Dear Parents:

It is with enthusiasm that we welcome you to the 2020-2021 school year at Weatherbee Elementary School. As the administrators of this great school we want to express how excited we are about the wonderful opportunity of working with all of the students and staff of Weatherbee Elementary.

Communication between the home and school is critical to ensure your child's success. The Weatherbee Elementary planner for first through fifth grades should be used to keep in touch daily with what is happening in your child's education. Remember to check the planner every evening to see what homework has been assigned, and to see if there are any messages from the teacher. Please use the planner to write notes, comments, or questions that you may have for the teacher

We extend a special invitation for you to become involved at your child's school as a volunteer, Parent Teacher Organization (PTO), or as a member of our School Advisory Council (SAC)! Also, please join us for the many family activities and parent workshops that will be held throughout the year.

Sincerely,

Dr. Kelly Nigro

Parent Pickups
Buses

3:10 P.M.
3:15–3:25 P.M.

During the first week, teachers will record the manner in which students arrive and depart from school (walking, riding a bus, or being picked up). The school must receive written instruction in order to dismiss in any other manner. This should be done by 9:30 A.M. to minimize interruption of class instruction. **As per board policy, the school must receive written instruction in order to dismiss in any other manner. This should be done by 9:30 A.M. to minimize interruption of class instruction.**

Students who are transported to school by parents must be dropped off and picked up in the drop-off zone. To facilitate a safe and smooth traffic pattern, parents are asked to observe all traffic signs and not to leave their cars unattended in the drive-through area. Students are not allowed to exit through any gate unless there is an adult in attendance. Parents are requested not to ask their children to cross through traffic.

School hours are from 8:45 A.M. to 3:15 P.M. Students may be dropped off between 8:15 A.M. and 8:45 A.M. Please make every effort to have your children at school on time. Students must be picked up between 3:10 P.M. and 3:30 P.M. **The school provides no supervision before 8:15 A.M. or after 3:30 P.M.**

During the school day, students must be picked up and signed out from the office. No students will be released from a classroom. Students will be released only to those persons designated by the parent. **Students will not be released from class before dismissal except in the case of an extreme emergency. Students will not be called from class after 2:20 P.M.**

ATTENDANCE

The full attendance policy can be located in the School Board documents: Attendance Policy 5.40 <https://www.boarddocs.com/fl/stlucie/Board.nsf/Public?open&id=policies#>.

School attendance is a prerequisite for student achievement. Students are expected to attend school daily and to be on time. When a student accumulates five unexcused tardies, or early pick-ups, it will be counted as one unexcused absence. Poor attendance or persistent tardiness will show itself in poor school progress. Please call 468-5302 when your child is ill and will miss school.

Every effort should be made to schedule medical and dental appointments after school hours or during summer vacation. Every effort should be made to take vacations only during scheduled school breaks.

Students who receive a suspension of bus privileges are expected to attend school and parents are required to provide transportation.

Students who arrive at school **after 8:45 A.M.** are tardy and must report to the office with their parent/guardian before going to their classroom. Please make every effort to have your child arrive on time.

Excused Absences

Absences for the following reasons are excused when an explanation is provided by the parent within 3 days of the students return or by the student's physician, when the physician authorization policy threshold has been reached:

- (1.) Illness of the student
- (2.) Major illness in the immediate family of the student that requires the student to miss school
- (3.) Medical appointments of the student
- (4.) Death of family member or friend
- (5.) Required court appearance
- (6.) A religious holiday of the specific faith of the student or the student's immediate family

- (7.) Subpoena or forced absence by any law enforcement agency to fulfill civic duties; a copy of the subpoena or court summons is required
- (8.) Major disaster that would justify the absence that has been approved by the principal
- (9.) Head lice, maximum of two excused days per incident with a maximum of two incidents per semester
- (10.) Missing the school bus when the bus is more than 5 minutes early or more than 15 minutes late or is not able to make the route.
- (11.) Other planned absences approved in advance by the principal
- (12.) Vacation travel or family outing/activity where the student has accumulated fewer than 10 excused absences or 5 unexcused absences in a semester. The principal can excuse vacation travel that exceeds this threshold after considering the student's attendance history, academic performance, mastery of the curriculum, and reason for the travel.

Unexcused Absences

Unexcused absences are all failures to attend school other than those specifically excused by the principal or designees.

