty regarding whether the alleged sexual harassment might constitute a crime must be resolved in favor of reporting the incident to law enforcement.
 - b. If the alleged sexual harassment might constitute child abuse the matter shall immediately be reported to the Florida Department of Children and Families ("DCF"). Any uncertainty regarding whether the alleged sexual harassment might constitute child abuse must be resolved in favor of reporting the incident.

 - ii. The conduct occurred in a School District education program or activity; and
 - iii. The allegations occurred against a person in the United States.
 - b. If the school determines these requirements are met, the school must follow the grievance process outlined in section (12) of this policy. If the school determines any of these requirements are not met, the school must dismiss the formal complaint. Written Notice of dismissal must be sent.
8. Consolidation of Formal Complaints. Formal complaints involving allegations of sexual harassment arising from the same facts or circumstances may be consolidated against more than one (1) respondent, if multiple complainants file a complaint against multiple respondents, or if one (1) party files a complaint against the other party.
9. Dismissal of Formal Complaints. Schools shall investigate allegations in a formal complaint and determine whether dismissal is required or permitted.

10. Emergency Removal. The School District may remove a respondent from a school's education program or activity on an emergency basis, only after undertaking an individualized safety and risk analysis, and determining if an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and providing the respondent with notice and an opportunity to challenge the decision within two (2) school days following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

- a. **Grievance Process for Formal Complaints of Sexual Harassment.** In response to a formal complaint, schools must provide written notice to all known parties and follow a specified grievance process before the imposition of any disciplinary sanctions against the respondent. A school must provide written notice of allegations within two (2) school days of the allegations to all known parties upon receipt of a formal complaint.

i. **Written notice must include:**

- b. **Response to Complaint.** Parties shall be afforded the opportunity to prepare a response regarding the complaint and provide that response during the initial interview. Parties shall have no less than two (2) school days from the date of the written notice to prepare a response.

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

The school-based Coordinator shall conduct the initial interviews with both the complainant and the respondent within five (5) school days. Each individual shall be interviewed separately and at no time will the complainant and respondent be interviewed together. This time frame may be modified for good cause. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

- c. Basic Requirements for Grievance Process. A school's grievance process must:
 - i. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility has been made against the respondent;
 - ii. Require an objective evaluation of all relevant evidence;
 - iii. Include a presumption that the respondent is not responsible for the alleged conduct until the written determination is made at the end of the grievance process;

 - xii. Notify parties that the preponderance of the evidence standard will be used to determine responsibility.
11. Procedures for Investigation of a Formal Complaint. The investigation must be completed and evidence provided to the respondent and complainant within five (5) school days of the initial interviews with the complainant and respondent, whichever interview is later. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.
- a. The School District must ensure that the burden of proof and the burden of gathering evidence rests on the school.
 - b. Confidentiality of Medical Records. The School District cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the school obtains that party's voluntary, written consent to do so for a grievance process under this section. include the date, time, location, participants, and purpose of meeting to all parties whose participation is expected or invited.

- e. **Grievance Proceedings.** Both parties must be given an equal opportunity to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding with an advisor of their choice.
- f. **Evidence**
 - (i) **Inspection and Review of Evidence.** Both parties must be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including the evidence upon which the school does not intend to rely in reaching a determination regarding responsibility. OTC must make all evidence subject to the parties' inspection and review available at any hearing to give each party an equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.
 - (ii) Prior to completion of the investigative report, schools shall send to each party and their advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. Parties have ten (10) school days to submit a written response to all evidence, for the investigator to consider before concluding the investigative report. If a response is not received within ten (10) school days, the investigator will deem the non-response as a waiver and continue with the investigative report.
 - (iii) **Gathering and Presentation of Evidence.** Schools may not restrict the ability of either party to gather and present relevant evidence.
- g. **Presenting Witnesses.** Both parties shall be given the equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
- h. **The Investigative Report.** The investigator shall create an investigative report that fairly summarizes all relevant evidence presented. The investigator must send the report in an electronic form or a hard copy to all parties and all advisors ten (10) days prior to a hearing for their review and written response, if a hearing is required. If a hearing is not required, schools must send the report to all parties and all advisors for their review and written response ten (10) days prior to any written determination. Parties will have ten (10) days from receipt of the investigative report to provide a written response to the investigative report.

