Parent Car Line, Walk Up and Drop-Off Of Students:

1. **Parking and/or lining up of vehicles will not be permitted in front of the covered student pick-up area.** This area is the fire zone area and no parking is permitted. **Please do not move any traffic cones located in the driveway/parking areas of the school.** Please adhere to the following rules: do not block the handicap parking spaces; do not cut in front of another car that is waiting in line for their child; and have your child enter and exit the vehicle on the passenger’s side only. It is important that you do not allow and/or encourage your child to run to the vehicle.
2. Parents and visitors are requested to follow the directions of the school attendants who are supervising the children in the mornings and afternoons during drop-offs and pick-ups. Their job is to provide supervision of the children, assist the children getting in and out of the vehicles, and making sure vehicular traffic is moving in an orderly and efficient manner. If you need to get out of your car, then you must go to one of the designated parking spaces.
3. **The bus loading zone is for buses and day care vans only.** The area is clearly marked, “Do Not Enter”. Drivers are not permitted to drive through this area and/or block the driveway for the buses.
4. The teachers and staff parking lot is only for employees of the school. The area is clearly marked. Drivers are not permitted to park in this area.
5. All car riders are to be dropped off in the morning in the front of the school and picked up in the front of the school as well. The bus loading zone is for buses only and the staff parking lot is not a safe area for dropping off and picking up of students.
6. If you are walking to pick up your child: Students will be dismissed through the south cafeteria entrance and are considered to be “walkers”. K-1 students will remain in the cafeteria to be dismissed one at a time as parents arrive.
7. School safety is a priority goal for everyone at Windmill Point Elementary. These procedures that we have developed are for the safety and security of all children who attend the school. Patience and courtesy will help enormously in attaining our goal.

Parent Resource Area: Please contact our media specialist at 336-6550, ext. 4338 to schedule an appointment to check-out any materials. All materials may be checked out for one week.

Parent Teacher Organization (PTO): Please refer to the school’s website at <http://schools.stlucie.k12.fl.us/wmp/>.

Individual wrapped items are recommended (cupcakes, muffins, etc.) and must be store bought. Candy and gum are not permitted. Balloons and gifts delivered or brought to the school are not permitted. No distribution of invitations of any type allowed on campus. If you have any questions, please contact your child’s teacher.

Positive Behavior Interventions Support (PBIS): PBIS uses school-wide EXPECTATIONS and RULES in specific settings to TEACH students appropriate behavior. PBIS also utilizes a reward system to encourage and model appropriate behavior and effective consequences to discourage inappropriate behavior.

The following student expectations/school rules will be learned by all students.

Wildcat Classroom Rules:

1. **R**espect Others
 - Follow all adult directions
2. **O**bey Safety Rules

Problem Solving Intervention Team: The primary purpose of the Problem Solving Intervention Team is to provide schools with a procedure for implementing systematic and efficient assistance to administrators, teachers, parents, and students. The team meets on a regular basis to discuss students in need of resource services, alternative teaching strategies, curriculum changes, behavioral interventions, and/or psychological evaluations. The Team's responsibility is to study all information about the student and make recommendations for interventions to be utilized in working with him or her. The interventions must be implemented for a minimum of 6 to 9 weeks on a consistent basis. The Team will reconvene after the intervention phase to discuss the effectiveness of the interventions. The Team will determine if the interventions were effective and need to be continued, if new interventions are needed; and/or if a formal evaluation is necessary.

Promotions and Retentions: Promotions and retentions are based on an evaluation of academic assessments and diagnostic data, physical, social and emotional growth. To be promoted from one grade level to another, a student must have made satisfactory progress during the regular 180 day school term. Promotion criteria in grades Kindergarten through Five is that the student has demonstrated satisfactory progress in mastery of the Florida State Standards for appropriate grade level.