- (1.) Truancy or out-of-school suspensions.
- (2.) Vacation travel where the student has accumulated more than 10 excused or 5 unexcused absences within a semester and the travel has not been approved in advance by the principal with the principal considering the student's attendance history, academic performance, mastery of the curriculum, and reason for the travel.
- (3.) Failure to provide an explanation of the absence to the school. The Department of Student Services can, after investigation, can advise the school to excuse absence(s) after the 3 days have passed. Physician explanations for absences that are received after the 3-day period will also authorize the school to excuse the absence.
- (4.) Missing the school bus if the bus is less than 5 minutes early or less than 15 minutes late.
- (5.) Non-attendance for immunization non-compliance
- (6.) Non-attendance due to head lice that exceeds two days per incident and/or exceeds two incidents per semester. Students who return to school with lice or nits and who are sent home that same day or who remain in the clinic/office will not be counted as "in-attendance" and will have the absence unexcused.

Tardy

A student is considered tardy if they are absent at the beginning of the day or if they leave school before the scheduled release time. Tardies will be either excused or unexcused. Acceptable documentation to excuse a tardy is the same as those to excuse an absence.

Early Pick Up

Students in grades K – 5 who are picked up from school prior to the end of the day will be marked as tardy for the day. The tardy will either be excused or unexcused. The tardy will be excused if the parent provides written documentation that the need to leave school early was for the same reasons that an absence from school would be excused. For all students in grades K -12, once the student has accumulated 3 excused tardies or absences due to leaving school early for medical/dental reasons within a semester, the parent must provide documentation from a physician that the student had a medical/dental appointment for subsequent class absences or tardies to be excused. The school principal or designee can approve an early pick-up or release beyond these limits after taking into consideration the reason as well as the student's attendance history, both daily and by period, and the number of early releases

BICYCLE PARKING

There is a fenced area provided to lock up student bicycles. While the school provides this area, we cannot assume responsibility for lost, damaged, or stolen bicycles. It is imperative that each child has a lock for his/her bicycle if brought to school.

COMPUTER, NETWORK AND INTERNET USE POLICY

Overview

The district provides its students access to a multitude of technology resources to enhance and extend the learning experience. These resources provide opportunities to enhance learning and improve communication within our community and with the global community beyond our campus. The advantages of having access to these resources are far greater than any potential downside. However, with the privilege of access is the responsibility of students to exercise appropriate personal responsibility in their use of these resources. This District Policy is intended to promote the most effective, safe, productive, and instructionally sound uses of networked information and communication tools. The District also makes a good faith effort to protect its students from exposure to internet materials that are harmful or explicit. The District maintains a system of internet content filtering devices and software controls to block obscene and pornographic materials and materials that are harmful to, or otherwise inappropriate for, minors that meet federal standards established in the Children's Internet Protection Act, 47 U.S.C. 254(h),(1), as amended (CIPA). Nevertheless, it is impossible to control all materials available on the internet, and users will be responsible for ensuring that their use meets the Policy established herein.

Digital Citizen

Student users of the District's computer, network, and internet resources shall use information and technology in safe, legal, and responsible ways. A responsible digital citizen is one who:

1. **Respects One's Self:** Users will select online names that are appropriate and will consider the information and images that are posted online.
2. **Respects Others:** Users will refrain from using technologies to bully, tease or harass other people. **3. Protects One's Self and Others:** Users will protect themselves and others by reporting abuse and not forwarding inappropriate materials or communications.
4. **Respects Intellectual Property:** Users will cite any and all use of websites, books, media, etc.
5. **Protects Intellectual Property:** Users will request to use the software and media others produce.

Expectations

Responsible use of the District's technology resources is expected to be ethical, respectful, academically honest, and supportive of the school's mission. Each computer user has the responsibility to respect every other person in our community and on the internet. Digital storage and electronic devices used for school purposes will be treated as extensions of the physical school space. Administrators, or their designees, will periodically monitor the online activities of users and computer files to ensure that users are using the system in accordance with District policy. No user of the District's networks shall have an expectation of privacy in his/her use. Users should not expect that electronic communications made or received on District networks, internet searches on District networks, or files stored on servers or disks will be private. Users also should understand that internet activity is recorded in log files. Users are expected to abide by the generally accepted rules of network etiquette. The following Policy is intended to clarify expectations for conduct, but they should not be construed as all-inclusive.