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

- i. K-12 Questions. After the investigative report has been sent to all parties and before a determination regarding responsibility is made, each party shall be given two (2) school days to submit written, relevant questions to be asked of any party or witness and provide each party with answers within two (2) school days. Parties shall then be allowed two (2) school days to provide no more than five (5) follow-up questions in total from all parties and witnesses. Parties and witnesses have two (2) school days to respond to any follow-up questions.
- j. After parties submit written questions, the decision-maker must:
 - (i) Determine whether a question is relevant; and
 - (ii) Explain to the proposing party any decision to exclude a question as not relevant;
 - (iii) Questions and evidence regarding a complainant's sexual predisposition or prior sexual behavior are only relevant if offered to prove someone other than the respondent committed the alleged conduct, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Advisors. Parties may have at least one (1) advisor of their choosing.

- a. The following restrictions will be placed on advisors for both parties:
 - i. Advisors may attend interviews with their party only at their party's request, unless the advisor is a parent or legal guardian;
 - ii. Advisors shall not restrict access to their party;
 - iii. Advisors are only permitted to use the investigative report and evidence received for inspection and review for purposes of the grievance process;
 - iv. Advisors will be required to abide by a non-disclosure agreement that complies with both Title IX and FERPA; and
 - v. Advisors may not request education records that are protected

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

by the Family Educational Rights and Privacy Act of 1974 ("FERPA").

13. Procedures for Written Determination. At the conclusion of the grievance process, the decision-maker must apply the preponderance of the evidence standard to reach a determination and then issue a written determination to the parties simultaneously within three (3) school days. The school-based Coordinator is responsible for implementing remedies stated in the written determination.

a. The written determination must include:

- i. Identification of the allegations potentially constituting sexual harassment, pursuant to the definition in this policy;
- ii. A description of the procedural steps taken from the receipt of the formal complaint through the written determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings;
- iii. Findings of fact supporting the determination;
- iv. Conclusions regarding application of the Code of Student Conduct to the facts;
- v. The result and rationale as to each allegation;
- vi. A determination regarding responsibility as to each allegation;
- vii. Any disciplinary sanctions imposed on the respondent by the school;
- viii. Whether remedies will be provided by the school to the complainant; and
- ix. Permissible procedures and grounds for the complainant and respondent to appeal.

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

14. Appeals. Each party has the opportunity to appeal from both a written determination, and a dismissal of a formal complaint or any allegations. A request for an appeal from a dismissal must be made within two (2) school days of issuance of the dismissal. A request for an appeal from a written determination must be made within two (2) school days of issuance of the written determination. Requests for an appeal should be sent to the decision-maker.
 - a. If an appeal is not filed, the determination regarding responsibility becomes final on the date after the two (2) school days to file an appeal has passed. If an appeal is filed, the determination regarding responsibility becomes final on the date the school provides the written appeals decision.
 - b. Grounds for Appeal. Appeals may take place for the following reasons:
 - i. Procedural issues affected the outcome;
 - ii. New evidence that was not reasonably available at the time the written determination or dismissal was made becomes available that could affect the outcome; or
 - iii. There was a conflict of interest or bias by the school-based Coordinator, investigator, or decision-maker, against any complainant or respondent that affected the outcome.
 - c. Notification of Appeal. Schools must notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties. Parties must be given three (3) school days to submit a written statement in support of, or challenging, the outcome of the written determination. If a written statement is not received within three (3) school days, the appeals decision-maker will deem the non-response as a waiver and continue with the appeals process.
 - d. Appeals Decision-Maker. The appeals decision-maker may not be the same person as the investigator, school-based Coordinator, or decision-maker who reached the initial determination of responsibility or dismissal. The appeals decision-maker must not have a conflict of interest or bias for or against any complainant or any respondent.
 - e. Written Appeals Determination. The written appeals determination describing the result and rationale for the decision must be provided

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

simultaneously to both parties within five (5) school days.