Rainy Day Arrangements: Please arrange a rainy day schedule for your child. Some after school activities may be canceled due to the weather. Your child will be permitted to call if this occurs. Please keep a rain poncho or umbrella in your child's backpack.

Report Card Dates: Report cards will be sent home with students at the conclusion of each 9 week period.

School Advisory Council: The School Advisory Council (SAC) meets monthly and meetings are open to any parent, community, or staff member. Please see the school website and newsletter for detailed information.

Textbooks: Basic textbooks are a loan for students use during the school year. It is requested that they be handled carefully and be kept as clean as possible. You will be required to pay for a lost or damaged book. Failure on the part of the student to pay for lost/damaged textbooks may deprive the student of further issuance of free textbooks. (Fl. Statue 233.42)

Uniform Grading System:

- In grades K-2, the indicators are:
 - 4 (Above Standard)
 - 3 (At Standard)
 - 2 (Approaching Standard)
 - 1 (Below Standard)
 - 0 (Not Attempted)
 - The before mentioned grades are based on mastery not a numerical %.

Uniform Grading System (Cont'd):

- Students in grades 3-12 will be awarded letter grades to indicate student progress.

Grade	Percent	Grade Point Average	Definition
A	90-100	4	outstanding progress
B	80-89	3	above average progress
C	70-79	2	average progress
D	60-69	1	lowest acceptable progress
F	0-59	0	failure
I	0	0	Incomplete*

Valuables: All students are to leave valuables such as, cell phones, money, jewelry, toys, Gameboys, radios, tape players, electronic devices, Pokemon Cards, etc. at home. The probability of damage/theft is too great and those items are a distraction to the students throughout the day. While it is tempting to bring a new gift or toy to school, these items, unfortunately, generally end up being damaged or lost, or in some cases, confiscated by adults because they are causing a disturbance or disruption in class. Confiscated items can be picked up in the office by a parent or guardian or will be returned to the students at the end of the school year.

Visitors: Parents are always welcome to visit the school. Please use the designated parking spaces in front of the school or at Minsky Gym. Parking in the bus loading zone and faculty parking areas is prohibited. **ALL VISITORS MUST CHECK IN AT THE FRONT OFFICE (WITH A GOVERNMENT ISSUED ID) AND OBTAIN A VISITOR'S PASS.** We will strictly enforce this policy to ensure the safety of all students. Our exterior doors remain locked at all times. Visitors can ring the bell to gain access. Parents who would like to observe a classroom must obtain prior permission from the principal and teacher, and must allow 24 hours' notice. **Preschool children and children not registered as students are not permitted to spend the day at school or visit the classrooms. Please plan to arrive no more than 15 minutes prior to the scheduled activity.**

Volunteers: We have seen excellent results when students receive individual help and we would like to be able to offer this educational opportunity to more students. If you feel that you could volunteer to work with students in a classroom, or help prepare materials for instruction, we would be happy to hear from you. You can reach our volunteer coordinator by calling 336-6950. We ask that all of our volunteers dress professionally while working in our school. Volunteers are not allowed to volunteer in their own child's class or bring siblings to school while volunteering.

Withdrawals: If it is necessary to withdraw a student from school, please notify the office as soon as possible. All library books and textbooks must be returned to the school, and other obligations satisfied, i.e. cafeteria charges, library books, textbooks, etc. A copy of the withdrawal form will be issued, and may be presented to the new school. Records will be forwarded to the receiving school.

