

Mrs. Demet
Math, Science & Social Studies

Ms. Garth
Reading and Writing

August 19, 2020

Dear Parents/Guardians,

Welcome! We hope that everyone had a fun and relaxing summer. We are very excited to have your child in our classes. Working together as partners will help his/her success. Here is some information you should be aware of as we begin an exciting and adventurous year in Fourth Grade:

Beginning in fourth grade there is a grading scale based on percentages as follows:

90% - 100% = A

80% - 89% = B

70% - 79% = C

60% - 69% = D

50% - 59% = F

Tests, quizzes, and classwork will make up a final quarterly grade.

Skyward Family Access: We highly recommend that you sign up for Skyward Family Access if you have not already done so. This will allow you to check your child's grades any time day or night. Applications can be found online at www.stlucieschools.org or in the main office.

Homework: Homework will be assigned as needed.

Studies show a direct correlation between appropriate behavior and success in the classroom. Therefore, students will be expected to follow PBIS Classroom and West Gate Expectations at all times.

Rewards for following these expectations will include, but are not limited to:

- Positive note/phone call home
- Verbal praise

As you are aware, both Traditional and Virtual school starts at 9:30 am and ends at 4:00 pm. We have very full days, and it is very important that your child is in class for as much time as possible. Please try to schedule appointments so that your child does not miss instructional time. Written class work can easily be made up but, it is impossible to duplicate classroom instruction and discussions that aid the learning process.

Virtual School Schedule

Virtual students will begin their day at 9:30 AM with Mrs. Demet for math and science instruction. Then they will continue their afternoon with Miss Garth for reading, writing and social studies.

Communication

Communication is very important to your child's success! We have each set up a Remind account to send information/reminders out to parents in a timely manner by cell phone messages. More than one parent/guardian per family may sign up to receive messages. The Remind app will be used for teacher announcements only. To contact teachers, please use our school email addresses. We have attached the instructions on how to register. It is quick and easy. If your last name is different than your child's, please put your child's name also (ex. If your child's name is Mary Smith and your name is Ann Grant, when you register please put Ann Grant Mary's Mom).

If you have any questions or concerns please e-mail general questions to your child's homeroom teacher, and subject specific questions to the correct teacher as noted at the beginning of this letter. Mrs. Kimberly Demet at kimberly.demet@Stlucieschools.org or Miss Dana Garth at dana.garth@stlucieschools.org.

Your partners in your child's education,
Mrs. Demet
Miss Garth

Sign up for important reminders from both **Mrs. Demet** and **Miss Garth**. We each have two classes (*Traditional and Virtual*), so please choose the class that applies to your child!