1. Use of electronic devices should be consistent with the District's educational objectives, mission and curriculum.
2. Inappropriate use includes, but is not limited to, (1) texting, phoning, or web browsing during prohibited times; (2) taping conversations, music, or other audio at any time; (3) photography or videography of any kind; and (4) any activity that could in any manner infringe upon the rights of other individuals, including but not limited to students, teachers, and staff members.
3. Transmission of any material in violation of any local, federal and state laws is prohibited. This includes, but is not limited to, copyrighted material, licensed material and threatening or obscene material.
4. Intentional or unintentional use of computing resources to access or process, proxy sites, pornographic material, explicit text or files, or files dangerous to the integrity of the network is strictly prohibited.
5. Software and/or services may not be installed or downloaded on school devices without prior approval of the Superintendent or designee.
6. Any malicious attempt to harm or destroy data of another user, the internet or other networks, is strictly prohibited. This includes but is not limited to creating and/or uploading computer viruses.
7. Unauthorized access to information by unauthorized recipients or "hacking" is strictly prohibited. This would include intentionally bypassing any internet filtering devices.
8. Use of electronic devices to bully or harass, as defined in Policy 3.43 included in Appendix A hereto, is strictly prohibited.
9. Student internet interpersonal communications (e.g., chat room, instant messaging, blogging, Wiki) requires authorization of a teacher or administrator.

10. Users may be held personally and financially responsible for malicious or intentional damage done to network software, data, user accounts, hardware and/or unauthorized costs incurred.
11. Files store on District-managed networks are the property of the District and, as such, may be inspected at any time and should not be considered private. Materials published for electronic publication must be for educational purposes. School administrators, teachers and staff may monitor these materials to ensure compliance with content standards.
12. Users, who accidentally access inappropriate material or witness another user accessing inappropriate material, shall immediately notify their teacher or school administrator.

Policy Violations

Violating any portion of this Policy may result in disciplinary action as provided in this Code. A student may be disciplined under the Code for expressive off-campus conduct (such as e-mails or postings on social media like Facebook, YouTube, Twitter, Blogs, etc.) where (1) such conduct would foreseeable create a risk of material and substantial disruptions within the school environment, (2) it was reasonably foreseeable that the off-campus expression might reach campus, and (3) the conduct did create a material and substantial disruption within the school environment. Disciplinary action shall e proportional to the offense. **Some violations may constitute criminal offenses and may result in legal action.** The School District will cooperate with law enforcement officers in investigations related to illegal activities conducted through its network.

CONCERNS/GUIDELINES IN RESOLVING SCHOOL RELATED PROBLEMS

It is our sincere belief that the large majority of misunderstandings and problems can be resolved through discussion between the parent and the teacher and/or other appropriate school personnel. These guidelines are designed to provide a “step-by-step” procedure for parents when they are attempting to resolve a misunderstanding or problem. You should make every effort to gather accurate facts before contacting the school. It may help to have the concern described in writing. If the concern is not resolved to your satisfaction after meeting or talking with the teacher, you should go to the next step.

- I. Schedule an appointment with your child’s teacher.
- II. Call the school counselor and ask him/her to establish a conference with the appropriate person at a mutually agreeable time.
- III. Schedule a conference with the Principal.
- IV. If you have exhausted all possibilities at the school level, the principal will advise you of the appropriate person at the county level to contact.

We are pleased that most concerns are satisfactorily resolved at step one. The other steps are provided for you as additional means of resolving your problems or concerns. Misunderstandings and problems will more likely be resolved if they are approached in a positive and courteous manner with recommendations that are realistic.

Your school staff is here to do the best job possible with your child. We can provide many educational opportunities, but it is done best when we work together in partnership, as parents and teachers.

CONFERENCES

You are encouraged to visit our school and conference with teachers, the school counselor, and/or administrators. We request that you notify us **twenty-four hours** in advance for a conference or if you wish to visit a classroom session. This is a county-wide policy as negotiated with the Classroom Teachers’ Association.

When parents and teachers work together, they make an unbeatable team. Parent conferences can help build the teamwork that helps children learn better.

Some planning by parents can help make conferences a success.

Before the Conference

Come in with a positive attitude. Conferences are not about placing blame. They are meant to pinpoint and improve weak areas as well as defining and praising the strong areas. Remember this is a team effort.

Please be on time. Because there is a time limit on conferences, being punctual aids both teachers and parents.