Zero Tolerance Policy: **Notice of possession, sale or use of controlled substances, or weapons by any student on school property, or in attendance at a school function, is grounds for suspension and/or expulsion. Refer to the student code of conduct.**

Student Responsible Computer, Network and Internet Use Policy

Overview

The District provides its students access to a multitude of technology resources to enhance and extend the learning experience. These resources provide opportunities to enhance learning and improve communication within our community and with the global community beyond our campus. The advantages of having access to these resources are far greater than any potential downside. However, with the privilege of access is the responsibility of students to exercise appropriate personal responsibility in their use of these resources. This District Policy is intended to promote the most effective, safe, productive, and instructionally sound uses of networked information and communication tools. The District also makes a good faith effort to protect its students from exposure to internet materials that are harmful or explicit. The District maintains a system of internet content filtering devices and software controls to block obscene and pornographic materials and materials that are harmful to, or otherwise inappropriate for, minors that meet federal standards established in the Children's Internet Protection Act, 47 U.S.C. § 254(h), (1), as amended (CIPA). Nevertheless, it is impossible to control all materials available on the internet, and users will be responsible for ensuring that their use meets the ~~guidelines~~ Policy established herein.

Digital Citizen

Student users of the District's computer, network, and internet resources shall use information and technology in safe, legal, and responsible ways. A responsible digital citizen is one who:

1. **Respects One's Self:** Users will select online names that are appropriate and will consider the information and images that are posted online.

Each computer user has the responsibility to respect every other person in our community and on the internet. Digital storage and electronic devices used for school purposes will be treated as extensions of the physical school space. Administrators, or their designees, will periodically monitor the online activities of users and computer files to insure that users are using the system in accordance with District policy. No user of the District's networks shall have an expectation of privacy in his/her use. Users should not expect that electronic communications made or received on District networks, internet searches on District networks, or files stored on servers or disks will be private. Users also should understand that internet activity is recorded in log files. Users are expected to abide by the generally accepted rules of network etiquette. The following ~~guidelines are~~ Policy is intended to clarify expectations for conduct, but they should not be construed as all-inclusive.

1. Use of electronic devices should be consistent with the District's educational objectives, mission and curriculum.
2. Inappropriate use includes, but is not limited to, (1) texting, phoning, or web browsing during prohibited times; (2) taping conversations, music, or other audio at any time; (3) photography or videography of any kind; and (4) any activity that could in any manner infringe upon the rights of other individuals, including but not limited to students, teachers, and staff members.

12. Users who accidentally access inappropriate material or witness another user accessing inappropriate material, shall immediately notify their teacher or school administrator.

Policy Violations

Violating any portion of this Policy may result in disciplinary action as provided in this Code. A student may be disciplined under the Code for expressive off-campus conduct (such as e-mails or postings on social media like Facebook, YouTube, Twitter, blogs, etc.) where (1) such conduct would foreseeably create a risk of material and substantial disruptions within the school environment, (2) it was reasonably foreseeable that the off-campus expression might reach campus, and (3) the conduct did create a material and substantial disruption within the school environment. Disciplinary action shall be proportional to the offense. **Some violations may constitute criminal offenses and may result in legal action.** The School District will cooperate with law enforcement officers in investigations related to illegal activities conducted through its network.

****COVID Student Handbook- 2020-2021****

Safety is Our Priority

Your school will be following CDC, St. Lucie County Department of Health and district guidelines on health and hygiene during the COVID-19 pandemic. These rules are subject to change as circumstances change.

On Your Bus

Your bus driver will be wearing PPE (personal protective equipment). You will sanitize your hands as you enter the bus. You must also be wearing a mask. If you forget your mask, the bus driver will provide you with a disposable mask. You must wear it while on the bus. You will be asked to sit apart, if feasible. The bus driver may choose to drive with the windows down.

Walk or Riding a Bike to School

You must wear a mask to enter school grounds and you will use hand sanitizer before entering the campus.

Who Wears a Mask?

All students, staff, visitors and vendors will be required to wear a mask or face covering unless an approved exemption applies, or social distancing can be maintained. The following exemptions apply: people eating or drinking; people for whom a face covering would cause an impairment due to an existing health condition (requires a doctor's note); people observing social distancing in accordance with CDC guidelines; people who need to communicate with someone who is hearing impaired and needs to see the person's mouth to communicate; persons participating in recess and physical education classes while maintaining social distancing. For students with an IEP or a 504, appropriate accommodations may be made based on the individualized needs of the students.

