Welcome Back

Hello! My name is Ms. Heidi Goldberg (Student's can call me Ms. Heidi). I have been a teacher at Westgate for 6 years and have been working with students with autism for the last 2 years. Mr. Barrett has taken a position as a PE coach in Jupiter so I am now in his position. I was originally going to be the teacher for the students who are virtual. I know these are difficult and challenging times for us all. At Westgate, we are taking this matter very seriously and have precautions set in place. We will be practicing social distancing as well as wearing a mask at all times (besides lunch). We will all get through this and work together for a great school year!