15. Retaliation. No school or other person may intimidate, threaten, coerce, or discriminate against any individual for the purposes of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing.

- a. Definition of Retaliation.

- i. Intimidation, threats, coercion, or discrimination, including against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.
- ii. The exercise of rights protected under the First Amendment does not constitute retaliation.
- iii. A Code of Student Conduct violation for making a materially false statement in bad faith during the course of the grievance process does not constitute retaliation. A determination regarding responsibility alone is insufficient to conclude that any party made a materially false statement in bad faith.

- b. Confidentiality of Parties. Schools must keep confidential the identity of the following individuals:

- i. Any individual who has made a report or complaint of sex discrimination;
- ii. Any individual who has made a report or filed a formal complaint of sexual harassment;
- iii. Any complainant;
- iv. Any individual reported to be the perpetrator of sex discrimination;

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

- v. Any respondent; and
 - vi. Any witness.
 - c. Exceptions to Confidentiality. The School District may release confidential information as permitted by FERPA, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.
 - d. Filing of Retaliation Complaints. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination as outlined in section (6) of this policy.
16. Training. All materials used to train school-based Coordinators, investigators, decision-makers, and appeals decision-makers must not rely on sex stereotypes and must promote impartial investigations and adjudications.
- a. School-based Coordinators, investigators, decision-makers, hearing officers, and appeals decision-makers must receive training on:
 - i. The definition of sexual harassment as defined in (1)(b);
 - ii. The scope of the school's education program or activity;
 - iii. How to conduct an investigation and grievance process, including appeals; and
 - iv. How to serve impartially by avoiding prejudgment of the facts, conflicts of interest, and bias.
 - b. Decision-makers must receive training on:
 - i. Any technology used to conduct investigations; and
 - ii. Relevance of questions and evidence, including the relevance of the complainant's sexual predisposition or prior sexual behavior as set forth in section (11)(j)(iii) of this policy.

TITLE IX SEXUAL HARASSMENT COMPLAINT & INVESTIGATION

c. Investigators must receive training on:

- i. Issues of relevance to create an investigative report that fairly summarizes relevant evidence; and
- ii. Sending the investigative report, in an electronic or hard copy, to each party and their advisor for their review and written response.

17. Recordkeeping.

- a. **Required Recordkeeping.** Schools must create records of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment. If supportive measures are not provided, the school must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.
- b. **Maintaining Records.** Schools must maintain records related to any sexual harassment investigation for seven (7) years, including records of:
 - i. Any actions taken in response to a report of sexual harassment;
 - ii. Any actions taken in response to a formal complaint of sexual harassment;
 - iii. Any supportive measures provided;

- viii. Any remedies provided to the complainant;
- ix. Any appeal and written appeal decision; and
- x. All materials used to train school-based Coordinators, investigators, decision-makers, hearing officers and appeals decision-makers.

18. Dissemination of Policy.

- a. Notification of Title IX Coordinator. The School District must notify students, parents or legal guardians of elementary and secondary school students, employees, applicants for admission and employment, and all unions or professional organizations the School District holds collective bargaining or professional agreements with, of the name, office address, electronic mail address, and telephone number of the District Coordinator.
- b. Notification of Policy. The School District must notify students, parents or legal guardians of elementary and secondary school students, employees, applicants for admission and employment, and all unions or professional organizations the School District holds collective bargaining or professional agreements with, that:
 - i. The School District does not discriminate on the basis of sex in any education program or activity;
 - ii. The School District is required by Title IX not to discriminate on the basis of sex;
 - iii. The requirement to not discriminate on the basis on sex extends to admission and employment; and
 - iv. Inquiries about Title IX are referred to the District Coordinator.

19. Publication. Schools must not use or distribute a publication that states the School District treats applicants, students, or employees differently on the basis of sex, except as permitted by Title IX.

 - c. Training Materials Publication. The School District must make all training materials publicly available on the School District's website.
20. FERPA. The School District shall, to the extent possible, interpret Title IX and FERPA in a manner to avoid any conflicts. Where a true conflict exists, the obligation to comply with Title IX is not obviated or alleviated by the FERPA statute, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99.