Think about what you want to learn in the conference. Prepare some questions. For example:

- ☆ Does my child usually turn in homework?
- ☆ Does my child use time well? Does he/she have good work habits?
- ☆ How well does he/she get along with others?
- ☆ What can I do at home to support what you are doing? How can I help my child?

Talk to your child. Ask what he/she thinks the teacher will say. Ask if he/she has any concerns.

During the conference

Be prepared to talk and listen. Tell the teacher what you see at home. Talk about your child's interests. Tactfully talk about your concerns. Be sure to let the teacher know about anything that might affect your child's learning.

Ask the teacher to explain anything you don't understand. Special programs for children are sometimes referred to by their initials.

Use your time wisely. Try to avoid lengthy subject matter that would not pertain to your child's learning.

Take notes to share later with your child and/or spouse. Talk with your child about what was discussed in the conference. Remember to "accentuate the positive".

After the conference

Follow up. Stay in touch with the teacher. If you think of a question you didn't ask, write a note or call the teacher and leave a message. The teacher will get back to you as soon as possible.

CONFISCATED ITEMS

Students should bring to school only items necessary for education. Toys, radios, tape recorders, watches with games, alarms, gameboys, cd players, etc. are not allowed and will be confiscated and sent to the office. Cell Phones that are on and/or out of the backpack will be confiscated. These items may only be retrieved by parents or guardians after a conference with an administrator. The school is not responsible if these items are lost or misplaced. This rule also applies to bringing such items on field trips.

Any item that is a weapon or that could be construed as a weapon will be turned over to the School Resource Officer/Sheriff's Deputy for determination as to criminal intent. Parents, please stress with your child(ren) that knives of any type are not allowed on school property (including school buses).

CURRICULUM

Students will receive instruction in all areas of the curriculum and be graded for progress in these areas. They will include reading and language arts (which include spelling, handwriting, English, speaking, and writing or composition), mathematics, science and health, and social studies. Music education and physical education will be taught and graded as well. Classroom conduct and personal development will be graded for progress for each nine-week marking period.

State Law permits the suspension of all curriculum except reading, math and science for those students who are having difficulty mastering the basic skills. You will be informed and asked to be involved if this strategy is recommended for your child.

DISCIPLINE

The Code of Conduct of St. Lucie County Schools provides guidelines for all students and parents. The schools in St. Lucie County have a zero tolerance policy for weapons and unauthorized materials. In addition, it is the policy of the St. Lucie County School District that all of its students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. The District will not tolerate bullying and harassment of any type. Conduct that constitute bullying and harassment, as defined in this policy, is prohibited.

The following is Weatherbee Elementary's Discipline Policy and Procedures Plan. We stress the importance for every parent to read and share the plan with his/her child. Teachers have discussed the plan with students and

teach the expectations and consequences on a regular basis. If you have any questions, please contact a school administrator at 468-5300.

At Weatherbee Elementary, Positive Behavior Interventions and Supports (PBIS) is a collaborative, proactive, systematic approach to teaching students expected/acceptable behavior as well as a functional process to developing effective interventions for inappropriate behavior. Our PBIS Rtl-Core Team is representative of the entire school staff and formed of administrators, a school counselor, behavior technician, primary and intermediate teachers and ESE teacher. The team has received training on each component of PBIS developed and/or reviewed each step of the process and presented it to the staff before implementation. The PBIS plan has also been presented to the School Advisory Council for their feedback and suggestions.

The goal of the team is to develop a system that facilitates positive behavior change in our students and staff. The system's goal is to reduce the number of inappropriate behaviors occurring across campus by educating students and staff and by reinforcing appropriate behaviors. The role of the PBIS team is to develop, review and maintain a school-wide PBIS plan. A consistent discipline referral and procedures process has been developed throughout the school. Use of school-wide expectations and rules in specific settings are established to teach students appropriate behaviors. A reward system to encourage appropriate behavior and effective consequences to discourage inappropriate behaviors is also in place.

PBIS is an ongoing process that is evaluated to determine the need for adaptations. The PBIS/Rtl-B Core team meets on at least a monthly basis to analyze discipline data and make meaningful, strategic decisions. Staff and students are also surveyed for their input. This information is used to develop effective interventions to decrease inappropriate behavior and increase desired behavior across the campus.