Guidelines

Guidelines for Masks or Face Coverings:

- Must cover the nose and mouth to maintain effectiveness.
- Must be secured to minimize the need to adjust frequently.
- Face coverings shall not contain any offensive words or graphics. This includes, but is not limited to, words or graphics that promote violence, drugs, alcohol, sex, or other offensive or objectionable behavior or could be disruptive to the school or school facility.
- Do not need to be medical grade.
- Masks should be made of a solid cotton blend material. It may not be made of lace or mesh, have holes or be designed in a way that defeats the purpose of wearing a mask (which is to limit a person's moist breath from reaching others and to stop the other's moist breath from reaching the wearer, thus serving as a barrier to COVID19 spread). The principal will make the final determination as to the suitability of any mask.
- Should be worn prior to entering a building and in shared areas of the building when social distancing is not possible, *as directed by staff members*.
- Must be disposed of in trash can only.

How to Remove a Mask or Face Coverings

- Clean your hands with soap and water or hand sanitizer before touching the mask.
- Avoid touching the front of the mask. Touch only the ear loops. The front of the mask is contaminated.
- Hold both ear loops and gently lift and remove the mask.

When Should I Wear My Mask?

- You must wear a mask when on school grounds. You must wear your mask to enter and ride the school bus.

- You must wear your mask when transitioning between classes.
- You must wear your mask at school until a staff member has decided there enough social distance for students to remove the mask for a while.
- Under no circumstances may you leave a disposable mask on the ground or in any other place than a trash can after using the mask or if it breaks.
- You do not have to wear a mask when eating or drinking at breakfast or lunch.
- You do not have to wear a mask when receiving medical care or in a medical emergency.
- You do not have to wear a mask while playing a musical instrument, performing or rehearsing a choral or theatrical performance.
- You still must wear a mask when singing of the National Anthem, school alma maters, or songs performed by students, employees or visitors not engaged in a planned choral or theater class.
- You must wear a mask when staying for extra-curricular activities.

Students who refuse to wear a mask will be removed from class and may be administratively reassigned to an alternative learning environment off-campus.

Am I Allowed to Wear a Face Shield?

You must always wear a mask. You can choose to add a face shield and wear both mask and face shield. You must provide your own face shield.

Hand Sanitizer

You can carry personal hand sanitizer on you. Your teachers will also have hand sanitizer. Please sanitize your hands when entering a classroom and when leaving a classroom. Also, if you use any shared equipment (science lab tools, highlighters, etc.) make sure and sanitize your hands afterwards.

Classroom or Computer Lab Cleaning

Your teacher may ask you to wipe your own desk down after you use it, with a hand wipe. Also, if you are in a computer lab, the teacher will ask you to wipe down the keyboard and mouse with a hand wipe when you are done using the devices.

Social Distancing

Social Distancing is keeping six feet apart when possible. When you are walking in hallways or in a courtyard, you need to keep a 6-foot distance between you and the next person, when possible. There are going to be times at school when it is not possible to keep social distance. That is why it is very important to wear a mask to protect yourself and others.

Water Fountains

Water Fountains will not be available until further notice. You can bring a water bottle that must be kept in your backpack. Ask permission to bring it out for a drink. It must then be safely stowed back in your backpack.

Breakfast and Lunch

Students will sanitize their hands as they enter the cafeteria. Breakfast and lunch will be prepackaged to prevent extra touching or contamination. You will not have to enter your 5 digit number as the cafeteria staff will do it for you. Cafeterias will require students to sit spaced out to promote social distancing. You may remove your mask to eat and drink. Sharing of food items or utensils is prohibited.

Dismissal

Students must leave campus per the staff directions. Walker and bikers must leave immediately and cannot remove their masks until they leave campus. Parent pick-up students must stay six feet apart while waiting for their rides.
