

## Meet the Teacher

Hello! I hope you are looking forward to a fabulous school year! My name is Ms. Mealing and I am a first grade teacher. I love teaching all subjects! My goal as your teacher is to make learning interesting and fun. Our classroom is a safe and friendly place. Our classroom theme is "Filling Buckets". Basically, that means we are kind, helpful, caring, and always giving compliments.

I am originally from New Jersey. I taught kindergarten and first grade there. Family is very important to me. I have three wonderful children: Matthew 21, Ashley 19, Taylor 17. I enjoy spending as much time as I can with my family. I like being outside, reading, arts/crafts, fishing, and going for walks.

I am so happy to be your teacher 😊