Weatherbee Elementary's school-wide PBIS plan ensures that children have the opportunity to develop the skills and behaviors that will enable them to realize success as responsible adults. The plan focuses on four major expectations with specific behaviors for each as presented in the *S.A.I.L. Expectations and Rules Matrix* below. S.A.I.L. is an acronym for **S**elf-Control, **A**cts Responsibly, **I**s Respectful and **L**earn. Standards have been developed that will help students accept responsibility for their behaviors. This plan also encourages parents to become actively involved in the education of their children.

On a daily basis students are recognized for demonstrating the S.A.I.L. expectations through verbal praise and rewarding of Mariner Money. The Mariner Money is used to purchase various incentives such as a pencil, small toy, extra computer time or participation in a monthly school-wide event. Classes are also recognized when each student in a class demonstrates the S.A.I.L. expectations by earning Class Conch Coins. These Conch Coins are used to reward student behavior with rewards such as a pizza party, ice cream party, or additional outside time.

"Teachers have the right to teach; students have the right to learn." It is our belief that teaching and appropriate learning are limited when a student is allowed to be disruptive. Your understanding and support of this plan is essential to its success. Teacher and parent communications are key elements. It is important that the school is provided up-to-date telephone numbers for home and work. This is necessary for emergencies as well as for the behavior plan.

Acceptable behavioral development is a vital and necessary part of each child's education. It requires the help and cooperation of parents, teachers, administration, and of course, the child.

WE BELIEVE

1. Children learn best in a positive, well-organized, stimulating classroom, school and home environment.
2. No child should be allowed to continually disrupt the learning environment of other children.
3. The help of the parents/guardians is essential in overcoming behavior problems.
4. Children are inherently good; only behaviors are "inappropriate".
5. There is a high correlation between self-concept and behavior.
6. Consistency in dealing with children is important.
7. Success breeds success.

For severe and/or recurring discipline, parents/guardians will be expected to be involved in helping the students improve/correct his/her behavior. Once assistance is requested from an administrator, the child may serve time in the school office.

CHAMPs Expectations

During the 2009-2010 school year, Weatherbee Elementary incorporated the CHAMPs Program into the daily guidelines of student expectations school-wide. We will continue with the use of CHAMPs for the 2019-2020 school year as it has proven to increase focus and therefore achievement.

Each letter serves as a reminder to students of the type of behavior that should be seen in any given situation so that maximum learning as well as a safe and caring environment will be displayed. Please review these basic CHAMPs expectations with your child as we move through the school year in order to ensure the greatest learning experience for your child.

- C = Conversation (At what voice level should I be speaking?)
- H = Help (How do I signal that I need help during this activity?)
- A = Activity (What activity are we participating in at this time?)
- M = Movement (What movement is permitted during this activity?)
- P = Participation (How will others know I am participating in an appropriate manner during this activity?)
- S = Success with S.A.I.L.

Kids at Hope

Weatherbee implemented the Kids at Hope belief system during the 2010-2011 school year. Kids at Hope is not a program, but is a vision for our future – a belief system that, once embedded in the culture of the school, enhances the school's existing programs. We believe that all children are capable of success and that they have wonderful potential for a bright future. NO EXCEPTIONS!

Adult community members, parents and friends are asked to become involved as mentors and supporters of our students as a part of Kids at Hope.

DRESS CODE (APPEARANCE)

The Weatherbee Elementary School Advisory Council along with district input developed the following student uniform policy and standards. We believe there is a direct relationship between a student's attire and classroom behavior, attitude and achievement. Research has proven that students who follow a uniform dress code have fewer discipline problems, greater academic achievement, greater self-esteem, and school pride. Therefore, we are requiring students to wear clothing that is comfortable, clean, safe, and appropriate for an elementary school. This uniform dress code has been designed to promote safety and positive attitude.

GUIDANCE

Individual and small group counseling, as well as classroom guidance are scheduled throughout the year. The school counselor also serves as the school testing coordinator and ESOL Contact.

HOMEWORK POLICY

Homework should be kept to a minimum (read with your child every night, complete i-Ready in reading and math, and practice important reading and math facts).

At the beginning of each year, homework procedures specific to the teacher will be reviewed with the students. Please feel free to call your child's teacher if you have questions about the homework policies or assignments.

LOST AND FOUND

The lost and found department is located in the school office. It would be extremely helpful if labels were placed on all belongings (lunch box, sweater, book bag, etc.) with your child's name and the name of his or her teacher. Items unclaimed for more than thirty days in the lost and found will be donated to charity.

MEDIA

Weatherbee Elementary is served by a media specialist and a media clerk. Our school's media center continues to be the heart of the entire school program by providing equipment, materials, and learning opportunities for students, faculty, and staff. The media specialist offers classroom instruction as well as maintaining an open access policy for students. The Media Center also houses a "Parent Lending Library" section with materials parents may check out.

MESSAGES, TELEPHONE CALLS, AND DELIVERIES

Students will not be permitted to use the office phone for personal calls except in case of emergency and with staff permission. In the event a student receives a call, he/she will be called out of class only in the case of an emergency. Messages must be called in no later than 2:30 P.M. to ensure delivery. Therefore, messages and/or forgotten items should be brought to the front office. We will pass the items/message to the child during a transition time.

MUSIC

Kindergarten through fifth grade students receive music instruction on a regular basis. The music teacher also assists classes in special program presentations.

NEWSLETTER

Weatherbee Elementary produces an informative newsletter called "The Mariner". This newsletter will be sent home with your child at the beginning of each month and provides information about upcoming events and exciting programs at the school.

PARTNERS IN EDUCATION

This program encourages community and business partnerships which will enhance the learning environment. Any parent that has a business that would like to participate is invited to contact the office.

PHYSICAL EDUCATION

All students, kindergarten through fifth grade receive physical education instruction on a daily basis by their classroom teacher and weekly by a certified physical education teacher.

If your child needs to be excused from participating in physical education for a day, please send a note to the physical education instructor. In order for students to be exempt for a longer period, a doctor's statement will need to be placed on file in the office.

A student who by reason of extended illness or disability is unable to participate in a physical education activity shall be assigned to an alternative activity upon the request of a parent, accompanied by documentation from the attending physician when the condition is extended or not readily apparent. Credit shall be awarded commensurate with the St. Lucie County Pupil Progression Plan.

PROMOTION REQUIREMENTS Grades K-5

Student promotion in St. Lucie County is based upon evaluation of each student's achievement in terms of appropriate instructional goals. The determination should reflect teacher judgment based upon the following:

- Successful progress in the county adopted curriculum
- Progress monitoring

- Classroom assignments
- Daily observation
- Standardized tests
- Other objective data.

Promotion for a student transferring into the district during the last 45 days will be based on:

- evidence of passing grades reflected on the official report card along with grades earned while in membership.
- recommendation from previous school

The principal will make the final decision concerning promotion.

Mandatory Retention of 3rd Grade Students:

Mandatory retention is necessary for third grade students who score Level 1 on the state ELA assessment unless they qualify for Good Cause exemption or score at or above the identified percentile on district identified assessments.

PUPIL PROGRESSION

The purpose of the instructional program in the schools of St. Lucie County is to provide appropriate instructional and selected services to enable students to perform at or above their grade level academically. Promotion, however, is based primarily on student achievement and is not automatic. A student may not be promoted based on age or other factors that constitute social promotion.

Decisions regarding student promotion, retention and good cause placement are primarily the responsibility of the individual school's professional staff. The final decision in regard to grade placement is the responsibility of the principal.

REPORT CARDS

District-wide report cards will be sent home following the end of each of the nine week periods. Report cards go home in October, January, March, and June. Parents are to read, discuss, sign, and return the report cards as soon as possible. Always feel free to call the school to schedule a conference with your child's teachers. It is the best way to understand how your child is progressing. Parents will also receive interim progress reports at the midpoint of each grading period.

SCHOOL ADVISORY COMMITTEE/SCHOOL IMPROVEMENT TEAM

The School Advisory Council is a committee that guides and oversees the implementation of a system of school improvement and accountability which results in educational excellence and the highest level of student learning. The primary focus of the School Advisory Council is to develop the School Improvement Plan and to prepare our children for the future. The team consists of parents, faculty and staff, community members, and business partners. Anyone interested in serving on the School Advisory Council should contact the school office.

SCHOOL INSURANCE

We encourage everyone to carefully consider enrolling their child in the Healthy Kids Insurance Program. Forms are sent home the first day of school enrollment.

SCHOOL SAFETY PATROL

Weatherbee Elementary selects fifth grade students as Safety Patrol members to assist students and parents. Patrol members help by providing assistance to parents and reminding students about the school rules and

safety procedures. Students not obeying school rules will be reported to an adult supervisor or administrator for disciplinary action. We sincerely appreciate our safety patrol and ask that you show your appreciation by always giving them your full cooperation.

SKYWARD FAMILY ACCESS

The School Board of St. Lucie County has developed a parent portal system to allow our parents access to their child's semester grades, attendance, and other pertinent information. Please go to the St. Lucie County website and click on the Parents and Student tab. In the left column is the Skyward Family Access link. If you do not currently have access please see the school data specialist in the front office.

STUDENT/PARENT/SCHOOL COMPACT

Effective schools are the result of families and schools working together to ensure that children are successful in school. A compact has been designed to promote the family/school partnership and to encourage children's learning and success in school. The compact form is located in the front of the Student Planner and on the school's website. A copy will also be forwarded by the classroom teacher during the first week of school. **Please carefully read the compact, sign it, and return it to the school with your child.**

TEACHER CONTACT

Classrooms will not be interrupted to give messages to the teacher. If you need to contact one of the teachers, please call the office at 468-5300 and leave your name and phone number where you can be reached at during the day as well as in the evening. Teachers are encouraged to check their boxes for messages and return calls as soon as they possibly can.

TEXTBOOKS

All textbooks are loaned to students for their use during the school year. It is requested that they be handled carefully and kept as clean as possible. Students will be required to pay for lost or damaged books. A child who has lost a book will not be allowed to take home another book until payment for the first book has been received.

TRANSPORTATION

Transportation is provided at no cost to the families of each child who resides more than two miles from his or her school. This privilege is available as long as the child abides by the rules of safety and proper behavior. Serious or repeated offenses may cause bus privileges to be suspended which then places on the parent or guardian the responsibility for transporting the student to and from school.

Suspension from riding the bus does not mean suspension from school attendance.

VISITORS

All visitors to Weatherbee Elementary must report to the main office to obtain a visitor's pass through the Raptor System. Parents are often invited to eat lunch with students but this is not the time for classroom visitation or conferences. If you wish to join your child for lunch, you may meet his or her class at the cafeteria.

VOLUNTEER PROGRAM

School volunteers are an essential part of the school program. Volunteers provide a variety of services from correcting papers to chaperoning field trips to tutoring individual students. Weatherbee Elementary has a strong and growing volunteer program. There is no better way to help your child succeed in school than to become involved in his/her education. The volunteer program offers parents, grandparents, college students, and any concerned adult the opportunity to make a difference. There are opportunities to work directly with students and staff or to work at home preparing materials or grading papers. We encourage you to consider volunteering this year. There are many ways to help! Please contact the school office for more information.

Student Volunteers Students who volunteer at a school cannot volunteer during school hours without consent from the school of the volunteer.

VOLUNTARY PRE-K PROGRAM

Weatherbee Elementary and the St. Lucie County School District Title 1 Office in partnership with the Early Learning Coalition of St. Lucie County offers a Free Voluntary Prekindergarten (VPK) Program. Your child must be four (4) years old on or before September 1, 2019 of the current school year.

WALKING STUDENTS TO CLASS

Parents of primary students may escort their child to class the first few days of school, if they desire. After that time period, we encourage development of independence and self-confidence by having students proceed on their own. Our school utilizes safety patrol members as well as staff members on duty to provide any needed assistance. We thank you for your cooperation.

**NOTICE OF RIGHTS UNDER FAMILY
EDUCATIONAL RIGHTS AND PRIVACY ACT**

The Family Educational Rights and Privacy Act, 20 U.S.C. §1232g (FERPA), and corollary state law, Section 1002.22, Fla. Stat., afford parents and students who have attained 18 years of age ("eligible students") certain rights with respect to each student's education records. These rights are:

- (1) The right of privacy with respect to the student's education records.

Personally identifiable records or reports of a student, and any personal information contained in these reports, are confidential. The School District of St. Lucie County will not release the education records of a student without the written consent of the eligible student or the student's parents or guardian, except to the extent FERPA and state law authorizes disclosure without consent.

- (2) The right to inspect and review the student's education records within 30 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- (3) The right to request amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of a student's privacy rights.

Parents or eligible students may ask the School District of St. Lucie County to amend a record that they believe is inaccurate, misleading or otherwise in violation of a student's privacy rights. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or otherwise in violation of a student's privacy rights.

If the District decides not to amend the records as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- (4) The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA and state law authorize disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses educational records without consent to officials of another school, school system, or institution of postsecondary education in which a student seeks or intends to enroll or is already enrolled.

- (5) The right to file a complaint with the United States Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
